 Adjutant's Call: 1:30 p. m.
 2. The senior instructor, Field Artillery unit, will designate one battery to attend motorized and one battery to attend horse-drawn.
 3. The senior instructor, Cavalry unit, will designate one troop to attend mounted.
 4. The Executive Committee has extended members of the R. O. T. C. from classes 1 to 3 p. m., February 23, for this purpose.
 By order of Colonel MOORE, CLAUDE F. FURBACH, Captain, F. A. Adjutant.

SOPHOMORE BALL ARRANGEMENTS
 1. In compliance with the request of the committee in charge of the Sophomore Ball, approved by the organization commanders concerned, ramps A, B, and C, of Walton Hall, will be vacated by cadets Saturday night, February 24, 1940, in order to provide accommodations for visiting girls attending the Sophomore Ball.
 2. Cadets having guests will be assessed a charge of 25¢ per guest to cover the cost of the matron, maid service, and other incidental expenses.
 3. The organization commander is charged with the responsibility for seeing that rooms and corridors are left in a neat, orderly, condition for the reception of guests.
 4. Cadets concerned will vacate Walton Hall by 1:00 p. m., February 24; guests will be admitted at 3:00 p. m. Cadets will be readmitted to the hall at 12:00 noon, February 25, by which time guests must be out of the dormitory.
 5. Guests staying in the dormitory must be in not later than 2:00 a. m., Sunday morning. Guests must check in with the matron upon their return to the dormitory after the dance, and they must check out with the matron on their departure from the College to their respective homes. Escorts will be held strictly accountable for compliance with these instructions.
 6. Reservations may be made by cadets living in ramps A, B, and C, of Walton Hall on Wednesday, February 21, from 8:00 a. m. until 5:00 p. m., who wish to reserve their own room. After 5:00 p. m. on that date, reservations will be open to other cadets concerned.
 COL. GEO. F. MOORE, Commandant.

SPEAKER FOR PLANT SCIENCE SEMINAR
 Dr. S. H. Yarnell, Chief of the Experiment Station's Horticulture Division, will discuss "Texas Studies of Cold Requirements of Peaches" before the campus Plant Science Seminar tonight. The Seminar will meet in the Experiment Station conference room at 7:30 p. m.
 Dr. Yarnell is in charge of the work which the Experiment Station has been carrying on to determine which varieties of peaches may be expected, in the various state regions, to produce crops each year—on the basis of average cold occurrence in the different regions. This work has been a determinant in choosing parental varieties in the Station's peach-breeding program, and has a possible bearing on other horticultural problems.

the contemplated improvements, the costs thereof, and the service thereunder, should be an actuality before the application for the rate increase is made.

5. However, if the company desires to present its application for an increase in rates in its present setup, then the machinery for the hearing is this:

(a) The commission set down a day for the hearing.

(b) The company desiring the hearing, will have the burden of presenting facts, which under the contract, the Charter and the Law, will warrant the Commission in raising the rates.

(c) In doing this the Commission will act as a finding board, without the restriction of a court of law, but will be governed by the law applicable to such cases and will make its findings and conclusions on the evidence introduced.

(d) At the hearing, it would be lawful and proper for the company to make an appraisal of its property.

(e) After the City Commission fixed the rates the company would have the right of contesting same in the District Court but the rates fixed by the Commission would stand until changed by the courts.

war. General Collins further stressed the point by saying: "In this day and age it is largely a question of material rather than man power in warfare."

He then pointed out that the current large-scale maneuvers are a chief factor in national defense, which represents another change from previous tactics. "These

the decorations. On display around the floor will be various surveyors transits and other instruments. Bill Cloud, club president, announced that helping him with the dance arrangements are F. W. Perrin, W. A. Hamilton, Joe Moseley, Fred Sandlin, Jack West, and H. B. Smith.

Saturday night the Fourth Annual Sophomore Ball will be held in the main part of Sbis Hall. Willard Clark, class president, states that the Aggrieland Orchestra is to play for the dance from 9 till 12. An invitation to attend the ball has been extended to the entire senior class through their president, Max McCullar. Although arrangements have not been fully completed, the sophomores are planning to have a private party with no outsiders at the Bryan Country Club after the dance in Sbis Hall.

A list of T.S.C.W. girls who can come to the dance is in the hands of Alden Cathey and sophomores who want blind dates with the girls may go to room 108, dormitory 9, and sign up. Several busloads of the girls are expected to arrive about 5 o'clock Saturday afternoon.

Arrangements for the dance are being completed by the sophomore representatives in each organization and by Cathey, Bob McLarn, Eugene Copeland, Paul Egner, Henry Filsinger, Thomas Gillis, E. C. Bell, Roland Bing, David Shelton, and Jack Forman. Tickets to the ball may be secured from any of the sophomore representatives.

large-scale maneuvers are very important, although the average layman doesn't always realize this," he added.

The general then finished his short but interesting address by extending high praise to the United States Army as it is constituted today. "It is my sincere hope—like every other American—that this nation will never again be plunged into war; but, if ever it is, I feel certain that our nation will remain the only nation never to lose a war," he concluded.

Throughout his address he was in high praise of the work of the R. O. T. C. as constituted at Texas A. & M., and of the R. O. A.

Previous to the introduction of General Collins as principal speaker, toastmaster Lieutenant-Colonel O. E. Beasley introduced Luke Patranella of the American Legion; Colonel George F. Moore, Commandant of P. M. S. & T. of A. & M.; and Major E. J. Howell, past-president of the Texas division of the R. O. A. and A. & M. HERE'S ROY CONACHER (No. 9), HIGH-SCORING FORWARD OF THE BOSTON BRUINS, WORLD CHAMPIONS of '39...

IN THIS ACTION SHOT he's come in like a bullet from an express rifle... he takes a pass. But the opposition's defense stops him—this time.

AGAIN a furious flash of speed... a split-second of stick magic... and the puck shoots home for the goal that wins the match.

His hockey's fast and hot!
 BUT HE SMOKES A SLOW-BURNING CIGARETTE FOR MORE MILDNESS, COOLNESS, AND FLAVOR

SPEED'S FINE IN HOCKEY BUT NOT IN CIGARETTES. I LIKE SLOW-BURNING CAMELS... THEY'RE Milder AND COOLER

When it's easy-chair time after that rough-and-tumble mêlée known as a hockey match, you'll find Roy Conacher of the Bruins enjoying a milder, cooler, more fragrant, and flavorful cigarette... Camels, of course.

FOR MILDNESS, COOLNESS, AND FLAVOR—
