## Don Herold takes the mystery out of Slide Rules with this helpful new book. He tells you, in the twinkling of an eye, how to decide on the kind of rule that will do the most for you. The story is simply told, as from one old slide rule slider to another, and profusely illustrated in two dam-ling colors, as only Don Herold can illustrate. "How to Choose a Slide Rule" is yours for the asking—providing you ask before the supply runs out. See your campus K & E dealer at once. EST. 1867
