

Aero Ground Course Starts November 15

Grand Old Man of Football

50TH ANNIVERSARY

THE "GRAND OLD MAN" OF FOOTBALL COMES UP WITH HIS 50TH COLLEGE TEAM THIS FALL! STAGG BEGAN HIS CAREER PLAYING END AT YALE AND WAS SELECTED ON HISTORY'S FIRST ALL-AMERICAN TEAM IN 1889. HE COACHED FOR TWO YEARS AT SPRINGFIELD COLLEGE, 41 YEARS AT CHICAGO AND IS IN HIS 7TH YEAR AT THE COLLEGE OF THE PACIFIC. HIS TEAMS HAVE PLAYED 525 GAMES, WINNING 312, LOSING 179 AND TYING 34 FOR A .635 WINNING AVERAGE!

HE INVENTED THE FORWARD PASS!
COACH A.A. STAGG

Marion Sawyer Allen is having a tough time of it at Syracuse University. In case you didn't know, he's a boy—and that name is just what caused him all the trouble.

He says now the "Big Chum" assigned to acquaint "her" with university life sounded interesting. Yes, he's going to look into the chumming part of it, even though he had to turn down his assigned roommate!

If you think you can beat the operators of the many football contests look at this record hung up in a recent contest a Dartmouth College:

Out of 739 entering game predictions in a typical weekend contest, only 13 students correctly predicted nine games out of ten. Not one called all ten games right.

LEADING PASSERS

(Attempted at least 35 passes)

Player	School	Att. Pass	Net Compl.	Had Yds	In'epd.	Comp.
Odle	T. C. U.	42	24	220	3	.571
Pugh	A. & M.	66	35	356	9	.530
Cowart	T. C. U.	90	43	512	4	.478
*Eakin	Arkansas	57	27	340	3	.474
Lain	Rice	101	47	534	7	.465

*—Arkansas-Mississippi State game unreported on pass records. Arkansas-Villanova game entirely unreported on individuals.

LEADING PASS RECEIVERS

(Caught at least 8 passes)

Player	School	Passes Caught	Yards Gained
Clark	T. C. U.	17	248
Looney	T. C. U.	14	112
Brandon	Rice	12	155
Hornor	T. C. U.	9	147
Ware	T. C. U.	9	145
H. Smith	A. & M.	9	78
Moore	Rice	8	125
Cordill	Rice	8	80

Passes receiving records still missing from S. M. U.-Notre Dame game; Arkansas-Mississippi State; and Arkansas-Villanova game.

LEADING BALL CARRIERS

(Carried at least 24 times)

Player	School	Times Carried	Yards Gained	Times Lost	Aver. Gain
Crain	Texas	49	480	32	9.14
Moser	A. & M.	50	282	12	5.40
Johnson	S. M. U.	35	177	13	4.69
Cordill	Rice	24	115	14	4.21
Price	A. & M.	24	89	3	3.58
Mallouf	S. M. U.	33	137	20	3.55
John Kimbrough	A. & M.	82	301	11	3.54
Conatser	A. & M.	31	128	20	3.48
Ware	T. C. U.	27	97	5	3.41
Pugh	A. & M.	31	108	10	3.16
*Eakin	Arkansas	52	183	20	3.13
Wilson	Baylor	52	188	27	3.10
Witt	Baylor	55	233	63	3.09
*Lyon	Arkansas	30	104	12	3.07
Miller	S. M. U.	24	90	18	3.00

*—Arkansas-Villanova game unreported.

LEADING PUNTERS

(Punted at least 12 times)

Player	School	Punts	Total Yds.	Aver. Yds.
Cordill	Rice	18	767	42.6
*Eakin	Arkansas	31	1257	40.6
Lain	Rice	14	556	39.7
Grumbles	Baylor	20	785	39.3
Conatser	A. & M.	24	875	36.5

*—Arkansas-Villanova game unreported.

LEADING SCORERS

Player	School	Touch-downs	Conver-sions	Field Goals	Total Points
John Kimbrough	A. & M.	7	0	0	42
Crain	Texas	6	5	0	41
Moser	A. & M.	4	0	0	24
Adams	Arkansas	4	0	0	24

Conatser (A.&M.); Davis (Texas); Witt (Baylor); Johnson (S.M.U.), each have scored 3 touchdowns and have 18 points.

TEAM STANDINGS

Team	Full Season				Opp.	
	Won	Lost	Tied	Pct.	Points	Points
Texas A. & M.	6	0	0	1.000	126	16
Texas U.	4	1	0	.800	81	56
Baylor	3	2	0	.600	66	47
S. M. U.	2	1	1	.500	58	27
Arkansas	2	4	0	.333	66	78
T. C. U.	1	4	0	.200	53	53
Rice	1	4	0	.200	45	55

Team	Conference Season				Opp.	
	Won	Lost	Tied	Pct.	Points	Points
Texas A. & M.	2	0	0	1.000	40	0
Texas	2	0	0	1.000	40	25
Baylor	1	1	0	.500	19	27
Arkansas	1	2	0	.300	34	46
Rice	0	1	0	.000	12	26
T. C. U.	0	2	0	.000	19	34

S. M. U. has not opened its conference season as yet.
Note—Through error last week Crain, Texas, was shown with a ball carrying average of 5.81 yards a try. This should have read 8.58. His average this week went up to 9.14 yards for each carry.—HBM.

W. I. Truettner Selected As Air School Instructor

By Ray Treadwell

Applicants for the new aeronautic course to be started at A. & M. November 15 are being interviewed this week, according to an announcement made Tuesday by Gibb Gilchrist, head of the School of Engineering.

Ground school classes in the course will start November 15 in the Mechanical Engineering building with W. I. Truettner, mechanical engineering professor, in charge of the course. Mr. Truettner has already been qualified by the Civil Aeronautical Authorities as an instructor in the ground school. Classes will begin as soon as the airplane motors and other pieces of equipment necessary for the course are delivered to A. & M. P. R. Higgins, mechanical engineering instructor, will aid in ground school instructions.

Preliminary medical examinations of applicants for the course will start Thursday at the College Hospital. If a student passes this test given by Dr. Marsh he will be sent to Bryan where he will be given a thorough physical examination by a doctor appointed for that purpose by the C. A. A.

Cadets that pass both physical examinations will then be eligible for both the ground school course and the actual flying course which will start January 15 at the 500-acre college airport to be located just west of Lake Shinola. It will not be necessary to start actual flying before that time as an extensive ground school training is required by the C. A. A. before a student is allowed to fly. Transportation to and from the flying field for cadets will be furnished by the college.

Planes for the flying course will be furnished by an operator to be designated by the C. A. A. The field operator will be allowed \$290 per student by the government for the actual cost of the flying time, and \$40 required of students taking the course being used for medical examinations and insurance. According to Dean Gilchrist, all planes used in the training will be new ships and in all probability the flying instructors will be graduates of Kelly Field or other well-known flying fields.

Any student taking the flying course must be not less than 64 inches nor more than 78 inches in height; must weigh not less than 115 pounds. Weight must be in

Appointment of NYA Field Man Announced

Appointment of J. Palmer Boggs, of Washington, D. C., as field engineer of the National Youth Administration, was announced today by N. Y. A. administrator Aubrey Williams.

Boggs' headquarters will be in the Denver Colorado, field office, from which point he will work with the field representatives and the state youth administrators throughout the territory west of the Mississippi River, in maintaining high standards of design and sound methods in construction and other N. Y. A. work projects.

A native of Oklahoma, Boggs attended, after public schools in several western states, Colorado College, the University of Arizona, and Massachusetts Institute of Technology. He was graduated from the latter as an architectural engineer.

Pre-registration officials at Syracuse didn't interpret it the right way, and had "her" all assigned early in the summer to a room in the women's dormitory with feminine roommate and all.

proportion to height, according to government standards. In addition, the student is required to see 20/20 with each eye uncorrected, and be able to pass color tests. In hearing he must be able to hear the whispered voice at 20 feet with each ear separately. A blood pressure of not over 140 millimeters or below 100 millimeters is required. Any presence of hernia, nephritis, diabetes, or tuberculosis and any history of encephalitis, syphilis, asthma, kidney stone, or epilepsy will also serve to disqualify.

Although only 40 students will be allowed to take the government-paid flying training, Dean Gilchrist announced that a limited number of other students would be allowed to take the flight training if they could meet all C. A. A. requirements and pay the full cost of the flying instruction. In addition, he stated, there will be room enough for a number of students to take only the ground course and not sign up for flying time. Students who sign up for just the ground school course will in all probability be allowed to take flight training later, if they so desire and if they are able to pass the physical requirements.

Norton Urges All Seniors To Make Trip To Arkansas

Three teams will be playing in Fayetteville Saturday, according to Head Coach Homer Norton, who spoke to the senior class meeting Tuesday night in Guion Hall. The Aggies are one team, the Arkansas Razorbacks are another, and the third will be the team headed by a quarterback named "Psychology." This third team might be the one that could cause the downfall of AggieLand's hitherto undefeated eleven, said Norton.

For this reason, the Aggie team will need the support of every man who can make the trip, genial Homer continued. He urged that all seniors and anyone else who found it at all possible to do so

should go along and help the team over its seventh hill.

Norton's plea was seconded by Max McCullar, senior class president, and Charlie DeWare and Virgil Jones, former Aggie grid greats and at present members of the coaching staff at A. & M. McCullar also urged all organizations commanders to take up contributions from their outfits to supplement the funds already donated for the purpose of sending the band to Arkansas to support the team.

"THE VARSITY BARBER Shop" was the winning name submitted by Tommy Vaughn and Robert Woods, both of "L" Infantry, in the recent naming contest sponsored by D. E. Craddock, to name the barber shop in the new "Y." Woods and Vaughn each won \$5.00 in trade in reward for the name. Much interest was shown in the contest and a large number of entries were submitted.
