A. & M. LAUNDRY

FELLOWSHIP LUNCHEON The first Fellowship Luncheon since the holidays wil be held Thursday, January 11, at 12:10 in Sbisa Hall.

FLYING CLUB ESSAY CONTEST Students who are interested in an essay contest on "The Cultural Value of Flying" are invited to read a notice that has been posted on bulletin board 20 near the English Office.

Graduate students who expect to complete the requirements for the master of science degree at the end of the current semester should, if they have not done so, file notice of such expectation in my office without delay.

T. D. BROOKS

Dean of the Graduate School

CITY GARBAGE COLLECTION CITY GARBAGE COLLECTION
The Civic Council of College Station
plans to begin the collection of garbage
within the city on February 1, 1940. The
collections will be made twice a week at
each house and place of business in the
city except those on the campus. Notice
is hereby given that bids for this work
will be opened Thursday evening, January
18, 1940. The council reserves the right to
reject any and all bids.

LONGHORN MILITARY PICTURES
All military pictures for the Longhorn
must be made before Tuesday, January 10.
These pictures must be in at once in order
that the Longhorn deadlines may be met.

LONGHORN CLUB PICTURES Space reservations for club pictures the 1940 Longhorn must be in by Februa 1. See Watson in room 203, hall 12.

### **DUKE UNIVERSITY** School of Medicine

DURHAM, N. C.

Four terms of eleven weeks are given each year. These may be taken consecutively (graduation in three and one-quarter years) or three terms may be taken each year (graduation in four years). The entrance requirements are intelligence, character and three years of college work, including the subjects specified for Class A medical schools. Catalogues and application forms may be obtained from the Admission Committee.

### **Organizations**

PLANT SCIENCE SEMINAR
Dr. Charles LaMotte, associate professor of the Department of Bielogy will speak to the Plant Science Seminar on "Pteridophytes", Thursday evening at 7:30 in the assembly room of the Experiment Station, Administration Building.
This talk will be of a popular nature on the subject of ferns and will give the outstanding facts on these lower plants. Dr. LaMotte will explain these and something about their variety, nature and their importance to plant morphology.
Dr. LaMotte is a native of Bowie, Texas. He received his B. A. and M. A. degrees at Texas University, and his Ph. D. from Illinois in 1937.
Anyone interested is invited to attend.

A. A. U. P.

The January meeting of the A. & M. Chapter of the American Association of University Professors will be held Wednesday evening, January 10, at 7:30, in room 303, Academic Building. Members who attended the annual meetings of the association held at New Orleans during the holidays will give an account of the program and comment on some of the present activities of the national organization.

The report presented at the December meeting by the local chapter's committee for the study of sabbatical leaves may also come up for further consideration. All members of the teaching staff interested in this or any other of the chapter's programs are cordially invited to attend.

GLEE CLUB

The regular meeting schedule of the A. & M. Glee Club is as follows: Every Monday night in the basement of the old dining hall; every Tuesday night in the radio room of the Y. M. C. A.; and every Thursday night in the basement of the old dining hall. Meetings will start promptly at 6:30 after supper. There are new songs and new engagements—rehearsals are very important.

PETROLEUM ENGINEERING CLUB
Paul Weaver, geophysicist for the Guli
Dil Company, will address A. & M. petro
eum engineers, Thursday, January 11, or
the subject of "Peculiarities of Water
Associated with Petroleum Deposits".

AGRONOMY SOCIETY AGRONOMY SOCIETY

The Agronomy Society will meet in the Agronomy library Tuesday evening, January 16, at 7 o'clock. The election of the King of the Cotton Style Show, Pageant, and Ball will be held. There will also be the election of a junior assistant to the social secretary and business manager. All students majoring in or interested in agronomy are specially urged to be present.

A. S. C. E.

The A. S. C. E. will meet tonight at 7
the Civil Engineering lecture room, motion picture film, "Asphalt: Nature's lost Versatile Product", will be shown, all civil engineering students are cordialinvited to attend.

There will be an A. S. M. E.

There will be an A. S. M. E. meeting Tuesday evening, January 9, right after supper in the E. E. lecture room. Several A. S. M. E. seniors will give short talks on 1940 automobiles.

Second on the program is a picture show, "Crystal Champions". This picture is a Grantland Rice Sportlight, taken at Crystal Springs, Florida, where Johnny Wesimuller, Martha Norelius, Newton Perry, an extraordinary turtle-catcher, and others romp around in an underwater playground, through gardens of submarine plants. The pictures were taken both above and under the water.

MARKETING AND FINANCE CLUB MARKETING AND FINANCE CLUB
The Marketing and Finance Club will
meet Wednesday night in the Y parlor
at seven o'clock. The Marketing and
Finance dance will be Friday night and
it is very important that all members
be present at this meeting. Membership
cards will be given to those who have
paid their dues. All members not having paid dues please bring them to the
meeting.

### **Battalion Newscast—** (Continued from page 1)

With the inauguration of The Battalion's most recent progressive step, the Friday afternoon newscast via station WTAW, editor Bill Murray has announced the appointment of junior editor George Fuerman as radio editor and editorial assistant C. A. Montgomery as associate radio editor. The broadcasts are held each Friday afternoon from 5:15 to 5:30. The time has been specially selected so that students having late Prizes will be awarded to the best afternoon classes or working in the afternoon may also hear the newscasts.

The newscasts also serve as a method of relaying news pertaining to A. & M. to communities surrounding College Station who do not receive The Battalion. It is estimated that each broadcast has a listening audience of 15,000 persons. The first in the series of newscasts was presented from the stage of Guion Hall Friday, December 15, and they have been broadcast each Friday afternoon since that time from the WTAW studio. The public is invited to attend the quarter-hour broadcasts which follow WTAW's popular Friday afternoon feature, the Aggie Clambake 4:30 to 5:15, which is open to all student entrants.
