A letter received from George Hurt of the University Band says: The Longhorn Boxing Club of the University of Texas with the support of its Faculty Committee and the Longhorn Band, is planning to sponsor a Boxing Tournament for College Boxers under intercollegiate and state regulations at Austin, Texas, probably March 19 and 20.

NOTE TO MANNING SMITH: For crying out loud why don't you let someone know when you are going to have a basketball game or something. Ten minutes before it is going to happen is no help to anyone.

Texas put Baylor in the shade Saturday night in Waco, and that game between Rice and the Steers tonight in Austin should be a thriller. The winner of that game will be the conference champion and the Steers play their best when the chips are down, so we are picking them to win the conference, and the game against the Aggies here Saturday night will just be another game on the schedule that has to be played.

Green Bay Defeats Washington 21-0; New York Giants Trim Chicago 14-0

In the two games Saturday afternoon Dookie Pugh starred and Jackson Webster stood out as he played for all four teams at different times.

Green Bay Packers (A team). Jeffrey and Spivey did the scoring for the New York Giants (B team). Jeffrey worked the ball down close on passes to Simmons and Cowley and then went off tackle for the counter. Spivey scored on an intercepted pass, Pugh's drive, Zapalac's drive and then Spivey carried around end for the tally.

Yesterday the football team of 1939 received their long-awaited-for luggage. All players, the coaches and G. B. Winstead received the beautiful tan leather bags.

T.C.U. Frogs Break Losing Streak In Aggie Game

LOWLY T. C. U. TEAM UPSETS A. & M., 64-55

Bill Henderson Is High Scorer of Game With 24

After twenty-two straight conference basketball defeats, the T. C. U. Frogs finally won a game Saturday night when they defeated the Aggies 64 to 55, in Fort Worth, despite the superb shooting of Bill Henderson, who tallied 24 points, and Bill Dawson, who sank 12 points.

For the first time in two seasons the Horned Frogs completely had control of the game all the way, going out in front in the first minute of the game and never once losing the lead. The game was a rough and tumble affair, marked with 40 personal fouls being called and two Frogs and one Aggie being banished from the game on fouls.

It was a nip-and-tuck affair the first half, with the count at the end of the first period being 30 to 24. With the start of the second half the Frogs pulled ahead steadily until at one time they led 15 points, but Henderson dropped in four straight field goals to close the gap.

In the final two minutes of the game there was a total of 20 points scored by both teams.

Aggie Tankers Get Back After Break-Even Trip

Coach Art Adamson and his Aggie tankers returned home Sunday after a break-even trip to various schools and clubs of the central and north-central section of the country.

The first opponents for the cadets were the Sooner tankers who fell under a score of 50 to 25. The Aggies took over from the start and continued to hold the spot throughout.

Ty Hall won the 440, and the 220 while Johnson won the 150 backstroke and Hensley carried off the 50 and the 100-yard freestyle dashes. The relay teams won both the 300 and the 440-yard relays.

Traveling on to St. Louis the Aggies met their defeat at the hands of the Merimac Patrol of the downtown 'Y'. This was the first water polo game of the trip. Johnson and Hensley set the pace for the Aggies but were held back by Capt. Eddie Schroeder of the patrol. The score, 9 to 2.

Registering a double win, the Illinois University swimmers and water poloists handed the Aggies a 4 to 3 defeat in the water game and a 45 to 39 defeat in the events. Hall again carried off the 440 and Hensley won the 50-yard freestyle while the relay team claimed the 440 event.

In the water polo game, fate was against the Aggies as well as the seven Illinois men and Hensley was pulled from the water in the first half. The Aggies were then forced to play with only six men until the start of the second half and yet the cadets held the host scoreless throughout the time of the handicap.

Senior National Champs Win The Senior National Champions of water polo ran up a score of 13 to 5 on the Aggies and remained undefeated by a collegiate team.

The goalie was said to be the only difference in the two teams and it is said that he might enroll here next year.

Here also many coaches of other schools in that section of the country were on hand and issued invitation for the Texans to play there next year.

Longhorn Cagers Invade Aggieland Late This Week

To the home of the fighting Texas Aggies comes one of the top quintets of the Southwest Conference. The orange and white basketballers from forty acres over Austin way will invade Aggieland late this week for their slated fray with the Cadets. This game along with two others to be played the same night will wind up the basketball season for the year in this conference. The other two games are Arkansas vs T.C.U. at Fayetteville and S.M.U. vs Baylor at Dallas.

If Texas can shoot the Owls in their game tonight at Austin, they can claim a tie for the championship by defeating the Aggies; however, a loss by the Steers retires them to second place and gives the title to Rice. And in this conference anything can happen.

In the last A. & M. - Texas game, which was played in Austin Wednesday, "flashy" bounding Bobby Moers was kept well bottled up by J. T. Lang. Four more bottles will do the trick Saturday.

Aggies retaliated with a 9 to 3 win in water polo later that evening.

Hall again lived up to his record and carried off the 440 as well as the 220 and Johnson was the 150 back. The relay team claimed the 300-yard event.

The Cyclones blew over when it came time for the water polo game and left most of the game in the hands of Roger Adams who made all three points for the Iowa team.

Sooner Aggies Lose As in football so it was also in swimming for the Oklahoma Aggies dropped the meet to the Aggies 34 to 40.

The traveling squad was made up of Coach Art Adamson, Johnson, Hall, Pontieux, Hensley, Conway, Couch, Robinson, Ketelsen, and Japhet.

Ten Veterans Report For Baseball at T.C.U.

FORT WORTH, Feb. 24.—Ten lettermen and some nine sophomores will report to Coach Howard Grubbs this week-end as preliminary work starts on T.C.U.'s 1940 baseball entry.

Only two lettermen from last year's fourth place squad are missing, and strong soph replacements are expected to put the Frogs in the thick of the conference race. Shortstop is the post that is worrying Coach Grubbs right now. Rusty Cowart, who lettered at short last year, will be out the early part of the season because of a knee operation.

The Frogs will play a number of practice games in March, taking on the Fort Worth Cats for a two-game series. Their conference schedule opens at home Friday, March 29.
