TEXAS A. & M. AND TULANE IN SUGAR BOWL CLASSIC

The Aggies are at last bound for a bowl game. For twelve years we've waited for a good team and not only did we get this but also the best, in many ways.

The Tennessee boys wouldn't come out of ambush so the Aggie team closed the books and accepted the bid from New Orleans.

Last year the Athletic Council agreed at the Banquet that to the first Aggie team that won the Southwest Conference a diamond studded football would be awarded. The team deserves this and much more. The T. C. U. boys returned from New Orleans last year with watches, sweaters, and many other worthwhile gifts.

With no cleaner bunch of boys found on any other team in the country there should be some suitable and appropriate gift made possible. They played rough and played for keeps, but it was the cleanest of any that was seen.

**Remember when you
struggled with fractions?**

You'd be surprised how telephone engineers put them to work for you

How to put more and more wires into a telephone cable without increasing its diameter is an ever present problem at Western Electric—manufacturing unit of the Bell System. Existing ducts beneath city streets limit both the number and the diameter of cables—but demand for telephone service continues to grow.

Until recently, the largest cable contained 3636 wires in a diameter of 2 1/2 inches. Years of study led to an entirely new insulating process that saved 3/1000 of an inch per wire. Multiply this tiny fraction of an inch by 3636, and you provide enough space to place 606 more wires in the same size cable!—a total of 4242.

With such resourcefulness, Bell System engineers meet countless problems. Result: you can talk to almost anyone, anywhere—quickly, at low cost.

A telephone call home would be appreciated. Rates to most points are lowest any time after 7 P. M. and all day Sunday.

Aggie Basketball Team Will Enter Tulsa Cage Meet

The Texas Aggie's basketball team has accepted an invitation to compete in an all-college basketball tournament in Tulsa, Oklahoma, December 20-22, according to an announcement by Ronald Capps, tourney director for the all-college contest.

Eleven colleges and universities have accepted the invitations for the meet and will join in the invitation tournament. Other schools to be presented are Southwestern college, Winfield, Kansas; Tulsa university, Tulsa; East Central State college, Ada, Oklahoma; Southwestern State College, Weatherford, Oklahoma; Oklahoma Baptist University, Shawnee; Westminster College, Fulton, Missouri; Northwestern State College, Alva, Oklahoma; Northwestern State College, Tahlequah, Oklahoma; Drury College, Springfield, Missouri; and Southwest Missouri State Teachers College also of Springfield.

INTRAMURAL HIGHLIGHTS

By HUB JOHNSON

Football is a thing of the past, at least until the first day of next year. From here out, basketball will be the sport of the season but it will not hide the intramural program as did the greatest of all Aggie teams.

The last big game in the program was the basketball final which was played Monday before last. This was some time ago but at the dead line of the last issue the final outcome was not known. If you recall, K Infantry defeated 3rd Headquarters Field Artillery and I Infantry downed M Company to claim positions in the last game.

That Monday night, some six giants from K Company with the idea of running over the I boys were sent off at the half with fear in their minds that their opponents had been misjudged. Scoggins spurred the I team, made up of Alsobrook, Stephens, and White, and held Coffman, Watson, Shelton, and Dutton to a mere one point lead. The final count, 14 to 13, K Company.

Again notice that swimming is approaching the call. The Class B swimming meet will be held the weekend of December 16th and 17th. The preliminaries will be run the first day with the finals being held on Sunday, the 17th.

Last week I called another one wrong. W. D. Lewis was the first place winner of the Class A cross country run. He represented F Engineers, but the remainder of the entrants for this organization were too far down the line to claim any points.

"STUDENT GADGETS"

(Copyright applied for)

A new line of humorous novelties designed to create fun in home, room or office. Many amazing parlor tricks—novelty cigarettes, loaded cigars and other sundry articles. Also a nice line of toilet articles and electric razors.

COLLEGE STATION, TEXAS

PAGE 2

A. & M., Despite Struggle Of Longhorns, Looked Great, Oates Declares

(Editor's note: In a pre-game arrangement between Battalion sports editor Jeep Oates and Daily Texan sports editor Clyde LaMotte, it was agreed that if the Aggies won, Oates could write the story for the Texan, and vice versa. Here's Oates' version of the game—the same one that was printed in the Texan.)

through on the Mite. A dry field would not have changed the result. Crain or Davis might have scored on a long run, but the Cadets would probably have scored a couple of times more.

Texas did have the hardest fighting team the Aggies have met this season.

COLLEGE STATION, Dec. 4.—The scoreboard showed a "20" under AGGIES and a "0" under VISITORS Thursday evening as the 40,000 rain-soaked fans slowly milled their way out of the concrete bowl at College Station and headed for points far and near.

Texas partisans were not downhearted, because they had seen their team put up a great scrap before bowing to the ranking team of the nation.

The first half of the fray was scoreless, but after a few minutes of the first quarter, there was no doubt as to the winner. Coach Bible's lads fought and fought and held off the Aggies for thirty minutes, but it was just like watching a game fighter battling Joe Louis. You knew it would be just a matter of time until it would all be over, except the shouting.

Great kicking by Gilly Davis and Jack Crain and the fact that the Aggies would take no chances kept the Cadets from scoring in the first half, although they played most of the game in Texas territory.

A. & M. lost little time turning on the heat in the second half. Between the halves Coach Norton stepped into his team's dressing room and said, "Boys, let's take them now." He turned and left after those words, and that was enough.

On a hide play after the Steers kicked off, "Bama" Smith took a pass for 46 yards. Conatser moved the ball on down to the 16, and then Price shot a pass to Sterling in the end zone for the score. Jack Crain was sucked out of position on that play.

Conatser scored in the same quarter. The Cadets started their march on their own 46. Kimbrough, Price and Conatser drove through the line for yardage, and Price tossed one to H. Smith for 37 yards. Conatser smashed through tackle for four yards and the score.

John Kimbrough regained and clinched the scoring lead with 60 points when he crashed through the 2-yard stripe in the last period. A foul gave the ball to the Aggies on the Texas 14. Conatser circled right end for seven and left end for five. Then "Jarrin' John" Kimbrough was called on, and it was a score.

Gilly Davis was the star for the Steers. He did everything. Jack Crain was just another ball player on the field, but then he couldn't have been much more after taking some of the hardest tackles that any man has ever taken. Marshall Robnett, who played the best game of any man on the field, swapped ends with Jack several times when he drove

A MEETING FOR MINOR sports representatives will be held tomorrow night to discuss the betterment of the minor sports program.

Teams are asked to have at least one representative at the meeting so that all will have an equal voice. The main topic for discussion will be the financial plan for the various teams.

The meeting will be held in room 220 of dormitory 6, immediately after supper.

KRAFT RADIO

A. & M. Opens Home Basketball Games Here Friday Night

The A. & M. basketball team will open its 1939-40 home schedule Friday night when they meet the Bearkats of Sam Houston State Teachers College in Memorial Gym. The Aggies opened their schedule for the season last night when they met the same team in Huntsville—results of which were not available at the time the paper went to the press.

The Huntsville team coached by Puny Wilson was outstanding last year and although five members of last year's team were lost via graduation which included such stalwarts as Clifford Dotson, Jacksonville; Gordon Cotton, Huntsville; Johnny Puckett, Houston; Floyd Dotson, Jacksonville; and Tom Williams, Tyler. Prospects of the Bearkats team this season are better than fair and promise a stiff fight for the Aggie team captained by Woody Varner.
