Consolidated School Board Election
 The A. & M. Consolidated School Board has set the yearly school trustee election for Saturday, April 6. The retiring members are E. J. Howell and Y. C. Watson. Since the consolidation of the A. & M. Consolidated School District, it has been the policy of the board that distribution of its members should be as follows: two from the old Wellborn District, two from the old Shrock District, two from the old College Independent District, and one from the old Union Hill District. However, at the last meeting the board agreed that a change should be made and distribution be as follows: two from the old Wellborn District, two from the old Shrock District, which includes College Park and Oakwood, one from the old Union Hill District, which includes that portion north of the college campus, one from the old college campus, and one from that portion east of the college and highway 6. The board is asking that patrons living in the old Union Hill District arrange a list of candidates to fill the vacancy left by Mr. Watson; and that the patrons living east of the campus and highway 6 in the vicinity of College Hills to arrange a list of candidates from that section to fill the vacancy left by Mr. Howell. These lists must be presented to the board at least two weeks before the trustee election. P. W. Edge Jr. was re-elected superintendent of the A. & M. Consolidated School at the last meeting of the board.
