

# Official Notices

**SCHEDULE OF EVENTS:**  
 October 31 to November 2—Texas Nurseryman's Short Course (Mr. J. F. Rosborough).  
 November 1—Poultry Science Club Benefit Show—3:15 and 6:30 P. M. (Assembly Hall).  
 November 4—Town Hall—Fisk Jubilee Singers—Guion Hall—7:30 P. M.

**STAFF MEETING**  
 There will be a meeting of all artists and writers of the magazine staff next Wednesday night at 7:30 in the Battalion office.

**SWIFT ESSAYS**  
 All students who are writing essays for the Swift College Essay Contest must submit their essays to the Animal Husbandry office by November 1. That is the closing date for the contest and no essays will be accepted after that date.  
 B. R. DANA

**GENERAL FACULTY**  
 The general faculty will meet in the Chemistry Lecture Room at 7:30 p. m. today. This faculty consists of:  
 President, Vice-President, the Deans, all full-time teachers and officers, the professional staff of the Registrar's Office, the Library, and the Museum, the Comptroller, the Director of Publicity, the Director of the Agricultural Experiment Station, the Director of the Agricultural Extension Service, the Director of the Forest Service.  
 F. C. BOLTON, DEAN

**CLUB PRESIDENTS**  
 According to college regulations, the presidents of each club must file a list of club officers with the Student Activities Committee one month after the beginning of school. The list of club officers may be filed in Room 126, Adm. Bldg.

**OFFICE OF THE COMMANDANT**  
 October 25, 1940  
 CIRCULAR NO. 14:  
 The Commandant is in receipt of a letter quoting the remarks of a prominent business man who attended the U.C.L.A. game, and who stayed at the hotel which was headquarters for the A. & M. men:

"The elevator operators, bell boys, and other employees of the hotel, including the assistant manager, said that the behavior of our squad, and likewise, the followers of the team was the best of any football group that had ever been in that hotel."  
 This is a sincere and unsolicited compliment and is a tribute to the high sense of honor and splendid behavior of the members of the Corps.  
 JAMES A. WATSON  
 Lt. Colonel, U. S. Army  
 Commandant

**FOOTBALL PROGRAM SALESMEN**  
 meet in room 226, No. 4, Wednesday, 7:00 p. m.

**CAMPUS STUDY CLUB**  
 The Campus Study Club will meet at 3 p. m. Tuesday, October 29, in the lounge of Shiba Hall. Dr. G. W. Schlesselman will discuss relations existing between the United States and Latin America.

**AGRONOMY SOCIETY KEYS**  
 Those students wanting an Agronomy Society Key are urged to pay \$3.00 deposit or the full sum of \$3.00 immediately as the order is going in this week. The money may be paid to J. T. Anderson, room 218, dorm 3; H. C. Warner, room 304, dorm 12; or Mrs. Johnson in the Agronomy office.

## Registrars Meet—

(Continued from Page 1)  
 but in the program it stated that he was "absent on a Boobenheim Ladyship for foreign travel and study."

The association is made up of the registrars and their assistants from all the colleges and universities in the state. Like the National association of college registrars, which will hold its convention in Chicago early in April, it holds an annual meeting that is the climax to the year's work.

## Corps Trip—

(Continued from Page 1)  
 couldn't resist the temptation of putting his foot on the scales when a 200 pound colored woman was weighing.

Sympathies to the fellow at the Circle Club who remarked that the Aggies had a lucky day. His challengers were not students of A. & M.

All American Marshall Robnett was living up to his reputation as a guard in the early morning hours at Arnolds as he took care of an attractive young thing midst half a dozen bird dogs.

## A & M Chess Club To Hold Meeting Tonight

Plans for organizing an A. & M. College Chess Club are now under way. There will be an organization meeting forming the club immediately after yell practice Tuesday night in the Y Chapel and all interested in joining this club are urged to be present.

Those eligible for membership are all students of A. & M. and staff members. The Y is setting aside a room for chess where members of the club may meet and where adjourned games may remain standing undisturbed.

It is hoped by present members of the club that the chess talent of the college will be brought together and that contests with other colleges may be arranged for throughout the year.

**BELL COUNTY CLUB**  
 A very special meeting of the Bell County A. & M. Club will be held immediately after yell practice in room 119 of the Academic Building. It is important that everyone be present to help make plans for the Annual Christmas Dance.

**GRADUATE CLUB**  
 There will be a graduate Club meeting for all graduate students in the basement of the Library Building Wednesday, October 30th at 7:30 p. m. Miss Margaret Pearce and Mr. D. A. Hennessee will present some slides and explain the use of the Library with special reference to the reserve section open to graduate students. Plans for a dance in the near future will also be discussed at the meeting.

**ARCHITECTURE CLUB MEETING**  
 7:30 Tuesday night—Architecture Lecture Room.

**CHESS**  
 All students and A. & M. staff members who are interested in forming an A. & M. College Chess Club are urged to be present at an organization meeting just after yell practice Tuesday, October 29, in the Y Chapel.

The Y is setting aside a room for chess where members of the club may meet and where adjourned games may remain standing undisturbed.

It is hoped that the chess talent of the college will be brought together, and that contests with other colleges may be arranged for throughout the year.  
 Meeting called by E. P. Humbert, Member T.C.A.

**K K K MEETING**  
 There will be a called meeting of the Kream and Kow Klub at 7:30 p. m. Tuesday October 29 at the college creamery. Every one invited; members urged to be present.

**FELLOWSHIP LUNCHEON**  
 There will be a Fellowship Luncheon for employees of A. & M. from 12:10 to 12:40, Thursday noon.

**A. & M. DAMES CLUB**  
 The next regular meeting of the A. & M. Dames Club will be the first Wednesday night in November.

**LAND OF THE LAKE CLUB**  
 There will be a meeting of the A. & M. Land of the Lake Club, composed of all Aggies from San Saba, Mills, Llano, Lampasas and Burnet counties, immediately after supper Wednesday night in Room 1 of the New YMCA Bldg.

**POULTRY SCIENCE CLUB**  
 There will be a meeting of the Poultry Science Club in room 115 Animal Industries Building, Tuesday night, Oct. 29, at 7:30 P. M. Plans for the benefit show will be discussed. All members are urged to be present.

LOST—One rain coat, just outside Dallas on the Houston-Dallas highway last Sunday afternoon. The coat has a chemical Warfare insignia on the back. Please return to room 419, No. 12, if brought back to college.

## Second Showing Of Aggietone News Held This Evening

Through the courtesy of the United States Government, the second issue of Aggietone News is being released today and will run through Wednesday and Thursday. The assistance of the government came in when it was necessary to send the films of the Baylor game to Dallas for developing and return by air mail. This quick service has made it possible to include the shots of the game in this issue so that those who were unable to make the trip may see some of the more exciting plays.

The shots of the Texas A. & M.-Baylor game take up approximately 7 minutes of the newsreel which will run 15 minutes. This is several minutes longer than the first issue which was shown October 15-17. The technical difficulties which were present in the last production have been entirely eliminated and the sound is now synchronized with the film. The shots of the football game are almost professional in quality.

Other topics covered in the newsreel are the rodeo, the actions of both bands at the half of Saturday's game, Governor W. Lee O'Daniel addressing the corps, the flag raising ceremony at the T. C. U. game, the corps dance that night, registration for military service and some of the work of the C. A. A.

## Sports Writers Get Off Several Good Wisecracks

The present football season is bringing forth some good wisecracks.

Flem Hall, sports editor, Fort Worth Star-Telegram—"T.C.U. can well holler that they 'was Robnetted'" in referring to the fact that Marshall Robnett, Aggie guard dealt the Frogs misery all afternoon.

Dick Hyland, sports writer, Los Angeles Times—"U.C.L.A. should have been penalized for having five men in their backfield during the Texas Aggie game for Marshall Robnett was back there all afternoon."

Paul Zimmerman, sports editor, Los Angeles Times: "The Texas Aggies showed more power than a public utilities monopoly."  
 A bit of verse from the aforementioned Dick Hyland:

"When you're up, you're up;  
 When you're down, you're down;  
 But when you're up against the Aggies,  
 You're upside down."

E. C. (Jeep) Oates, compiler of Southwestern Conference football statistics: "I've heard a lot about the rabbit ball in baseball but the way these fellows are kicking a football around this year makes me believe that somebody has rung in a rabbit ball in football this season. Shucks, unless a fellow kicks it 70 yards anymore he is not doing anything." (Presto Johnson, S.M.U., kicked one for 92 yards.)

Among the interesting information which the boys learned on the trip was the condition of the olive trade. Canneries are still getting plenty of olives from Spain, the boys were told, but are afraid that this source of supply will be cut off at any time. If it is cut off, California will be the only major producer; and she cannot produce enough to fill the demands.

## SMU Tickets—

(Continued from Page 1)  
 cadets. Naturally those students with the perseverance and initiative enough to remain up all night got the first chance to buy the tickets.

R. D. Lowry was probably the busiest man on the campus as he dished out both student tickets and date tickets to the thousands of Aggies who were on hand Monday morning. Lowry said that there would probably be enough student tickets to allow every Aggie who has a coupon book to buy a ticket but that it was doubtful whether or not there would be any more date tickets made available.

No doubt there are many Aggies who are brooding this morning over the fact that they did not go to the "Y" and wait for the opening of the doors.

This game will probably be the best and most important of the Southwest conference games this season and all tickets have already been sold except the A. & M. student tickets and they will all be gone as soon as the students can get to the "Y" and get theirs.

## Fisk Singers Presented On Town Hall Monday Night

Yes, once again it will soon be Town Hall tonight. Next Monday night the renowned Fisk Jubilee Singers will come to A. & M. as the second number on this year's Town Hall program. According to Paul Haines, student manager, this is one of the finest singing groups in the world today and A. & M. is indeed fortunate in having them appear on the campus this year.

Unlike many other negro groups who achieve fame and reputation that usually change their style of singing, the Fisk Singers have continued to sing the old favorite Negro spirituals and songs as they were sung on the plantations during the days of slavery. This group renders their songs in typical southern plantation style, as only a negro singing group can do.

Each individual singer in the group is selected on the merits of his voice as a soloist as well as its characteristics and adaption to the group. Audiences throughout the country have remained completely under the spell of their enchanting singing for the duration of their program and long before the program has ended it will be noted that the entire audience is unconsciously swaying to the rhythmic singing of the group.

Indeed they have rightfully been acclaimed as the country's outstanding Negro group singers.

According to an announcement made Monday by Paul Haines, there are still a few choice reserved seat tickets left for sale. These tickets may be called for at the student publications office anytime during the coming week.

## Military Day—

(Continued from Page 1)  
 cylinder, gas masks, chemical mortar shell, cart and a sniff bottle containing tear gas. The use of gas masks will be made for the benefit of visitors, and a mortar will be set up and its use explained.  
 A sniff bottle containing tear

gas will be provided so that visitors may be able to say they have been gassed and will recognize the effects of tear gas.
