### SPRING HOLIDAYS

The regular spring holidays for members of the clerical and office staffs will be March 22-25, inclusive.  
 F. C. BOLTON, Dean.

### FINAL EXAM CHANGE

Final examinations for the current semester were originally to begin Saturday afternoon, June 1. In view of the fact that graduation exercises will be held Friday, May 31; that the Final Ball will be held following graduation exercises; that the Final Review will be held on Saturday morning, June 1; and that many students will have their family and friends here at that time, it is thought that the best interests of all concerned will be served better if final examinations for undergraduates do not begin until Monday morning, June 3.

In order to effect this change in the final examination schedule, all examinations scheduled for period K, 1 p. m. June 1, will be changed to 1 p. m. Friday, June 7. The regularly scheduled examinations for the conflict period will be held Saturday morning and Saturday afternoon, June 8.

No other changes in the examination schedule are necessary, and the rest of the schedule as announced on page 4 of the official schedule of classes will be followed.  
 F. C. BOLTON, Dean.

## "Ugly Boy" Contest—

(Continued from page 1)

The counting of the votes was held in Guion Hall and was directed by the forty-one members of the election committee. Candidates and their campaign managers were present to insure fairness throughout.

Because several of the candidates protested that there was considerable ballot-box stuffing in the first primary, a different method was selected by the committee to run the second election. According to the rules determined by the committee at its meeting in Guion Hall Sunday night at 9 o'clock, all first sergeants will collect the ballots from their respective organizations and they will be honor-bound to see to it that not person votes more than once. The first sergeants will then turn the ballots in to the various dormitory representatives (announced in Saturday's Battalion) who will in turn do all in their power to insure adherence to the election rules. The ballots, which will appear in Thursday's Battalion, must be turned in to dormitory representa-

tives by Friday noon at which time the committee will meet again to count the votes and determine the final winner. The winner will be announced over the regular Friday afternoon Battalion Newscast and, with the other runoff candidates, will be interviewed at that time.

The rules applying to first sergeants also apply to the managers of the various project houses.

Bodie Pierce, head yell-leader, states that the date for the special yell practice to crown the King of the Ugliers will be announced within a few days.

The colorful and enthusiastic campaigning of the various candidates is beginning to attract statewide and even national publicity and has engrossed the entire student body in a manner without precedent. The names and room numbers of the dormitory representatives will be announced again in Thursday's Battalion.
