Aggies Drop To Fourth Place In Track In Conference They Once Controlled

There was once a day when the Aggies were the kings of the track meets in this section of the country, but that day is gone. Saturday Coach Rollin's proteges fell to fourth place, lower than S.M.U. Ed Dreiss failed to place in the 120 high hurdles, but that was only one point lost. He was running the first leg on the mile relay and passed out on the last curve to knock the Aggies out of the race. Ed was running a fast race until he played out. The two hurdle races and his attempt in the high jump had just taken too much out of him. "Bama" Smith couldn't get it through his head that he was to take second in the 100 dash and second in the 220 and as a result he ran fourth in both. "Bama" was

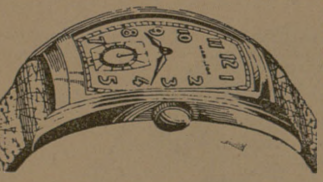

Jack Hughes Is Real Champ With Discus; Bryan Fails To Break Pole Vault Record

Jack Hughes, the big 6.4, 245-pound Texas athlete, can really throw the discus. After a couple of throws Saturday he broke the old record every time he threw. There is a little story about Hughes. He lived out west of Lamesa. When he was in school there the doctor who brought him into the world gave him a discus and told him to learn to throw it. When Jack got to high school this doctor brought him to town to live with him and go to school. Jack won State and then the doctor sent him to Texas and he has been winning every since. The doctor was a great discus thrower in college himself, but how he ever guessed that Jack would get as big as he did is more than I can see.

Beefus Bryan and Edmunds, both of Texas, tied for the pole vault at 13 feet and then Bryan had it moved to 14 feet so that he could attempt a new record. He took his three trials, but he never came close to getting over. He got his feet over on every try,

Aggies Place 2nd In Southwest Golf Meet In Houston

Henry Hauser surpassed Bill McMahon, the first half leader in the Southwest Conference Golf Tournament in Houston last weekend, and yet placed second to Buck Luce of Texas, trailing by two points.

The cadet team claimed second place as a group with twelve strokes over the University team. Bill McMahon paced the field Thursday but went down the next morning with an 82. He was even par that afternoon but placed fourth behind Tommy Taylor of Texas.

The defending champions, Rice, finished fourth with their highest man, Harry Crissman, finishing in a tie for sixth place. Team scores were as follows: Texas 1225, A. & M. 1237, Southern Methodist 1266, Rice 1277, and Texas Christian 1291.

INTRAMURAL HIGHLIGHTS

By Bob Meyers

Friday's program was very slow in the class A division and showed up with only three games. Two of these were softball, the other one speedball.

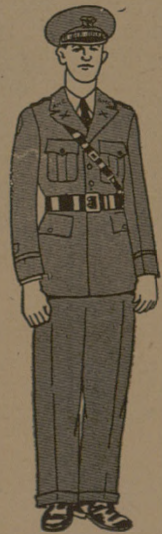

Speedball is winding up for a flashy finish with the semi-finals at the mid-way point. In the game between F Engineers and A Field Artillery, the "bridge builders" won 8 to 3 and will represent their side of the bracket in the finals. Coming up on the other side are A Signal Corps and E Field Artillery in a semi-final game scheduled for today. The winner of this game will face F Company in the last go-round.

Machine Gun Cavalry nosed out E Engineers in an 8 to 7 softball game by scoring two runs in the last inning. The game was close all the way and had an unpredictable finish.

Second Headquarters Field Artillery took an early lead over D Cavalry and held it for the duration of the game to win 17 to 7. Class B tennis semi-finals on the concrete courts brought the total games left to play to two when C Field Artillery won a hard-played match from 3rd Combat Train Field Artillery 2 to 1. C Battery will play the winner of the G Infantry-F Coast Artillery games for the championship.

The outstanding softball game of class B came between G Infantry and C Coast Artillery. Runs were hard to get in this pitching duel and the contest ended with the "paddle-feet" on top of a 4 to 3 score.

T. U. Takes Southwest Conference Track Title

Texas University and Fred Wolcott of Rice put on a show Saturday afternoon in Houston for the rest of the schools to watch. The Steers ran off with the meet by scoring 62 points to 39 for Rice, the second place squad. Wolcott was the point-maker of the meet by scoring 15 3/4 points. He won first in the 100-yard dash and both hurdle races, ringing up a new American record of 13.9 in the 120 hurdles.

S. M. U. took the Aggies' third place hole away from them by scoring 24 points and A. & M. fell back to fourth with 20 1/2. Baylor followed with 14 1/2, eight and one-half of which came from the high jump, Arkansas gleaned 10, mostly on the strength of a first in the two-mile run, and T. C. U. brought up the rear with six.

A. & M. scored points in 11 events, but most of them came from third and fourth places. Jude Smith was the only first place winner for Coach Rollins. He took first in the javelin toss with a heave of 198 feet.

Rice dropped her hopes of victory in the first race, the 440. The Owls got no points in that event and Texas picked up six.

Bumpers Pitches 1-Hit Game To Tighten Hold on 2nd Place

Another bearskin padded the second place runner in the Southwest Conference baseball ladder as the Aggies turned back the Baylor nine in a one hit game Saturday afternoon on Kyle field.

Lefty Bumpers, hurling the entire game for the cadets, fanned ten men and allowed only one hit, but blurred his win with eight walks and by hitting two batters. At the same time he took advantage of five fielding chances and was credited with as many assists.

The Aggies' first scores came in the third inning as Dave Alsobrook in his final stand on home territory sent one over the right field fence with Stone and Ballow on.

In the sixth inning the Bears threatened but were stopped with only the single tally. Bumpers hit Witt at the plate and a passed ball moved him to second. On a fielder's choice Witt crossed home for the run.

Stone walked at the start of the eighth for his last time at bat on Kyle Field and was sent to second on Alsobrook's bunt down third base line. Hale, the first baseman for the Bears, had to reach far to make the catch and Dave was safe. Kirkpatrick fanned on his final appearance and Stone moved to third. Alsobrook stole second and Scoggin came to bat for Cooper to try and bunt. He hit to Haley who played for Stone and caught him off. Marland Jeffrey doubled, scoring Alsobrook and Scoggin and then died on second as Doran struck out and closed the curtain for the Aggies home shows this season.

The game was the fastest ever played here this year and no errors were present. Air-tight fielding on both sides kept the scoring low.

Bumpers, Jeffrey and Pugh pulled two double plays and Stone and Pugh marked up another.

Freshmen Defeated By Shorthorns 7-6

The Aggie Freshmen nine went down to defeat at the hands of the Texas Shorthorns by a score of 7-6 in Austin Saturday.

Kamperman pitched for the Farmers until he was removed in the ninth inning and was replaced by Rizer. Aldrich and Sibley did the catching for the Aggies.

Greel was on the mound for the Shorthorns and Bostie was behind the plate.

Texas piled up a five-run lead in the early innings, but A. & M. came back with a four-run outburst in the eighth and Mitchell's homerun in the ninth to tie up the game. Texas released a two-run attack in their half of the ninth to win the contest.
