

Baseball Team Looks Pretty Good; Bass Is a Greatly Improved Hurler

The baseball team looked a lot better Saturday than it did the first time out. Sam Bass looked much better on the mound than he did a year ago. Last year we had to watch him bat with one hand

and at that he got hits. Saturday, using both hands, he rapped out a double and single in two trips to the plate.

Charlie Stevenson pitched the last half of the game and it looks like he can go. He bore down in the pinch and had the Brewers breaking their necks.

Ballow, who is holding down

short, is a good fielder, but he can't hit as well as Chubby Nolen. Bill Henderson looks better than either Pugh or Moon on first base. He may not be able to hit as well against curve ball pitching, but then the first base position has not produced a hit this year, and both Pugh and Moon have been the victims of strikeouts, Moon and Pugh have both let men be safe at first for failure to touch the bag.

Scoggins, who is finally in the graces of the Registrar's Office, is slapping the apple. He hit three for five, one a homer, Saturday.

WHITE TEAM ROUNDLY OUTGAINS REDS; KIMBROUGH AVERAGES 6.9 YARDS PER

The Whites (A squad) outgained the Reds (B squad) 233 yards to 36 in the sports day game Saturday. John Kimbrough accounted for 62 of those yards on nine carries in addition to returning intercepted passes 44 yards. John also made two touchdowns and two extra points during his first half stay before Coach Norton released him for the day.

The passing of Pugh and Jeffrey looked good. They completed four out of five attempted for 51 yards including one from Jeffrey to Abbott for a touchdown. Bud Force threw lots of passes, but he connected with only two and had two intercepted, one for 40 yards and a touchdown.

We don't think the team looked quite as good as it did a year ago on Sports Day. Of course, there are many excuses. They had their dance the night before and, too, there were many of the regulars who were not on the field. Marshall Robnett, Bill Conatser, Derace Moser and James Thomason did not play, and those boys right there mean a lot to any ball club.

CADETS DEFEAT GRAND PRIZE BY SCORE OF 11-5

Green Bay Packers Win Intra-Squad Football Tilt

By Eugene Oates

Aggie Sports Day turned out with an Aggie win over Grand Prize and a 7 to 0 win by the Green Bay Packers (A football squad) over the remainder of the football squad.

Half of the proceeds from the gate go to the Finnish Relief, and their share will be about \$130.

John Kimbrough, with two touchdowns, two extra points, and an average of 6.9 yards per carry, was the outstanding star of the football game. Marland Jeffrey and Jake Webster were other backs who were exceptionally noticeable. Jeffrey appears to be the most improved player on the squad.

Kimbrough's first touch resulted from his pass interception on the Giant 40 and return all the way. His try for point was no good. His next jaunt was good for 9 yards and a counter after Pugh had passed to Bama Smith for 28 yards following Kimbrough's interception of another pass. Kimbrough added the conversion.

Jeffrey made the third touchdown after Kimbrough had carried to the half-foot line.

In the fourth period the team completed its scoring taking a pass from Jeffrey for the tally to climax an 80 yard drive with Webster and Jeffrey doing most of the ball advancing.

WIN 11 TO 5

Marty Karow's baseball pacers hitting hard behind the pitching of Sam Bass, Charlie Stevenson and Roy Peden, pounded four Grand Prize pitchers for 13 hits and 11 runs in eight innings while the Brewers were collecting eight hits and five runs.

Chubby Nolen, ineligible Aggie shortstop, played center for the Sud Suckers and hammered out a homer and a double against the pitching of his former mates.

J. D. Scoggins slammed out a four bagger and two singles in five trips to the plate while batting in four runs. Dave Alsobrook also hit three times, collecting a double and a brace of singles.

Score	RHE
Grand Prize 0 0 0 2 1 0 2—	5 8 3
Aggies 2 0 3 0 0 4 2 x—	11 13 3

All printed personnel leaflets which have not thus far been printed will be available by this weekend, according to Lucian Morgan, director of the Placement and Personnel Division of the Former Students Association. To date there have been approximately 300 sets of the leaflets printed, which leaves about 100 sets that are still to be distributed.

form Bud Force produced the best time with a 5.6. The races were run in heats and Force had to compete against John Kimbrough, "Bama" Smith and Marshall Spivey in the finals and Kimbrough won in 5.8 with Force taking second.

Jimmie Knight won the runoff for the linemen in 6.00. Centers proved to be the slowest with Herman winning in 6.4.

Ralph Henderson is probably the brightest-looking prospect on the track team among the newcomers. Ralph ran third in the 880 in the Border Olympics, but the only two men ahead of him were the Ride-out twins of N.T.S.T.C.

DEAN KYLE WILL CONTINUE AS CHAIRMAN OF ATHLETIC COUNCIL AT AGGIELAND

Dean E. J. Kyle has withdrawn his resignation as chairman of the Athletic Council. He did this after many ex-students and the members of the Board of Directors asked him to continue. The Dean, when he withdrew his resignation, asked that he be allowed to resign after the 1940 season.

Dean Kyle has been connected with athletics at A. & M. since 1903 and the only reason he wants to sever his connections is that he does not have the time to properly fill the position. His work with the School of Agriculture and other administrative duties makes it impossible for him to give as much time to athletics as he thinks he should, as chairman of the Council.

The Dean puts in the time that he should, but much of that time is taken from his private life and time when he should be resting.

AGGIE PISTOL TEAM CONTINUES CHALKING UP HONORS IN MATCHES

In the Regulation National Rifle Association pistol match, held in Houston the past weekend, world's records were broken with plenty to spare. In these matches the shooters are classed according to their ability, which is determined by the individual average score in previous matches. The classes are Master, Expert, Sharpshooter, Marksman, and Tyro.

At 20 yards, Albert Ogden from Alice set a new world's record for .38-caliber slow-fire by scoring a 185 out of 200.

Don Lawrence, '33, of the State Department of Public Safety, set two new world's records; these were in the .22-caliber class and included slow-fire with 190 and twenty-shot timed fire with 192.

For the Aggies, Bert Burns placed first in the tyro slow-fire and took first in the tyro match of slow, 10 timed, and 10 rapid. L. C. Kenemer won first place in the marksman's match. C. A. Lewis came in third in the expert slow-fire class, while his brother Bill tied for first in the sharpshooter's slow-fire.

Each man won a second-place medal in the team match, shooting against the Dallas Police, Houston's Bayou Rifles (two teams), the State Department of Public Safety team, and the Galveston Customs officers.

The Aggies making the trip and their classification at the matches were: C. A. Lewis—Expert; W. E. Lewis—Sharpshooter; L. C. Kenemer—Marksman; and Bert Burns

INTRAMURAL HIGHLIGHTS

By HUB JOHNSON

Softball, boxing, and track are the next to be added to the Class A list, while softball, track and water polo will be the new ones for the fish.

Tonight the first leather will fly as the boxing tournament gets under way. Among those to try again in the various classes this year include ... '39 champ of the 119 pound class, Kerr, out to retain the title ... Nichols and Richardson to be the favorites of the 129 pound class ... Nichols was runner-up of Class A last year while Richardson pushed Newton for the top spot in the fish class ... Lowry, champ of the 129 class adding a bit of weight and now in the 129 pound class ... Davis in fine shape after a bit of wrestling in the 149 bracket ... Jacobs trying to retain the 159 title ... Reeves adding ten pounds and now trying for the 179 pound class ... and Carson who lost to Robnett last year in the heavy class back to try again ... while Joeris, fish champ of the heavy-weight class comes to the Class A bracket.

Volleyball this last weekend saw G Infantry down C Chemical Warfare 2 to 0, Hq. Cavalry and C Infantry double forfeit, and B

Shreveport Poloists Beat Aggie Team

The Shreveport polo team beat the cadets 10 to 4 here Sunday in a match that provided lots of scoring, thrills and spills.

Playing under National Polo Association handicaps, the Aggies would still have lost by one goal. Shreveport has a national handicap of six goals.

The play was fast throughout the game. The skill and experience of the visitors parried frenzied thrusts of the Aggies at goal and then pushed their own scores as the play of the hosts ebbed. The going was nippy and a few near-mixups occurred; however, there were only two falls and no serious injuries.

Seivally and Humphries were the high scorers with 3 and 4 goals. T. A. Williams scored two of the Aggie's four. Asa Jones was sparking the play and Maloney, entering the game in the fourth chukker, turned in an excellent performance.

Here is the score:

Periods	1	2	3	4	5	6	Tot.
Shreveport	1	1	4	0	0	4	10
A. & M.	0	1	0	1	0	2	4

CAPTAINS OF MINOR SPORTS MEET TONIGHT

Captains of minor sport teams will meet tonight to set a definite date for the coming Minor Sports Festival. The meeting will be held in Room 119 of the Academic Building at 7:00 o'clock.

The dates to be discussed are the week-end of March 29-30 and April 5-6. On one of these dates all minor sports teams are to be host to a visiting team either from a school or a club. The competition will be spread out over Friday and Saturday with the only interruption being the Aggie-Houston Buff or the Aggie-Rice baseball game.

When a gunman robbed a bank in Otterville, Canada, recently a mob of citizens chased him through the town, trapped him in a store and recovered the \$200 loot.

C. H. Hall, street car motorman of Tampa, Fla., thought it a joke when told he was the father of triplets, but on his arrival home he found the news to be true.

Golf Team Set For Championship Year

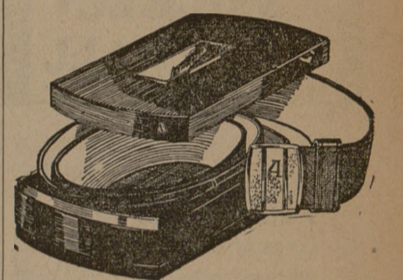

With five lettermen back and two outstanding newcomers in V. C. Denton and Bert Burns, the Aggie golf team seems set for the best season it has ever had. On paper it appears that only the University of Texas will give the Cadets much trouble.

The returning lettermen are Henry Hauser, Bill McMahan, Henry Richards, Jack Gourley and L. Q. Mayhew.

Friday evening the team will go to Fort Worth where they will compete in an invitation match Saturday. In addition to the match Hauser will enter the driving contest and McMahan will enter the putting and pitching contest.

The following week on March 23 the University of Missouri golf crew will stop by for a match with the Cadets at the Bryan Country Club course. The Aggies have never lost a match on this course.

During the year the Aggies will meet Rice here, Texas in Austin, S.M.U. here and T.C.U. in Fort Worth before the conference meet which will be held in Houston. The Cadets will probably play a home-and-home series with Sam Houston State Teachers College. The conference meet will be played on the Brae Burn course in Houston. That is the course where Jimmy Demaret, the big money winner of the year, keeps his clubs hanging up.
