BE IT ORDAINED by the City Council of the City of College Station, Texas:

CHANGE OF ADDRESS

The Post Office Department requests that all students who do not plan to be here for the summer session, turn in their forwarding addresses NOW, dated the day they are to become effective. It is highly important that the forwarding address cards be filled out completely. It is urgently requested that those students who receive newspapers, magazines, or other periodicals notify the publisher at least four weeks in advance of change of address.
 By doing this you will not miss any editions of your publications and greatly help the post office by eliminating this congestion of the mails. Convenient form cards for this purpose can be secured at the window of the Post Office in the Main Office and are warned that box keys must be turned in before you leave for the summer in order to receive your refund. To those students who will remain for the summer session: Box rent is due June 1 and by paying it before that date you will receive uninterrupted, efficient service.
 ANNA V. SMITH, Postmaster.

RENT HOUSES LISTED

Those residents of College Station who wish to rent their house for the summer, please list it with the Commandant's Office.
