Bryan - Ph. Bryan 800

The purpose of this election is to forestall improper developments with particular regard to a proper layout of streets, alleys, drainage, and utility installations. The enactment of this law is very necessary at this time.

Public interest demands that developers should be required to give proper space for, and location of, streets and alleys, and that such developments may fit into the city's utility potentialities.

You are invited to attend a public hearing on the city budget for the coming year, and for an explanation of city activities at 7 p. m. Thursday, October 3, 1940, in the chemistry lecture room.

Dormitory Laundry Service
All laundry from old dormitories will be turned in at laundry station in two west rooms of Austin Hall.

All laundry from the twelve new dormitories will be turned in at the laundry station north end of dormitory 12.

Laundry slips will be secured from 1st Sgt. The name, address etc., will be placed in the space designated. It is very essential that the surname be written first on the laundry slip in order that the old students may retain their same laundry mark and marks be assigned new students. If you were in school last year please put your laundry mark on your list. The stub is then torn from the slip and presented to the agent at the time the laundry is turned on. When stamped, the stub is your check for your laundry. The stub is stamped only when presented with laundry bundle. If stub is lost a duplicate copy may be secured at laundry for 5¢.

Laundry will be turned in and delivered back to Austin Hall according to the following schedule:

Senior Meeting—

(Continued from Page 1)

thing before school is dismissed.

The senior section at football games will be enforced this year by painting the section of the stadium in question so there will be no doubt as to its location.

Khaki slacks will be regulation to meal formation and optional for wear on the campus according to the class ruling. Organizations will make drill and meal formation in khaki henceforth, but serge slacks are optional for wear to and from class. It was decided that for wear off-campus except into Bryan, the serge uniform should be worn. Serge slacks were made the only "reg" uniform for wear at football games.

The class agreed to encourage the preservation of grass and hamper squads from the Southwest. The squad has worked with Bruin plays, and yesterday, S. M. U.'s backs and ends got together, borrowed a center and tossed U.C. L.A. passes at each other. The Mustangs have their minds made up to put a sudden stop to the touchdown cavorting of Wild-horse Jackie Robinson, U.C.L.A.'s sensational triple threat. The team is slated for night workouts at Tucson, Ariz., and at Los Angeles before the game.
