

Southwest Still Tops in Hurdles; Wolcott, Gatewood, Dreiss Standouts

The Drake Relays saw the Southwest really go to town. Wolcott, Gatewood and Dreiss was the finish of the 120 high hurdles, and that is just the way they have always finished and always will. Buck finished sixth in the same heat. In the qualifying heats Dreiss,

Buck, Gatewood and Wolcott were separated and each won his heat. Jude Smith had trouble in the prelims, but got in the finals and bettered 190 feet. Wolcott ran a 9.7 100-yard dash in the prelims, but was third in the finals in a 9.9 heat.

John Kimbrough Avows He Is Not Going In Movies; His Number Is In "Star Dust"

John Kimbrough says he is not going in the movies, but he is in the show "Star Dust". The other night at Waco the flickers were showing this show. A big fullback was standing on the side lines reading a letter from a movie concern, offering him a contract. The coach looked over and told him to go in the game. He stuffed the letter in his pants and there on his jersey was number "39". At this point several Aggies in the movie house yelled, "There goes Kimbrough". There were only seconds to play when the team started a series of lateral passes. Some of the Aggies yelled, "Give it to Kimbrough", and about that time here came Number "39" to take the ball and score the winning points. Also in the show some Arizona team was playing Texas Baptist, which can be called Baylor as it is the Baptist school in Texas, and it looked very fitting to see "Big John" tear through the "good ole Baylor line" like he did last fall.

if he did have to switch positions everytime he got in trouble.

He ended up the day by walking 12, hitting two or three batters, throwing some five wild pitches, striking out seven, bouncing a double over the fence and clouting a homer over the left center field enclosure.

The Aggies were away to a 3 to 0 lead in the first inning of the second Baylor fray when the rains came. That is the third conference game that the elements have stopped against the Aggies this season.

In winding up the season in pistol shooting last week the pistol team scored a 1425, the highest score that has ever been fired by an A. & M. team. This match was against the University of Wisconsin and Xavier. Those teams have not set their scores in yet, but we will bet they "ain't" no where close to it. It looks like we have the National Champs again.

The new staff will put out the Battalion's next issue and the lads doing the sport chores will be Hub Johnson, "Red" Meyers and Jack Hollimon. Hub has put in two years on the Bat sports page and is ready to take over the head job. Meyers has put in one year and has done some swell work. Hollimon is comparatively new, but shows promise of being the real McCoy.

And look where the Brooklyn Dodgers are today... won eight straight (maybe nine by this morning) and topping the national league... yeah, and look where the Yankees are without the "Day go".

AGGIE GOLFERS OUTSTROKE S.M.U.

Drawing near to the end of the road for the year, the Aggie golf team defeated the Southern Methodist linksmen here on the Bryan Country Club course Friday, 4 to 2.

Hauser and McMahan won the number one double from Cook and Hanley in the feature match of the evening.

McMahan won the number one single from Cook, 3 to 7.

The other Aggie wins were Denton over Berry, 3 to 2, and Richards over Elder, 3 to 2.

Richards and Denton lost to Elder and Berry in the other double of the tournament and Hanley defeated Hauser 3 to 1 for the second win.

Texas Christian University will be the final opponent for the Aggies before the conference meet in Houston May 10 and 11. The cadet team will play in Fort Worth May 2.

Fish Swimmer Beats Conference Record

In the Southwest A. A. U. meet at Dallas, Bob Taylor, Aggie freshman swimmer, sped the 440 free style in 5.14 for first place, the time being 16 seconds faster than the Southwest Conference time.

Hensley of A. & M. bettered the conference time in the 50-yard free style by four-fifths of a second when he splashed the distance in 24.1 to beat Bob Sinclair of the Dallas Athletic Club and I. B. McKee of A. & M.

Sinclair nosed out Hensley in the 100 free in 54.8.

Wally Hoffrieter and Mike Sojka of DAC and University of Texas respectively, beat out Nick Ponsieux in the 100 breast.

Aggies Play Grand Prize Here Today

Teams Split Pair Of Games Earlier In Playing Season

Bass Scheduled To Start Game For Karow Charges

Coach Marty Karow's Aggie baseball team, just back from a trip to Waco where they beat Baylor in one game, before the rain washed out the second, will play the Grand Prize Brewers at Kyle Field this afternoon at 3:30 o'clock.

Earlier in the season these two teams met at College Station and split even in a two-game series. The Brewers beat Ralph Lindsey and "Lefty" Bumpers 9 to 3 in the first contest and Sam Bass, Charlie Stevenson, and Roy Peden came back to beat the visitors 11 to 5 in the second.

Chubby Nolen, Aggie shortstop who is ineligible this season, will play for the Brewers. The Grand Prize team has some former outstanding organized baseball stars on it. Heine Schuble, shortstop, held down that position several years for Detroit. Pete Dowling, right field, is a former Aggie and a former member of teams in the American Association. Tom Angley, catcher, is a former receiver of the Houston Buffs. John McGrew is still capable of pitching Class AA ball.

Coach Karow will probably start Walter Bass, junior letterman from Houston on the mound. Marion Pugh will probably be ready to play first base after missing the Baylor game on account of an injured finger.

The Aggies seem to have found their batting eyes after being in a slump during most of the early season.

In the first game the Aggies collected five hits off the Brewer hurlers and in the second fray they massed 13.

The Aggies have had three of their conference games washed out in addition to two with Randolph Field and Coach Karow has brought Grand Prize back to give the cadets a struggle before they meet S. M. U. here Saturday.

By Bob Myers

Swimming and diving intramural style filled the pool Saturday and Sunday afternoon when E Field Artillery took the meet by a margin of ten points. Second place went to the 1st Corps Headquarters boys with a total of 23 points. Placing third was C Field Artillery with 12 points. The Coast Artillery took fourth when B Battery racked up 11 points. Making the Field Artillery victory complete, D Battery made 9 points and scored fifth honors.

J. H. Stevens, 1st Corps Headquarters, was high point man of the meet and took first place in three events.

Winners of each event and the winning time are, diving, Cockrell, R. B., D Field Artillery; 400 foot relay, E Field Artillery, time 1:11.7; (team members were Patterson, Dillon, Burney, and Oliver); 100-foot breast stroke, Stevens, 1st Corps Headquarters, time 20.2; 100-foot back stroke, McCarthy, L. J., B Coast Artillery, time 21.0; 100-yard free style, Stevens, 1st Corps Headquarters, time 1:02.3; 100-foot free style, Stevens, 1st Corps Headquarters, time 16.6; Medley relay, E Field Artillery, time 62.; (team members were Biggs, Carpenter, and Patterson).

Two outstanding games of playground ball took place this issue and included the games between A. Infantry and B Coast Artillery and the one between K Infantry and Coast Artillery. The "paddle-foot" won both games but the "buzzard busters" gave them real competition. In the first game, the score was tied 4-up in the fifth when the Infantry put on a scoring spree to take the game 8 to 5. K Company had a closer time of it in their 5 to 4 game and were the underdogs until the seventh when Fuller and Watson brought home the bacon.

New Jersey College for Women has a new course called "Back-ground for War."

Boxers Make Bid for Official Recognition; Desire Training

By Martin Howard

Boxing is at last making a serious bid for official recognition at A. & M. with many Aggies that want the opportunity to learn to box pushing out of the closet and into the limelight.

Many students are wondering why the largest men's school in the world offers no chance for its students to learn the art of self-defense when the majority of large high-schools and many of the colleges give instruction in the sport. It is true that intercollegiate boxing has serious flaws that may render it undesirable but there is nothing undesirable in teaching us how to box and how to keep our bodies in top-notch shape. In this respect boxing has no equal, for it

provides an incentive for physical development and conditioning that makes it easy for a college student to remain in perfect health with a minimum amount of effort.

The Athletic Council has seen this need and is listening to the students' plea for a capable boxing instructor in the Physical Education department. It has recently made a survey of the opinion of a representative cross-section of the colleges of the nation regarding the sport and has found that although the majority of them do not favor intercollegiate competition, fully fifty percent employ instructors in the sport and believe it desirable to do so. It is significant that both West Point and Annapolis are especially favorable towards boxing instruction.

Aggie Fish Outscore Baylor Cubs Behind Kamperman's Two-Hit Pitching

By Jack Hollimon

Under overcast skies Saturday afternoon, the Aggie freshmen beat the Baylor Cub nine 11 to 5 on Kyle Field.

Bill Kamperman, Fish hurler, started the game and turned in a creditable performance in allowing the Cubs only two scratch hits while he was collecting a double and a home run. The first man up for Baylor struck out and the other two men went down on an infield out and a fly to left field.

The Aggie freshmen took a three run lead in the A. & M. half of the first inning on a brace of walks, a pair of timely singles, and a wild pitch by the Cub pitcher, Ben Lucas. Atkins walked, Sims singled, and Zapalac walked, filling the bases. The Bruin twirler lost control of the next throw and it went for a wild pitch, scoring Atkins and advancing the other two runners. Les Peden struck out, but Wilson stepped up to the platter and blasted a single through third to score Sims. Then "Boots" Simmons rolled out, short to first, while Willie Zapalac scored. Mitchell struck out to end the inning.

Kamperman ran into trouble in the second when Baylor scored two runs. Harlen Burnett, looping a fly to right field, was safe on second when Mitchell misjudged the ball. Kamperman then walked Bob Miller and Jim Callam was hit by a pitched ball to fill the sacks. Another walk to Gatewood forced in Burnett, and Peden was brought in from center field to take the mound. Kamperman took Peden's place in center.

Wilkins lined the first pitch down the third base line where Miller, coming home, kicked the ball and was automatically out. Lucas rolled out to first unassisted and Callam scored on the play. Pitman was out, short to first.

The Cubs came to bat in the third and added another tally on two walks, a hit batter, and a wild pitch by Kamperman who had returned to the mound. The outs came as a result of a forced out at the plat and two strikeouts.

In the Aggie half of the third, a rally was cut short by a forced out at third and a fly to center field, taken in by Pitman, leaving three men stranded on the sacks.

The Aggies came back in the sixth to clinch the game when Kamperman led off with a double that bounced out of the field. Atkins went out on a pop fly to third, but Sims singled to score Kamperman. Zapalac was safe at first on Casey's error, and Sims took third. Peden bounced one out of the park that was good for two bases and scored both runners. Wilson whiffed and Simmons popped to short for the final two outs.

In the seventh, the Fish came back to score five more runs before putting away their heavy bats for the day. Mitchell, first up, drove one over the scoreboard for

Aggies Hand Bears Defeat In Waco Game Friday, 9-7

Peden, Bass Pitch for Cadets; Alsobrook Is Hitting King With Homer, Two Singles

The Baylor Bears struck first in the lead-off game of the scheduled two-game series in Waco last week only to be surpassed later and downed, 9 to 7.

Early in the second inning the Bears marked up their first run and took the lead for a few short minutes. In the third the Aggies marked up four, and in the fourth they picked up three more.

When the sixth inning rolled around the Bears went on a scoring spree, marked up six runs and evened the score, seven up.

Roy Peden started on the mound for the Aggies but was replaced after the first out in the sixth by Sam Bass who went the rest of the way allowing only one trip.

Dave Alsobrook was the hitting king of the evening, reeling off one home run and two singles, in four trips to bat.

Sherman Barnes hurled the entire game for Coach Lloyd Russell's Bears and was nicked for 14 hits.

Home runs, Alsobrook, Witt, Stolen bases, Alsobrook, Stone. Bases on balls, off Barnes, 1; off Bass, 3. Struck out by Barnes, 3; by Peden, 3; by Bass 5. Hit by pitcher, by Barnes (Doran), by Bass (Barnes). Double play, Witt unassisted. Pitchers' record, 7 runs 8 hits off Peden in 5 1-3 innings; no runs, 1 hit off Bass in 3 2-3 innings. Winning pitcher, Bass. Umpires, Glenn and Walsh.

The warmest events of the day will probably be the hurdle races with Wolcott of Rice holding the edge and Gatewood and Dreiss fighting to change the customary trend.

The Conference Meet will be held on Rice Field, May 10 and 11.

Adamson Reports "Family Night" In Aggie Natatorium

In order to give the college staff and their immediate families an opportunity to take advantage of the cooling and refreshing facilities of the swimming pool, a family night has been announced by swimming coach Art Adamson. Between the hours of eight and nine every Thursday evening, the pool will be open to the staff free of charge. The rule requiring the wearing of rubber caps will hold in addition to a ruling requiring that all children be accompanied by their parents.

You'll remember the laughs, you'll remember the tears... you'll always remember BARBARA and FRED in their swellest romance!
