

STEERS DEFEAT CADETS IN 9-8 TILT

Baseball Season Ends With Aggies In Second Place Behind Bib Falks' Longhorns

The Aggies ended up in second place in the conference baseball race, the exact spot which they should have ended in. Texas has the best baseball club and A. & M. has the second best. The Texas bunch are a little faster, a little better and a great deal looser. Errors ruined the hope for an Aggie victory in each contest. Roy Peden pitched the last seven innings for the Cadets in the second game and allowed only four hits and three runs, and none of those runs were earned.

We won't say anything about the umpire who called the balls and strikes because we weren't in a position to judge, but that guy Lynn who called the bases was pitiful. Once Jack Lindsey tagged

Sugar Bowl Will Go To World's Fair To Be Put On Display; Back Here In Sept.

The famed Sugar Bowl, trophy presented the winner of the Annual Sugar Bowl football game in New Orleans each New Years Day, and now in possession of Texas A. & M., will be on display at the New York World's Fair this Summer, according to announcement made

Alsobrook Hits Homer In Eighth

Eighth Inning Rally Falls One Run Short To Tie For

By Jack Hollimon

The Texas A. & M. nine dropped the final game of the season to the Texas Longhorns by a score of 9-8 in Austin Saturday. The Steers had already clinched the pennant in the game played Friday that saw the Farmers go under 19-6.

Eight Aggie ballplayers took the field for their final game of collegiate competition. These were Dave Alsobrook, outfielder; Bob Stone, infielder; Jack Doran, catcher; Charley Kirkpatrick, catcher; Jack Cooper, outfielder; Johnny Rice, outfielder; Ralph Lindsey, pitcher; and Snipe Conley, pitcher. All of these men have been fine ballplayers and their services will be missed when the next season rolls around.

Getting off to a wild start, Sam Bass lasted only two-thirds of the first inning and then Ralph Lindsey came to his rescue. Bass gave up two hits and three runs while walking three and hitting one.

In the second inning, with the Longhorns in the lead 3-0, the Aggies came through to score a pair of runs on four walks by Dumke, Steer hurler, and a timely single by Bob Stone.

Texas came back to count three more tallies in the last half of the second, but A. & M. pushed a run over in the third to make the score 6-3.

Texas picked up two more in the fourth and one in the sixth to end the Steer scoring for the afternoon.

A. & M. got a brace of runs in the sixth inning and the Farmers came closer to the Longhorns when the eighth inning came up. "Little Davey" Alsobrook blasted a homerun over the centerfield fence to bring in Bob Stone ahead of him. This eighth inning rally fell short by one run and the game ended with the Longhorns lasting out the Aggie batsmen.

The box score:

On Their Way to Test Their Ability to Wear "Wings" as Airplane Pilots

Final instructions have been given this group of Flying Cadets at Randolph Field, Texas, and now they're off to put into practice the ground training they've received at the Army Air Corps Primary Flying School at Uncle Sam's "West Point of the Air."

Note the parachutes, worn by each cadet and instructor. This aerial life raft is an integral part of every Flying Cadet's equipment, for Army Regulations provide that every person on every flight in every airplane must be supplied with a parachute. Ever since the parachute came into use in the Army Air Corps in 1923, records show there hasn't been a single fatality, in the multitude of emergency jumps, that can be blamed on the failure of the parachute to function.

These Flying Cadets in training at Randolph Field receive \$75 per month together with uniforms, board and lodging, hospitalization when necessary, and other services.

Brackenridge Wins First Place In State High School Swim Meet

San Jacinto High Places Second

Brackenridge high school of San Antonio swam off easily with the State boys high school swim crown here Saturday night, beating out San Jacinto, Houston, which made a gallant finish collecting only 23 points, but set a new record with their relay team in the 180-medley event. Time was 1:53.3 compared to the old record of 1:57.

Highland Park, Dallas, furnished the surprise by taking third place with 18 points but only on the last event, diving, did they nose out Paschal, Fort Worth, 16, Denton, 15, and Stephen F. Austin, Houston, 14. They took first, fourth and fifth for eight points and third place in the meet. They also placed fifth in both relay events. It was the first time Dallas has entered a team and they look like good prospects for 1941.

Austin high of Austin, 1939 champions finished a poor ninth with nine points after winning the crown last season with a total of 51 counters.

Preston Geren, Arlington Heights, Fort Worth, set a new mark of 1:13.6 in the 100-yard breast stroke, breaking Ken Tarleton's 1938 mark of 1:16.4.

Cotton School To Be Held Here From June 10 to July 20

The annual Summer Cotton School will be held at Texas A. & M. College June 10 to July 20, according to an announcement made this past week, and during the same period, three two-week courses for gingers will be offered.

The cotton school is conducted with a view of preparing young men to enter the cotton business; to train cotton growers to market their product intelligently and profitably, to assist cotton buyers to become more familiar with low grade and off color cotton, and to judge staple. No admission requirements are made for beginning students.

The gingers course is being offered because buyers and gingers have realized the necessity of buying cotton on its value to bring about a real improvement on its quality and the college is joining others of the state by offering this short course in cotton grading and stapling.

The first course will cover the period of June 10 to 22; the second from June 24 to July 6; and the third from July 8 to 20.

Polo Team Closes Successful Season

Because the game with San Antonio encountered rain, the A. & M. polo association closed its official season with the New Mexico trip.

A total of 28 match games were played by the Varsity, ROTC, and Fish teams, the ROTC playing three and the Fish one. Twelve games were in the win column and fourteen listed the other way. Games were played with New Mexico Military, Oklahoma University, Oklahoma Military, San Antonio, Austin, Shreveport, Lampasas, Lamesa, Lubbock and Plainview.

Inasmuch as most colleges and universities find it impossible to maintain polo, it is necessary to step up into faster competition than collegiate polo at times. However, this undoubtedly improves the play of the teams.

The following played sufficient chukkers to letter: Asa Jones, team captain; Sid McDonald, Dick Culbertson, Dwight Barry, T. A. Williams, and Carl Maloney. Homeyer and Rice saw some service with the varsity. Of these players Asa Jones will be lost by graduation, and this loss will be heavy, as Jones has sparked the play all year.

Freshmen who have shown promise are Braid, Buie, McGowan, Muirhead and Irving. In fact the Fish team can give the varsity a real run for the money.

Some practice is now being carried on for the purpose of training ponies and improving mallet work. This will continue through the summer, although only for the new ponies.

You have enough iron in your body to make a piece of metal slightly larger than a nickel.

Athletic Council Awards Watches To Bodie, Bert

The Athletic Council has voted to award watches to F. A. "Bodie" Pierce and B. H. "Bert" Burns, senior yell-leaders, in recognition of their services and outstanding accomplishments during the Aggies' national championship year of 1939-40.

Dean E. J. Kyle, chairman of the Athletic Council, made this known after the meeting Monday afternoon. He stated that although the Council is giving these watches to the senior yell-leaders this year, it is not contemplating the establishment of such a precedent for the future.

INTRAMURAL HIGHLIGHTS

By Bob Myers

Class B Tennis finals came off Friday, with C Field Artillery and F Coast Artillery "Fish" across the net from each other. The Field Artillery bunch took the match 2 to 1 and walked off with the championship as well. Buttrill and Jones downed Craigin and Levy to win the first set, but the Coast retaliated when Eads and Roberson took Hudson and Sumner. To decide the winner, Baeuchle and Fannin won the last game from Rone and Wilson.

The only Class A softball game ended with F Engineers on top with a 17 to 1 score over C Chemical Warfare. The game was 17 to 0 at the beginning of the seventh when the "SB's" got one across the plate to avoid a white washing.

Softball playoffs start this week with all of the League winners decided. The lead-off games are F Engineers vs Artillery Band, B Infantry vs A Field Artillery, M Infantry vs G Coast Artillery, and in class B, A Infantry vs E Coast Artillery.

Shakespeare (whose name can be and has been spelled in more than 4,000 different ways), had a vocabulary of 21,000 words, seven times that of the average person today.
