ATTENTION - SENIORS
 Within the next week the Placement Bureau will start distributing personnel record blanks to seniors. These records, when executed, will be used to assist seniors secure employment after graduation. To complete the record, all seniors must

furnish the Placement Bureau with a recent glossy print photograph, application size. This may be secured from the Aggie Studio for 25 cents and it is suggested that you order this photograph when you have your picture taken for the senior section of the Longhorn.
 Lucian M. Moran, Director
 Placement Bureau
 Association of Former Students

AERONAUTICAL
 Students who have submitted applications for either primary or secondary flight training will be interviewed by Mr. Barlow at Room 238 Administration Building, Tuesday, October first.
 Gibb Gilchrist,
 Dean of Engineering

Senior Mechanical Engineers Interested In Aeronautical Engineering
 Ten hour of aeronautical engineering course will be available to mechanical engineering seniors this session—three hours the first semester and seven the second. The ten hours will qualify students on graduation to take the Civil Service examination for Junior Aeronautical Engineers. Please come by my office Monday or Tuesday of next week to arrange for substitutions.
 Gibb Gilchrist,
 Dean of Engineering

Department of Buildings and College Utilities announces that fuse boards and hall lights will be taken care of as follows:
 Bizzell, Goodwin and Hart, by H. R. Langford, 111 Bizzell.
 Law, Puryear and Mitchell, by Claude Gunn, 4 Law.
 Leggett, Milner, PG and Walton, by J. B. Bradford, K-12 Walton.
 Dormitories 1-2-3-4 by P. N. Stubbs, 406 Dorm.
 Dormitories 5-7-9-11, by S. L. Ringer, 209 Dorm 7.
 Dormitories 6-8-10-12, by Gus Laney, 116 Dorm 12.
 W. E. Lewis

CIRCULAR NO. 2

I. CLEANING AND PRESSING REGULATIONS.
 1. The College, through the Commandant, will limit the cleaning and pressing firms which may have agents to two in each military organization. The cleaning and pressing firms to operate in a company shall be selected by the members of that company.

2. No one else, student or otherwise, shall be permitted to solicit, pick up, or deliver cleaning and pressing work in the dormitories, and this prohibition will be enforced by the Commandant's Office.
 3. Each student is to represent only one cleaning and pressing concern and both agents in an organization may not represent the same concern. Agents shall be paid a standard commission of 25%, but shall not be given free work. If, in the judgment of the Commandant, an agent is not handling his business affairs in a satisfactory manner that agent shall forfeit his agency and another shall be chosen. Organizations may not ordinarily be permitted to change the firm selected, but under exceptional circumstances where just cause for such change is presented, the Commandant may permit the change, provided all obligations to the concern formerly represented have been satisfied.

4. No firm may solicit, collect, or deliver cleaning and pressing work in any dormitory unless it conforms to the following rates:
 a. Cleaning and pressing prices through student agents shall be reduced to 30c each for blouses and breeches, and the same rate given on student civilian clothes.
 b. The price for wool or serge shirts shall be 25c.
 c. The price for cleaning and pressing on a cash and carry basis shall continue at 25c per garment as already established.

II. The provisions of the above regulations will be strictly complied with by all concerned and company, troop, and battery commanders will make sections of the cleaning and pressing firms to operate in their organizations without delay. The name of the firms selected and student agents will be furnished the Commandant's Office not later than September 28, 1940.
 By order of the COMMANDANT,
 JOE E. DAVIS
 Assistant Commandant

CORRECTION

In the Tuesday edition The Battalion erroneously stated in an advertisement displayed for Waldrop and Co. that Fortune shoes were being sold for \$5 to \$6 and Red Wing shoes for \$3.95. The advertisement should have listed Edgerton's, \$5 to \$6, Fortune shoes, \$3.95 and Red Wing shoes, \$3.95. This error was corrected in an advertisement which appeared in the Thursday edition. The Battalion sincerely regrets that the error was made.

CLASSROOM CHANGE
 Effective Friday, September 27, 1940, Section 375V Industrial Engineering 401, MWV 10, will meet in Room 223 Petroleum Building instead of Room 207 Chemistry Building.
 Judson Neff, Head
 Industrial Engr. Dept.

NOTICE TO DAY STUDENTS
 Day students are reminded that they must have authority from the Commandant's Office before changing their address. A check of all day students and their addresses will be made in the near future and those that have change their address other than the address that they gave when they registered will be subject to disciplinary action.—JAMES A. WATSON, Lt. Col. U. S. Army, Commandant.

CIRCULAR NO. 4
 The Executive Committee has authorized juniors and seniors to make the San Antonio trip, October 5, 1940, provided they obtain passes from their Headquarters before their departure.
 2. Freshmen and sophomores living in the vicinity of San Antonio may make the trip provided they obtain a special permission filed in the Commandant's Office for this particular trip from their parent or guardian, and obtain passes before their departure.
 3. Passes must be turned in through first sergeants and housemasters to the Commandant's Office not later than Thursday noon, October 5, 1940.
 4. The Missouri-Pacific Railroad will run a special train to San Antonio leaving College Station at 4:30 a. m., October 5, 1940, arriving in San Antonio at 9:30 a. m. The special train will be made up in San Antonio at 11:00 p. m., Saturday night, October 5, for the convenience of those who wish to get on the train early. Time of departure of the special train will be 2:00 a. m. Sunday morning, October 6. Tickets will be honored on the regular train leaving San Antonio at 8:30 p. m. Sunday night, October 6. The round trip ticket will be \$2.45.
 5. Organization commanders and housemasters will canvass their organizations and submit to their Headquarters not later than 8:00 p. m. Tuesday, October 1. The number of students in their organization who intend to ride the special train and also the number of students in their organization who intend to go otherwise.
 6. The prescribed uniform for those students who are authorized to make the trip will be Number 1.
 By order of the COMMANDANT,
 JOE E. DAVIS, Assistant Commandant.

CLASSROOM CHANGE
 Industrial Engineering 403 will meet Monday, 1 till 5 o'clock, in Room 109, Mechanical Engineering Building.—Judson Neff, Head of Industrial Engr. Dept.

CANDY CONCESSIONS
 All candy concession agents who have not had their appointments for the current school year verified by this office must do so by 5 p. m. Monday, September 30, or lose their concessions. E. Simpson, Chairman, Student Labor Council.

SENIOR MECHANICAL ENGINEERS
 Senior Mechanical Engineering students should register for Aerodynamics (Now M. E. 428, 3 hrs.) the first semester if they wish to take seven hours of technical electives in aeronautical design courses next spring. These ten hours will qualify them to take the Civil Service examinations for Junior Aeronautical Engineers.—GIBB GILCHRIST, Dean of Engineering.

Registration for children's riding classes will begin Saturday morning at 8:00 at the stables. Classes will be held on Thursday afternoons at 4:00 and Saturday mornings at 8:00. The charge will be \$5 for the term, payable in advance.—MAJOR E. M. BURNETT, Cavalry.

Registration for the ladies riding classes will begin Monday afternoon at 3:30 at the stables. Classes will be held three afternoons a week. There will be a charge of \$10 for the term, payable in advance.—MAJOR E. M. BURNETT, Cavalry.

MEMORANDUM TO DAY STUDENTS:
 1. Day students living in the vicinity of the old mess hall, who are taking their meals in the mess hall, will fall in with the Non-Military group and march to their meals. This group forms adjacent to Miller Hall on Military Walk.
 2. Day students living in the vicinity of the new mess hall, who are taking their meals in the mess hall, will fall in with the Infantry Corps Headquarters and march to their meals. The Infantry Corps Headquarters forms on the east side of Dormitory No. 12.
 By order of the Commandant:
 J. E. DAVIS
 Assistant Commandant

The A. & M. Biology Club has a 16 mm. Bell & Howell sound projector which it provides for use by clubs and organizations on the campus for a minimum fee. The Biology Club furnishes the operator for the machine. Interested organizations should call or see Dr. Charles LaMotte Biology Department.

PRE-MEDICAL SOCIETY
 The Pre-Medical Society will hold its first meeting Thursday, September 26, in the Biology Lecture Room at 7:30 P. M. All freshmen pre-med students are requested to be there, as well as the old students. Plans for this semester will be discussed.

GRADUATE CLUB
 A meeting of the Graduate Club will be held for all graduate students Wednesday night, October 2, at 7:30 P. M. at the old science hall lecture room.

NOTICE—AERONAUTICAL ENGINEERING
 We expect to arrange our classes in Aerodynamics (Now M. E. 428, 3 hrs.) by the first part of next week. It is necessary that all juniors and sophomores desiring to change to Aeronautical Engineering do so by the end of the week in order that we may substitute Aerodynamics for some course in their schedules.—GIBB GILCHRIST, Dean of Engineering.

AVIATION Primary
 Students desiring consideration for Primary Ground School and Flight Training for the first semester may obtain application blanks at the Mechanical Engineering Building, Y.M.C.A. and my office. Freshmen are not eligible.
 Advanced

SOUTHWEST TEXAS A. & M. CLUB
 There will be a meeting of the Southwest Texas A. & M. Club Sunday night, September 29, in B Room of Hart Hall. All boys from Frio, Medina, Zavalla, Bandera, Uvalde, Kinney, Dimmit, Real, McMullen, Maverick and Atascosa Counties please try to be there.

HILLEL CLUB
 The Hillel Club will hold its first meeting Sunday, September 29, at 7:15 p. m. in the Lounge Room of Shiba Hall. All Jewish students are urged to attend. Cigars will be served.

FISH & GAME
 All students, either majoring or minoring in Fish & Game are invited to attend a meeting in the A. & I. Building immediately after Yell Practice Monday night. The speaker of the evening will be F. Smith, Texas University Graduate, and now a Fish & Game student at A. & M. Visitors are welcome.

There will be a meeting of the Geology Club Tuesday night at 7:45 in the Geology Building. All old members and those who are majoring in geology who wish to become affiliated with the club, are urged to attend.

The Trans-Pecos Club will meet Monday September 30 after yell practice in room 119 Academic Bldg. All boys from the following Counties are requested to be present: Reeves, Upton, Brewster, Pecos, Ward, Ector, Crane, Winkler, Culberson, Loving and Jeff Davis.

MATHEMATIC CLUB
 The first meeting of the Mathematica Club will be held Wednesday, October 2, at 7:30 p. m. in Room 212, Academic Bldg. Everyone interested in Mathematics is invited.
 R. R. Lyle.

PARIS AND LAMARR COUNTY A. & M. CLUB

The Paris and Lamarr County A. & M. Club will meet Monday night, September 30, after yell practice in room 110 Academic Building. Everyone please be present; the Freshmen are especially urged to attend. Refreshments will be served.

Legal Notices

RESOLUTION:
 Be it ordained by the City Council of the City of College Station, Texas:
 Section I. No houses, garages or other buildings shall be moved across the streets or along the streets of the City of College Station, Texas, unless there shall be a permit issued by said city for the moving.
 Section II. Said Permit will designate the streets to be used and the time which the moving will be done.
 Section III. Before any permit will be issued a deposit of \$100 shall be made with the City Secretary. Such fee will be held by the city until the structure is completely moved, and then such damage to the city streets, bridges, city utility lines will be repaid by the city and the costs charged to the deposit. The balance of the deposit remaining after repairs are made will be refunded to the owner.
 Section IV. Anyone violating the provisions of this ordinance, when found guilty, shall be fined not more than \$100, and each day of violation shall be deemed a separate offense.

An election will be held Saturday, October 5, 1940, as provided in Article 947 A, Section 10, Vernon's Texas Statutes, 1936 Edition, to control all future real estate developments or land subdivisions within the City of College Station, or within a radius of five miles thereof, exclusive of the territory of the City of Bryan.

The purpose of this election is to forestall improper developments with particular regard to a proper layout of streets, alleys, drainage, and utility installations. The enactment of this law is very necessary at this time.

Public interest demands that developers should be required to give proper space for, and location of, streets and alleys, and that such developments may fit into the city's utility installations.

You are invited to attend a public hearing on the city budget for the coming year, and for an explanation of city activities at 7 p. m. Thursday, October 3, 1940, in the chemistry lecture room.

Corps Dance

(Continued from Page 1)

has been the heart and soul of that section. Henry hails originally from Marlin, but now is residing in Bryan with his wife and daughter.

Joe (Jug) Germany the last of the Greenvine clan, is playing his fourth year in the band. Joe is also a member of the Aggie Band and is majoring in Chemical Engineering. Ask any member of the Band and they will tell you that Joe is one of the hardest working members of the band. Joe plays second trumpet and to all you guys who have heard the band before, I need not tell you of Joe's fine ability in the brass section.

"Scotty" Scott of Port Arthur is a new man in the band. He does most of the jamming in the brass section getting away from so much blare, playing a more restrained, pleasing style of trumpet.

"Fish" McGregor, who hails from Ballinger, is a new man in the band. Fish Mc has played trombone for the last eight years and now holds the national trombone soloist title. Before coming to A. & M. he played in a dance band in San Angelo, and is expected to be a great help in filling the hole in the brass section left by Charles "Chu" Berry who was unable to return to school this year.

"Sug" Frank Barnes, also another new member of the band, hails from Bryan. He slaps the huge five-fourths base fiddle which he recently purchased as an antique in a very unique and pleasing manner. Sug has played before with dance and symphony orchestras so he should be able to put out any type of rhythm you can request.

Freddy Nelson, another new member of the band, hails from Ft. Worth and plays the ivories with such a style that it makes it hard for you to forget him. Freddy is also an experienced member having played with dance bands all over the state. After much persuasion from the boys in the band Freddy left the old home town and joined the band and after you hear his unique style I know that you will be just as glad he came to Aggie as the boys in the band

were.
 The dance will start promptly at 9 o'clock with the Aggie's old maestro's, Jack Littlejohn, own composition, "Living My Life for You".

Board Votes

(Continued from Page 1)

ably will be hung later in the A. & M. Animal Industries building.

The expenditure of \$800 for a cyclorama for Guion Hall was approved. This curtain will be used for the Town Hall series.

W. E. White, chief of the Forest Protection Service at Lufkin was appointed vice-director of the Texas Forest Service. His headquarters will remain at Lufkin.

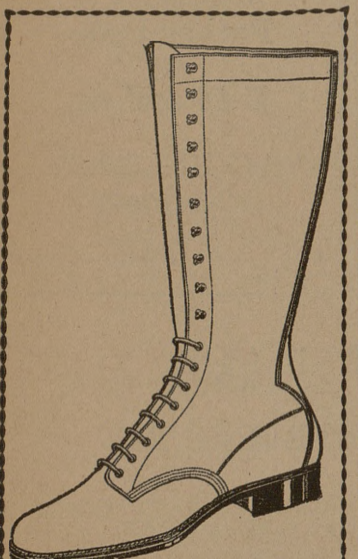

The candy concession for dormitories was placed in the hands of O. R. Simpson, student labor chairman. Heretofore campus confectioners had handled the sale in dormitories. The A. & M. Exchange

Store will purchase the supplies and they will be warehoused in the Mess Hall. Mr. Simpson will assign students to handle retail sales on commission basis. Wholesale profits will be used for purposes of student welfare, it was decided.

Any student who is called for service in the Texas National Guard will be refunded his fees and deposits, according to another motion passed by the Board of Directors.

"RANGERS OF FORTUNE"

For a Top Performance in smoking pleasure—
Make your next pack
Chesterfield
THEY'RE COOLER, Milder, BETTER-TASTING

All over the country, more smokers are buying Chesterfields today than ever before because these Cooler, Better-Tasting and Definitely Milder cigarettes give them what they want. That's why smokers call Chesterfield the Smoker's Cigarette.

Smokers like yourself know they can depend on Chesterfield's Right Combination of Turkish and Domestic tobaccos for the best things of smoking. Chesterfield smokers get the benefits of every modern improvement in cigarette making.

BETTER MADE FOR BETTER SMOKING
 Here as seen in the new film "TOBACCO-LAND, U. S. A." is Chesterfield's electric detector. Twenty mechanical fingers examine each cigarette in a pack and if there is the slightest imperfection a light flashes and the entire pack is automatically ejected.
