Civil Service Applicants To Get Advice

Applications Should Be In by February 1

O. E. Teague of the U. S. Civil Service Department will meet all students who wish to apply for the position of junior professional assistant with the Civil Service in the Animal Industries lecture room at 7:00 p. m. Wednesday, when he will sign the notary blanks and certifications of residence which must accompany the applications. The closing date for these applications to leave College Station should be February 1.

Optional subjects under the rating of junior professional assistant are as follows: junior administration technician, junior agricultural economist, junior agronomist, junior animal breeder, junior agricultural biologist, junior biologist (wildlife), junior chemist, junior engineer, junior forester, junior geographer, junior information assistant, junior legal assistant, junior librarian, junior metal-

Talbot Asked To Pick Champ Showman Here

Chief of Ft. Worth Exposition Stock Show May Serve as Head Judge

D. G. Talbot, general superintendent of the livestock division of the Southwest Exposition and Fat Stock Show, has been sent an invitation by James Grote, manager of the Little Southwestern, to act as judge of the grand champion fitter and showman here February 19. Mr. Talbot will make the final placings between the champions of the cattle, horse, sheep and hog classes. Winner of this final round will receive a pair of Texas Aggie cowboy boots made by the Central Boot Company of San Antonio.

Jack Turner, manager of the Ellison Estates of Fort Worth, has been asked to act as cattle judge. Placings will be made on the way the animal has been fitted and on the way it is shown, rather than on the merits of the individual animal.

Rufus Peeples of Tehuacana has been asked to judge the horse classes. He is well known for the excellence of his horses and general farm plan. M. G. Perkins, county agent at Caldwell, will serve as judge of hog showmen. P. T. Underwood of Denton and J. P. Heath of Argyle have been asked to collaborate on placings in the sheep division.

Talbot, Turner, Peeples and Perkins are all ex-students of A. & M. It is not known as yet how many of those who have been invited will be able to serve as judges, but answers are expected early this week.

Plans for the Little Southwestern, the first show of its kind to be held in the Southwest, have advanced considerably in the last two weeks. Committees have been appointed to handle specific duties in connection with the show, and a great deal of interest has been taken in the fitting of animals by those who have entered the competition.

SCHEDULE OF CLASSES FOR SECOND SEMESTER TO BE AVAILABLE SOON

E. J. Howell, Registrar, announced today that the schedule of classes and registration procedure for the spring session would be available in a few days.

All students are advised that the fees for registration will be as stated in the 1940 bulletin of information, and that all payment of fees and procedure through the Commandant's Office may be completed beginning February 1.

Brooks Announces List of Mid-Term Degrees of M. S.

T. D. Brooks, dean of the graduate school, announced today the complete list of all candidates for M. S. degrees in February. The candidates, and their courses are as follows:

P. L. Chism, Education; George Clyburn, Agriculture Economics; Bennett Coulson, Municipal and Sanitary Engineering; Owen Hugh Graham, Entomology; Walter Scott McGregor, Entomology; D. B. Mejias, Municipal and Sanitary Engineering; Lawrence A. Miller, Animal Husbandry; A. K. F. Mir, Horticulture; L. L. Smyth, Industrial Education; Thomas Henry Terrell, Municipal and Sanitary Engineering; Wallas Taber, Fish and Game; M. R. Thadaui, Economics; and S. B. Woolard, Electrical Engineering.

In addition, J. C. Shoultz of Grapeland, Texas, majoring in Agronomy, has completed the required work for his advanced degree but has requested that the conferring of his degree be withheld until June at which time his son, James C. Shoultz Jr., will receive his B. A. degree.

Six Members of Staff Here Speak To Seed Breeders

When the Texas Seed Breeders Association held its two-day meeting in Dallas, January 19-20, six members of the Texas A. & M. staff were among those appearing on the program, according to an announcement made by Dr. E. P. Humbert, head of the A. & M. Genetics Department and secretary of the association.

One of the main subjects discussed was the work being done on pink bollworm control in South Texas. This was discussed by R. E. McDonald of the United States Department of Agriculture, San Antonio, who was in charge of the federal work in combating this new cotton pest.

O. S. Fisher, also of the U. S. D. A., Washington, D. C., spoke on the new federal seed law which becomes effective next February 5. He outlined the provisions and discussed the law with association members in round-table session.

Members of the college staff appearing on the program included Dr. Humbert, Dr. P. C. Mangelsdorf, assistant director of the Texas Agricultural Experiment Station; D. C. Killough, agronomist, and specialist in cotton breeding; E. S. McFadden, assistant agronomist; all of the Experiment Station; and Prof. J. S. Mogford, of the Agronomy Department.

Victor Schoffelmayer, agricultural editor of the Dallas Morning News, also appeared on the program.

J. M. Jones Is Veteran Ranch Expert, Sheep and Goat Judge

J. M. Jones of College Station is a veteran who has been doing things in a big way in the livestock realm since he walked out of the University of Wyoming with a proverbial "sheepskin" diploma in 1907.

Strange to say, his first degree

J. M. Jones

Fish Stock Judging Won By H. Mogford

Menard County A. H. Freshman Wins Contest With 537 of Possible 600

Harold Magford of Menard, animal husbandry student of I Infantry, Saturday won the annual Freshman Livestock Judging Contest, over a field of 106 contestants, with a score of 537 out of a possible 600. In addition to being the high individual of the contest, Mogford, who was a member of the 4-H Club team which won first place in the International Exposition at Chicago in 1938, was fifth high in horse judging, and ranked high in each department.

In second place was W. O. Fillingham, with a score of 535, who was followed by J. B. Miller with 531. Others in the first ten individuals were Kenneth Garvin, fourth; B. D. Rice, fifth; E. B. Mayer and J. T. Cate, tie for sixth; John A. Powell, eighth; J. R. Fuller, ninth, and L. A. Bridges, tenth.

In horse judging, L. H. McMillan was first with 143 out of 150, followed in order by J. B. Miller, J. R. Fritsch, J. B. Pumphreys and Harold Mogford, E. W. Fuller and E. B. Mayor, tied for fifth.

Horace Brown was high in the judging of sheep with 141, followed by Zero Hemphill, Billy Kidd, J. B. Miller, and J. T. Cate.

In the cattle department, John H. Holt was first with 145, George Roberts, Howard Hahn and J. C. Wallace tied for second, with J. B. Pumphrey fifth.

B. B. Crozier and J. T. Cate tied for first in hog judging, B. D. Rice and F. R. Craig tied for third, and L. A. Bridges was fifth. (Continued on page 4)

STUDENTS WITH JOBS MUST PASS 10 HOURS WORK

All student labor employees are reminded by O. R. Simpson, head of the Student Labor Committee, that their mid-term report must show a total of 10 hours passed with a grade of "D" or better, or they will be automatically dropped from the student labor payroll without notice. The grade of "F" is considered as failure.

Any student employee thus dismissed is ineligible for student labor until he has completed a semester of work and passed at least 10 hours. Eligibility is secured by satisfactorily completing 10 semester hours, but it does not insure the re-instatement of the student, as preference is given to those students of the same need who have the greatest number of hours passed and grade points earned. In view of past applicants' record, student labor jobs are not offered to students passing less than 14 hours the previous semester.

Walsh Will Give FSA Exams Here January 24, 25

W. V. Walsh, assistant regional personnel advisor of the Farm Security Administration from Dallas, will be at College Station January 24 and 25 to give examinations to men near graduation who would like to qualify for possible employment with the Farm Security Administration.

Mr. Walsh's schedule for January 24 will clear through Prof. T. M. Leland's Department of Accounting and Statistics, the examination being for accountants and statisticians.

The schedule for the 25th is in charge of the Department of Agronomy, and arrangements are being made for all other students wishing to take this examination to have an opportunity to do so. Dr. Ide P. Trotter, head of the Department, states that as far as Mr. Walsh has informed him, it is not necessary for students to have filed a formal application to take this exam. Mr. Walsh indicated special interest in mid-term graduates, but it is likely that he will allow men who will not graduate until June to take the exam, in order to be available for possible employment after graduation.

All students other than accounting and statistics students interested in taking this examination on January 25 should leave their names at the office of the Agronomy Department, in order that they might know what size room to arrange for the exam. It will be necessary for those students to find out exactly when the exam will be held, Wednesday afternoon, or early Thursday morning.

CONTEST FOR SNOW PHOTOS WILL BE HELD

The Aggeland Studio will conduct a contest of pictures portraying any snow scene on the A. & M. campus, Joe Sosolik, owner, announced today.

First prize will be a Junior Brownie camera, second prize will be a Baby Brownie camera, and the third prize will be the book, "How to Make Better Pictures." All entries must be of a minimum size of 2 1/4 by 3 1/4 inches, and all will be returned. The winning picture will be published in The Battalion.

The contest ends January 30, and all entries should be turned in to Phil Golman, 37 Legett, before that time.

Judges will be Phil Golman, Battalion staff photographer, Bill Murray, editor, and Don Andrews, junior editor.

Entries will be judged for originality and clarity.

"BAT" STAFF, NEW MEMBERS, MEET TONIGHT

An important meeting of the entire editorial staff of The Battalion will be held at 7:15 p. m. tonight in room 110, Academic Building. All editors, junior editors and reporters are especially requested to be present.

All students who wish to become members of the Battalion staff are invited to attend. No newspaper experience is necessary, though ability to typewrite and the knowledge of the essentials of reporting are valuable. A number of reporters are needed for the second semester, and students who enjoy writing will be able to pick up a great deal of practical experience in newspaper work by joining the editorial staff of The Battalion.

Battalion and Scientific Review Soon To Come Out

The January issue of the Battalion magazine will be ready for distribution by Wednesday, Paul Ketelson, managing editor, announced today.

This month's issue of the Scientific Review will be distributed January 31, according to editors Woody Varner and Ernie Meynard.

Sugar Bowl Victors Will Collect Their Spoils at Victory Banquet January 27

"Ole King Cotton"

Edgar Wesley Seay, president of the Agronomy Society and captain of B Field Artillery, has been elected by the Society to serve as King of the annual Cotton Ball, Pageant and Floor Show to be held here April 19. This affair is one of the most colorful and widely renowned of all A. & M. social events.

Gladys Swarthout, Radio Star, To Appear at Guion Hall February 23

Famous Mezzo-Soprano of Metropolitan Opera Now on the Most Intensive Tour of Her Career

Gladys Swarthout, mezzo-soprano of the Metropolitan Opera Company, and singing star of concert, screen and radio, who will give a concert at Guion Hall on Thursday evening, February 23, is now on the most intensive tour of her career.

DEAN BOLTON ATTENDS MEETING OF A. I. E. E.

F. C. Bolton, vice president and dean of the college, left Friday to attend a board of directors meeting of the American Institute of Electrical Engineers in New York City. He will remain there until the latter part of the week.

Dean Bolton is vice president of the seventh district of the American Institute of Electrical Engineers. (Continued on page 4)

College Students In Favor Of U. S. Loan to Finland

Although college students have often shown an emphatic desire to keep the United States neutral, a nation-wide poll completed last week reveals that sympathy for Finland is great enough for a majority of them to approve of American loans to the only nation that has kept up its war debt payments.

Specifically, 62 per cent of the collegians answered "yes" to the questions, "Should Congress allow Finland to draw on her latest World War payments to the United States?" This study of sentiment in the American college world is one of the weekly polls conducted for The Battalion and scores of other undergraduate newspapers that form the Student Opinion Surveys of America. A carefully-derived sample of the students is used by the interviewers in measuring opinions of the nearly one and a half million U. S. collegians. Favorable sentiment was found in all parts of the country on this

	Yes	No
New England	72%	28%
Middle Atlantic	62	38
East Central	60	40
West Central	64	36
South	64	36
Far West	54	46
U. S. Total	62	38

Trophies, Awards To Be Presented Team at Dinner

Sugar Bowl Committee To Present Dean Kyle With Original Bowl

To the victors belong the spoils, and the Texas Aggie football team will be presented with all of their mementoes of a victorious season that left them the nation's undisputed No. 1 football team, at the banquet here January 27.

Trophies of the Sugar Bowl game, the coveted gold footballs that forever will mark them as members of the nation's No. 1 football team for 1939, will be presented to the Texas Aggies by President Herbert Benson of the New Orleans Mid-Winter Sports Association, on Kyle Field at 5 p. m. January 27.

The presentation will be made by President Benson and his committee in person, and the entire Texas A. & M. student body will be assembled in the great horseshoe of Kyle Field to witness the presentation.

In addition to the gold footballs for the squad and coaches, (Continued on page 4)

Placement Bureau Orders Cuts of Seniors

Deadline For Ordering Leaflets Is February 10

Cuts of the pictures for the leaflets of those seniors who have paid their \$4.00 fee and filled out their personnel record sheet have been ordered by the Placement and Personnel Division of the Association of Former Students, Lucian Morgan, director, announced today. It was also announced that the formal announcements of the formation of the Placement and Personnel Division were in the hands of the printer and would be ready for mailing to approximately 1,500 employers this month. These announcements are in the form of a four-page brochure setting forth the aims and qualifications of the bureau.

Senior candidates for degrees in 1940 are reminded that the actual cost of the leaflets printed complete with picture is \$4.00, and that the deadline for payment is February 10. All seniors whose pictures are in the 1940 Longhorn do not have to furnish a photograph. Those who do not have their picture in this year's Longhorn should furnish a small glossy print with their order for the printed leaflets.

A complete personnel record of all graduating seniors has not been secured as yet, and those seniors who have not turned in this record are urged to do so at once.

AGRONOMY SOCIETY TO HEAR CHICAGO BOARD OF TRADE MAN TONIGHT

The Agronomy Society will have as its guest speaker tonight at 7:30 in the chemistry lecture room, Mr. Clarence Henry, educational director of the Chicago Board of Trade. Mr. Henry will talk on "Effects of the European Conflict on the Marketing of Grain in the United States." He is a man widely traveled, and thoroughly familiar with the grain situation.

The members of the Economics Club and the Marketing and Finance Club have a special invitation to be present as guests at this meeting, as the subject on which Mr. Henry will speak should be of interest to these students.

Mr. Henry is host to the various crops teams from the different agricultural schools which compete in the international contests held in Chicago each year, while visiting the trading floor of the Chicago Board of Trade.
