Cotton Ball—

vous under such careful scrutiny by a group of Aggies, but the boys themselves were not so composed, either. If it was the girl's first time in a beauty contest, it was certainly the boys' first time in a judge's capacity. However, they showed all the signs of liking their job. A. & M. boys on the Cotton Ball committee who made the selection included Percy Bennett, Ray Stephenson, Harry Forbes, Wesley Seay, Johnny Rice, Bob Stone, and Byron Bing. Others in the party included Tilden Easley of the Agronomy Department, Mrs. L. L. Fouraker, director of the Cotton Pageant, Mrs. J. S. Mogford, and Bob Nisbet.

When the A. & M. group first arrived on the campus, introductions were made, and the boys and girls mingled together in the reception room of the junior dormitory, Brackenridge Hall, getting acquainted. Then the boys cleared a space in the room, found themselves a vantage spot for their judging, and had the girls "perform." Each girl paraded before this set of critical eyes, flashed her best personality smile, and took her seat to await the all-important decision of the judges. When it had been announced and the winner congratulated and photographed, Mrs. Fouraker took the girls to a corner and held a session about clothes and plans in general. That being all the business, the girls returned to their studies and the boys started home.

Election—

(Continued from page 1)

In the semester preceding the election he must have passed at least three-fifths of a normal semester's work.

Qualifications of each candidate for the editorship will be judged by the Student Publications Board prior to his being declared eligible to make the race.

As is traditional, the two junior yell-leaders, Clarence J. "Foots" Bland and Ernest R. "Buster" Keeton, are expected to run for chief yell-leader.

Last year both a junior and a senior representative to the Student Publications Board were elected; but this was not a regular procedure, being necessitated by the death of Jack Puckett, who had served as junior representative. Customarily the junior representative (who this year is Paul Haines) becomes the senior representative the following year.

UT Co-ed Recovers Swiped Megaphone

From The Daily Texan

Head yell-leader Jimmy Graves was rather surprised when, standing in front of S.R.D., Jane Gidley, freshman student from Lytle, walked up to him and asked, "Want something, Jimmy?"

That "something" turned out to be the megaphone that an Aggie freshman had stolen from Jimmy after the Thanksgiving day game at College Station.

Miss Gidley saw the opportunity to get back the stolen megaphone when she attended the Coast Artillery Ball at A. & M. last weekend. Sunday morning Miss Gidley was sitting in Bizzell Hall listening to a few Aggies brag about a fish's feat of stealing the megaphone from Graves.

To further Miss Gidley's mortification (she being a loyal Texas rooster), the Aggies brought the 'phone from hiding and handed it to her for close inspection. As she sat looking at the orange and white colored 'phone, she "suddenly had an urge to depart with it."

She reached Aggie Inn with the megaphone under her arm before three "fish" overtook her and managed to take it from her grasp back to Bizzell Hall.

After a short interval, some upperclassmen brought the 'phone and their deepest apologies to Miss Gidley. They told her that it was all a mistake and that it was "a fish who didn't know any better" who had perpetrated the dastardly deed. So would Miss Gidley kindly convey the megaphone back to Jimmy Graves and give him their deepest apologies and regrets?

And that's how the U. of T. recovered its missing megaphone.

CITY COUNCIL ACTS ON PHONE, UTILITIES ISSUES

Southwest Telephone Co. Awarded Franchise

At a recent meeting of the City Council of College Station, several important issues, which have been held pending for some three or four weeks, were passed upon.

The telephone franchise, presented by the Southwest Telephone Company sometime ago, was accepted by the Council. The company expects to have all of its new equipment installed by June 15, 1940. The date of expiration of the franchise was set as January 1, 1955.

The Council also voted to approve the purchase of the College Park Utilities, a topic which has been under discussion for several weeks. At the first of last month, the Council reached an agreement with the Oakwood Realty Company and the Southside Development Company regarding the purchase of the Oakwood System by the City of College Station.

The city desires these utilities in order that they may be brought under the direct control and management of the city authorities. The system includes lights, water, sewage lines, and a sewage disposal plant. For the time being, at least, the rates on lights and water will remain as they are, however, it is the belief of the Council that the rates will not be raised, and, if anything, probably lowered.

A future source of income will be derived from the management of these utilities, but it means a present indebtedness.

Other issues which were approved by the Council at the meeting were the contract with the City of Bryan for the sale of water within the limits of College Station and the setting aside of \$300 for road maintenance in College Station.

W. R. Irvin, Major R. E. Hill, and Captain B. S. Shute. After the drill the Queen will go through the memorial ceremony of placing a wreath on the statue of Lawrence Sullivan Ross for whom the honorary military organization was named in 1891. From 3 till 5 p. m. there will be a tea dance in honor of the Princess at Mrs. Parker's Tea Room in Bryan.

The Captain's Ball will take place Friday night following the dinner given in his honor from 7 till 9 o'clock. "Dan" Sharp is R. V. captain.

Al Kavelin and his orchestra, who is now playing at the Baker Hotel's Mural Room in Dallas, will play for both the Queen and Captain's Ball. He will play for the Corps Dance Saturday night to which everyone is invited.

A. & M. Opens Net Season With Win Over Colorado U.

TAKES 3 OF 5 SINGLES, NO. 1 DOUBLES, IN MEET WITH COLORADO BOYS

A. & M. came out better than even in its first varsity tennis meet of the current season, opening yesterday afternoon at 1:30 against the University of Colorado team of Boulder, Colorado.

Following are the order and results of the singles matches:

- No. 1—George Mitchell of the Aggie team was defeated by Reed of Colorado, 3-6, 6-0, 9-7.
- 2. Sherman Given (A. & M.) defeated Bashore (Colorado) 4-6, 6-3, 6-4.

- 5. Lee Campbell (A. & M.) won on default from Ellis, who was forced to quit because of a torn muscle in his side. Campbell led at the time Ellis quit.

The doubles matches were divided, the No. 1 doubles being taken, however, by A. & M.

No. 1 doubles—Mitchell and Given of A. & M. defeated Reed and Bashore, 6-3, 0-6, 7-5.

No. 2 doubles—Loughridge and Stevens of Colorado defeated Adams and Jimmy Giles, 6-1, 7-5.

The Colorado boys are traveling on their own, playing matches during their spring vacation. Snow still covers their home courts.

Class of 1943 1/2 To Choose Officers, Make Plans at Meet In Y Chapel Tonight

In response to a recent editorial by one of Aggie's recently enrolled students, "Frog" Watson, the "Frogs" of the graduating class of 1943 1/2 will hold their first class meeting tonight in the chapel of the Y. M. C. A. building. The meeting will begin at seven o'clock, and will be held for the purpose of organization, election of class officers and discussion of plans for future activities of the class.

According to the open letter inspiring the organization, the aim of the Frogs is, "To promote enterprises such as plays, beauty contests, dances (where the seniors would be our guests) and many other things which would increase and build to our school spirits."

After class officers are elected, various committees will be appointed to work out the activities upon which the class will decide.

It is thought that the meetings of the "Frogs" will greatly aid them in making friendships and in orienting themselves on the campus.
