F. M. Law, Former Battalion Editor, Commends Paper Of Today For Its Stories

Dr. F. M. Law, President of the Board of Directors, has written this column and commended The Battalion for the stories that were written concerning the football banquet.

He says they were good plus. "More power to The Battalion and its editors, of whom I was one in 1894," said Dr. Law.

The Aggie grid team is popular in every part of the world, as can be seen from the fact that people in all parts of the globe write in for pictures of the cadets. The latest comes from Hideo Uno in Honolulu. He wants pictures of Kimbrough, Thomason, Moser, Boyd, Herb Smith and Marshall Robnett.

Fred Wolcott, Rice Flyer, Again Makes All-America Track Team in Two Events

Fred Wolcott, the speed demon of the Rice Institute track team, was given the 110-meter and the 200-meter hurdle berths again on the All-American track and field team picked by Dan Ferris, and is one of the seven men to be named for more than one event.

Right at this time there is nothing going on in sports except the frays between students and profrs. Who will win? ... well, you guess. Most of the athletes are coming through in fair shape, but this column has seen many students packing their trunks during the last few days. It looks like the track team has suffered the worst blow. "Frog" Johnson was dropped for the count before the bell could ring. "Red" Cecil will probably be running the 440 in addition to the sprints this spring.

U. T. Team Is Favored In Baseball

Baylor and A. & M. Tossup for Second

By "Jeep" Oates
Not far off is the sound of the hickory meeting horsehide.

Again this year it appears that the baseball race will simmer down to a three-way dog fight between Baylor, A. & M., and Texas. Texas will again be the favored team and the Aggies and Bruins will be a tossup for the second slot.

A. & M. will have a veteran team again this season and will be strong at every position except first base. Lefty Bob Williams left that position open when he graduated last spring and went into the pro circles. Bill Henderson and Lefty Moon will put on a fight for that position and if neither of them produce, Marion Pugh will move in from outfield. Coach Karow hopes to be able to keep Pugh in the outfield, however.

At second base the cadets will have Jack Lindsey and Marland Jeffrey, both lettermen. Chubby Nolen will probably hold down the short field duties and Bob Stone will be at third base for his third season.

The outer garden will have Pugh and Jack Cooper, two of the league's top hitters. The third man will come from one of the infield positions if Bama Smith comes through.

Behind the plate the Aggies will be the best fortified of any team in the conference. Jack Doran and "Red" Kirkpatrick are number one and two.

Aggies Boost '40 Schedule To 9 Games

Play University Of Tulsa In San Antonio Oct. 5

Coach Homer Norton announced yesterday that the Aggies had added Tulsa University to their 1940 grid schedule, bringing the total to nine games for the season. The game will be played in San Antonio on October 5.

The Aggies played Tulsa last in Tyler two years ago and the cadets defeated them by a 20 to 0 score, however Tulsa has greatly improved their team since that time.

A. & M. will play three games before they open their conference schedule. The three pre-season games will be against Texas A. & I. at College Station, Tulsa University at San Antonio and University of California of Los Angeles on the Pacific coast. Following the Pacific coast game the Aggies will start into a six-game schedule with members of the Southwest Conference.

Estimate On Cost Of Highway Thru College Requested

An estimate on the cost of Brazos County's section of the College Station-Snook-Lyons road has been requested by the State Highway Commission. This road will probably pass through the North Gate across the railroad tracks and by the polo field, passing through the communities of Snook and Lyons, and finally intersecting highway 36 between Somerville and Caldwell.

This request was made in order that appropriations could be made for the work on the road that will become a part of Highway 230. Preparatory orders will be made for the signatures of the members of the commission.

It is thought that construction will begin soon after the appropriations have been passed. People of this and adjoining counties have been active in pushing the movement for the needed road. Most active in the drive for this project have been Judge Ware and Gibb Gilchrist, who were in Austin recently conferring with Brady Gentry, chairman of the Highway Commission.

The Brazos County Court has already obtained the right-of-way for the section of this county, except that part which must pass through A. & M. College property. However, officials of the college have pledged this strip as soon as the route is definitely decided upon.

and plans for the annual world championship classic for cowboys throughout the nation will slip into high gear this week with the arrival in Fort Worth of Verne Elliott, Johnston, Colorado, rodeo manager. Auditions for speciality acts for the two daily rodeo performances have been started.

At least eight West Texas cities have begun plans to participate in special day events and a roundup of home-town talent. The home-town talent programs will be presented in the amusement building each morning. These towns are working on plans to participate with delegations and entertainers: Graham, Throckmorton, Coleman, Stamford, Brownwood, Jacksboro, Mineral Wells, and Electra.

\$55,000 PURSE POSTED FOR 1940 FAT STOCK SHOW

\$27,000 In Prizes Offered Student Contestants

FORT WORTH.—A grand purse of more than \$55,000 has been posted for various exhibitors and contestants at the Southwestern Exposition and Fat Stock Show, in Fort Worth, March 8-17, John B. Davis, secretary-manager, has announced.

The premiums include approximately \$27,000 for livestock exhibits and student judging contests; \$20,000 for rodeo contestants and special events, and \$8,400 for horse show. Livestock entries will close February 17.

The Fat Stock Show has sent out a call for all the sheep-shearers of Texas for a statewide championship shearing contest to be held March 8-17. The contest will be a feature of the world championship rodeo and horse show twice daily and prizes of \$180 will be awarded, including a purse of \$50 to the state champion. L. F. Aston, contest director, said the shearers will be graded on points, using the rules established by the Chicago Flexible Shaft Company.

Rodeo tickets are now available and plans for the annual world championship classic for cowboys throughout the nation will slip into high gear this week with the arrival in Fort Worth of Verne Elliott, Johnston, Colorado, rodeo manager. Auditions for speciality acts for the two daily rodeo performances have been started.

\$800 Donation To Kirby Loan Fund

The student loan funds of the Association are in receipt of the sum of \$803.41 following a recent sale of timber from land given several years ago by the Honorable John Henry Kirby. The land

involved, a full section, comprises State Forest No. 3, under the direction of the Texas Forest Service, of which E. O. Siecke is director. Proceeds from the sale of timber from this tract go to the student loan funds of the association, according to the terms of Mr. Kirby's gift.
