PRIMARY ELECTION TO BE HELD MON

Vote Monday For Position

Valedictorian Will Be Selected From **Ten Candidates**

In order that the Southern Engraving Company of Houston, designers and manufacturers of this year's commercial invitations, may hasten delivery, the name of the 1940 valedictorian, which is on the invitation, must be announced as soon as possible. For this reason the election has been moved up from Wednesday, April 24, to Monday, April 22.

The election is to be held in the rotunda of the Academic Building from 8 a. m. to 5:30 p. m. Monday, and the counting of the ballots will be done that night by a committee of seniors. Results will be announced in a following Battalion. In order to vote, a senior ring or other identification that the voter is a classified senior, will be required.

The following boys are listed according to their grade point average for their entire college work through the first semester of this year: H. A. Jones, Electrical Engineering: D. B. Varner, Agricultural Administration; A. T. Hingle, Chemical Engineering; H. H. D. F. Herzing, Electrical Engineering; Roy Caldwell, Liberal Arts; F. C. Brown, Chemical Engineering; C. L. Mason, Agriculture; W T. Guy, Mechanical Engineering.

It was earnestly requested by Max McCullar, senior class president, that all seniors turn out to vote in order that the election may be truly representative of the class in contrast with the meager vote that was received last year.

English Prof From John Hopkins To Lecture at A. & M.

Professor Kemp Malone of the John Hopkins University will give Chemistry lecture room.

500 Schools **Participate** In 10 Events

Event Is Highlight Of FFA School Year

All parts of Texas will be represented at A. & M. next Monday when approximately 3,000 Future Farmers of America will gather here for the 23rd annual Smith-Hughes Judging Contests.

Better known as Smith-Hughes Day, the meet is in reality the annual state judging contests for students of vocational agriculture, and is the highlight of the school year for those students known as the Future Farmers of America.

Over 500 schools will participate in the judging events, which will begin at 7 o'clock Monday morning and will be finished in time for the winners to be announced and the prizes awarded at the College Assembly Hall the same eve-

Positions To Be Voted On

Sophs Cast Votes For Junior Yell **Leaders Same Day**

The primary election to fill the posts of Longhorn editor, senior social secretary, manager of Town Hall, and junior yell leaders for the coming 1940-41 session has been set by the Student Election Committee for Monday. The runoff, if one is required, will be held

Thursday, April 25. This year, for the first time, requirements as to the qualifications of the candidates for each office were drawn up and adopted by the Student Election Committee. The closing date for the filing of candidacy was Monday, April 15, and the Election Committee met Tuesday afternoon to pass upon the eligibility of the candidates for the respective offices.

The procedure for the election of Longhorn editor, social secretary, (Continued on page 4)
