STEEL ADDRESSES SOCIOLOGY CLUB

E. W. Steel, head of the Department of Municipal and Sanitary Engineering, addressed the Rural Sociology Club on "Rural Sanitation," at its meeting Tuesday night. The intense interest exhibited in the subject was evidenced by numerous questions the club members asked Mr. Steel.

The club is now formulating plans to send a group of students and a department professor to Nova Scotia this summer for the purpose of studying the fishing and housing cooperatives there. Students have shown much interest in the prospective trip. Anyone interested in sociology is invited to the next club meeting at which time further plans for the trip will be
