SCHEDULE OF EVENTS
 November 22—A.S.M.E. Benefit Show—Assembly Hall—8:15 and 8:30 p. m.
 November 25 and 26—Horticulture Society Show—Agriculture Building—8 a. m. to 9 p. m., daily.
 December 2 to 4, inc.—Dairymen's Annual Meeting (A. L. Darnell)
 December 4—Jean Dickenson Concert—Town Hall—Gion Hall—8:00 p. m.
 December 4 and 5—Municipal Engineer's Short Course
 December 6—Tumbling Team Benefit Show—Assembly Hall—8:15 and 8:30 p. m.
 December 6—American Society of Civil Engineers Dance—Sbisa Hall—9:00 p. m.

HEADQUARTERS RESERVE OFFICERS' TRAINING CORPS AGRICULTURAL AND MECHANICAL COLLEGE OF TEXAS

College Station, Texas
MEMORANDUM NO. 30
 November 19, 1940
 1. Memorandum No. 29, this headquarters, with reference uniform regulations is rescinded and the following substituted therefor:
 2. Effective at Reveille Wednesday, November 20, 1940, the following uniform

regulations will govern until further notice:
 a. For meal formations—No. 2 uniform
 Trousers - woolen O. D.
 Shirts - woolen or cotton O. D. (optional)
 b. For drill - No. 2 uniform
 Trousers - woolen O. D.
 Breeches - cotton (when prescribed one special examination under certain conditions)
 c. For drill and meal formations, Seniors only may wear:
 Trousers - woolen O. D., or
 Breeches - (Bombay or woolen O. D.) with boots.
 By order of Lieutenant Colonel WATSON:
 J. B. WISE, JR.
 Major, Cavalry
 Adjutant

NOTICE
 Items intended for the Official Notice section of The Battalion should be typed, double spaced, and brought to room 126 Administration building not later than 3:30 p. m. on Mondays, Wednesdays and Fridays.

CANDIDATES FOR GRADUATION
 Attention of candidates for graduation at the end of the first semester is called to College Regulations, Paragraph 25 (9), which makes possible the granting of one special examination under certain conditions.
 Those who are qualified for the examination and who wish it, should make petition to this office immediately.
 F. C. Bolton,
 DEAN

NOTICE TO COLLEGE HILLS
 Beginning on November 1, 1940, all water bills will be paid to the City of College Station. Sewage charges will be 50 cents on the basis of one commode per residence. When there is more than one commode, the sewage charge will be 75 cents for each residence. These charges are in line with the prices being charged in other parts of the city. Utility bills are due on the first of each month for the month which has just passed. All bills which are not paid by the tenth of the month will have a penalty of \$1.00 added. Utility service will be discontinued on the 15th, if the bills remain unpaid as of that date.
 All residents in College Hills who did not pay for their water meters at the time of installation, but elected to pay for their meters by having the sum of \$1.50 added to their water bill each month, will take notice that the following change will be made, beginning with the bill submitted December 1, 1940.
 WHEREAS, the property owner has been making this payment here-to-fore, in the future the water user will be billed this extra \$1.50 each month until the 12th monthly period has been passed. This is the manner in which water meter payments are being handled in the other parts of the city, and facilitates and makes more efficient the handling of these accounts with regard to the payment and service of each meter. It is suggested that the property owner and the tenant work out a readjustment so as to carry out this provision.
 The City Council is anxious to cooperate with those who live in College Hills, West Park and other sections which do not have asphalt streets. The city does not have funds to build streets of this type, but will assist the property owners to the extent of \$300.00 per mile, which has been budgeted for street maintenance. A first class asphalt street can be built if the property owner will contribute 12 1/2 cents per front foot on each side of the street, as 25 cents per linear foot, plus what the city will be able to add, will assist in an asphalt pavement which will be very satisfactory. This is the only way we may have a satisfactory street improvement. Residents of other sections of College Station have built streets in front of their property. It will be necessary to build in units of at least one mile, in order to obtain material, etc., at the price mentioned above. These streets cannot be built in wet weather. If the residents of those areas are interested in this plan, it might be possible to do some of this work before the bad winter months set in; otherwise, we will have to wait until Spring or early Summer to begin this work. In the meantime, it will be a waste of money to do more than a minimum of patching of these streets.
 College Station City Council

PERSONNEL SHEETS
 The printed personnel sheets will be ready for the following Seniors by 4 p. m., Thursday, Nov. 21. Please call for these at Room 133, Administration Building, at your earliest convenience.
 Ataway, Herman H.
 Conrod, Lloyd G.

Jean Dickenson

(Continued from Page 1)
 sang arias from grand opera and musical comedy on a program called "Golden Melodies." "This wasn't a top notch program," Miss Dickenson says, "but it was a grand break."
 Since 1935 she has been singing on sustaining programs and commercial broadcasts for NBC and for the past three years has made her lovely voice familiar to millions for her vocals on "The American Album of Familiar Music."
 Her wide experience in radio and opera have given Miss Dickenson ample opportunity to learn a wide repertoire of both popular and classic music and her program will be of outstanding interest as the third Town Hall program.

Engineers
 (Continued from Page 1)
 and ten draftsmen at salaries ranging from two hundred to three hundred dollars per month.
 The demand for engineers is in direct contrast with the situation of 1932 to 1934. At that time the majority of calls were for students trained in agricultural fields to be placed in governmental projects which have been curtailed during the past year.

SPANISH CLUB
 The Spanish Club will hold a very important meeting tonight after yell practice in the Geology Lecture room for the purpose of voting on the objectives and name of the club.

SENIOR COLLEGIATE F.F.A.
 The Senior Collegiate Chapter of Future Farmers of America will meet Thursday night at 7:30 in the Agriculture Engineering lecture room.

BOXING CLUB
 There will be a meeting of the boxing club Thursday night in the "Y" chapel immediately after yell practice. All boys interested in boxing are invited to attend.
 Mason Jonas, Pres.

PRE-MED CLUB
 There will NOT be a meeting of the Pre-Med Club on Thursday night as previously announced. Dr. G. E. Potter requests that all pre-dental students report to him as soon as possible.

A.S.C.E.
 The A.S.C.E. will meet tonight at 7:30 in the C. E. Lecture Room. Dr. T. F. Mayo will speak. Plans for the A.S.C.E. dance will be discussed. All Civil Engineering students are requested to attend.

SHREVEPORT CLUB
 There will be a meeting of the Shreveport Club Thursday night after yell practice in room 315, dormitory 4.

ECONOMICS CLUB
 The Economics Club will meet Thursday night at 7:30 in the physics lecture room to hear Harry Wallace, acting secretary of the Harris County Association for Industrial Peace. Mr. Wallace will speak on the need for such an organization and its work in the Houston area. Visitors are invited to attend.

JUNIOR COLLEGIATE F.F.A.
 The Junior Collegiate Chapter of Future Farmers of America will meet Thursday night in the Agriculture Engineering lecture room.

CAMPUS TARGET CLUB
 First shoot on Thursday, Nov. 21, at 7 p. m., at the indoor rifle range. Members of the College staff, experiment stations, extension service, army officers, Federal government services and agencies are invited to join. If interested, call Mr. Zeller at 4-6134.

Number 1 uniform with white shirt will be the regulation uniform for the parade and football game.
 At the football game students may enter through either gates 1 or 2. No one other than students of the college will be admitted on a student ticket. Aggies who wish to bring dates or friends into the Aggie section may do so by purchasing a student ticket for them, and, by paying the additional sum of \$1.40 at the stadium in Austin, exchange the ticket for a suitable non-student ticket.

the main lobby of the Library and through this medium students were enabled to request those books which they wished to see added to the Library.
 At the committee's November meeting it was unanimously voted that each year a portion of the General Reading Fund be set aside to make additions to and replacements for the Carnegie Music Room collection of records. This was deemed necessary for two reasons. First, the Carnegie Music Room had grown to be both an important part of the Library and an equally important part of student activity and entertainment, but no money had ever been made available to increase the collection of records. Second, records were occasionally broken and, as it is contrary to the Library's policy to charge a student for a broken record, these were never replaced. In the case of the records, as in the case of the books, student suggestions were solicited through a box placed in the music room.
 In future years ten percent of the total amount of the General Reading Fund will be expended for record additions and replacements. During the first year of this appropriation, however, (1939-40) 15 per cent was spent for this purpose. This amounted to \$87.77 as indicated on the expense report.

Library Committee
 (Continued from Page 1)
 representative; and George Fuermann, Laredo, student publications representative. Class representatives serve for four-year terms and the student publications representative serves for a two-year term. The terms of Ledbetter and Fuermann expire in 1941, Egner in 1942, and Shuffler in 1943. The student publications representative automatically becomes the committee's only officer, that of secretary.

Meeting each month throughout the nine months of the long session, the committee's faculty advisor is Dr. T. F. Mayo, Librarian.

The Annual Report, September, 1939, Through June 1940
 During the 1938-39 long session (the Student Library Committee's first year of existence) the Cushing Memorial Library received for the General Reading Fund a total in contributions of \$285.40. Of this amount, \$141.69 was spent during the fiscal year 1938-39 for books. The balance, \$143.80, was held over for the fiscal year 1939-40.

From September, 1939, through June, 1940, the Library received a total of \$463 in contributions. With the balance remaining from the 1938-39 fiscal year, the total of the General Reading Fund reached \$621.80. The following is submitted as an accounting of this amount:
 For 209 books purchased and placed in circulation \$356.36
 Estimate for 31 books on order 68.11
 Reserve, to be spent before August 31, for records 87.77
 Expended for repairs to the victrola in Carnegie Music Room 3.92
 Expended for subscriptions for the year 1940 to two magazines (Esquire and Fortune—this done at the request of the donor) 15.00
 Reserve to be carried over to the fiscal year 1940-41 (to be spent for books only) 90.64
 TOTAL \$621.80

With few exceptions, all books purchased through the General Reading Fund were done so through student requests. The General Reading Fund is subscribed to by the various A. & M. mother's clubs and, as such, the Student Library Committee's policy has been to spend this money in a manner delegated directly by the student body. A box was conspicuously placed in

Donations to the General Reading Fund from September, 1939, through June, 1940, came from the following A. & M. mother's clubs:
 Forth Worth A. & M. Mothers' Club \$ 50.00
 Dallas A. & M. Mothers' Club 75.00
 Sonora A. & M. Mother's Club 110.00
 San Angelo A. & M. Mothers' Club 50.00
 Temple A. & M. Mothers' Club 5.00
 San Antonio A. & M. Mothers' Club 25.00
 Brazos County A. & M. Mothers' Club 35.00
 McLennan County A. & M. Mothers' Club 5.00
 Grayson County A. & M. Mothers' Club 7.30
 Capitol A. & M. Mothers' Club (Austin) 15.00
 Houston A. & M. Mothers' Club 75.00
 Amarillo A. & M. Mothers' Club 15.00
 Anonymous 10.50

As reported in the expense account, the committee has a balance of \$90.64 to begin the 1940-41 long session with.

Kyle Field
 (Continued from Page 3)
 counted for 651 yards. Henderson has caught 18 passes for 325 yards while the two Jims have each connected with eleven. Thomason has accounted for 180 yards and Sterling, 122. Are these the flywheels of the Aggie machine?

Today on the New Thanksgiving, two games hold the interest of the Southwest followers. The freshmen of Texas University and of Texas A. & M. meet on Memorial field in their annual fray. In New York, the Arkansas Ra-

Intramurals

(Continued from Page 3)

ond period and went down under the inspired infantrymen 19-8. Thompson led the scoring with 8 points.

Burnam, Drumwright, Kaufman and Goodrich led B Engineers to victory in a handball game with 5th Corps Headquarters while Derrick and Duevall took their match the easy way. Final score—3-0.

Two closer games were won by A Infantry and A Signal Corps by scores of 2-1. A Infantry's win came when Hearn, Higgenbottom, Kay, and Mitchell combined to take a couple of matches while Sanders and Dennis scored one for I Infantry. Jackson, Warne, Oliver, and Castleberry accounted for A Sig.'s wins while Boyle and Rider racked up one for Cavalry.

One of the old tricks that still works came into play in a football game between B Signal Corps and I Infantry when one of the signalmen took off for the goal line with a hide out pass that meant the difference between a win and a loss—Failure to convert left the final score 6-0.

E Engineers took D Field Artillery 18-0 in a football game that was full of surprises—for the artillerymen—

E Field Artillery cashed in on a safety for two points to win their game with F Coast Artillery 2-0.

Several 6-0 games were G Infantry over C Field Artillery, B Coast Artillery over I Field Artillery, B Engineers over G Field Artillery and A Coast Artillery over F Infantry.

On the tennis courts, Gissler, LeGrande, Wood, and Regan of D Engineers made quick work of their opponents to make it unnecessary to complete the third match and won the game from 1st Corps Headquarters 2-0.

zorbaks meet the Fordham Rams. We've been out on the limb so many times we might as well climb out again.

College Employees May Soon Be Able to Buy Hospitalization Insurance as a Group

For the benefit of the A. & M. staff, a committee on insurance has been investigating group hospitalization and surgical benefit plans. This committee composed of Dean F. C. Bolton, chairman; T. W. Leland, head of the accounting department; D. L. Weddington, executive assistant of the Extension Service; L. P. Gabbard, Farm and Ranch Economics division; J. W. Barger, head of Agriculture Economics department, has made arrangements through the Occidental Life Insurance Company of California to start the plan to work.

This plan includes all regular full-time employees of the college whose headquarters are at College Station and whose names are on the budget.

Some special features of the plan are: no questions regarding physical condition or medical history; no age limit; selection of desired hospital and desired physician; reimbursement is made direct to the employee; chronic diseases, pre-existing diseases, and diseases not common to both sexes are included; no waiting period between disabilities; individual certificates will not be cancelled because of recurring illnesses; and dependents of group members are eligible to apply for individual hospitalization and surgical reimbursement policies. Other benefits offered under this cooperative plan are: group hospitalization pays \$5.00 per day while confined in a hospital for a maximum of 70 days for any one illness or accident; for hospital services. Reimbursements are not to exceed \$25 for any one disability, additional reimbursement for surgical operations are up to \$150 and in addition semi-annual premiums are paid.

In order for this plan to go through, the company requires 75 per cent cooperation. The Extension Service has already submitted a report of almost 90 per cent.

If the application cards of the faculty and the experiment station are in Dec. 1, payments at the end of the year will be avoided.
