# Team Is Ready for Longhorns

**ON KYLE FIELD**

**With Hub Johnson**  
**FINAL GO 'ROUND ON MEMORIAL FIELD NEAR**

On Kyle Field is a thing of the past for some time now, at least until track season rolls around. But Thursday on Memorial Field the Fighting Aggies will take to the field determined to share "It" with no one.

If the weather remains as it has been the last few days, the game will probably be a repetition of the Southern Mustang duel, fans will go by boat, and thousands will take to the radio rather than to the stands. But to the Aggies and the corps, neither rain nor flood could hold them back from taking "forty acres" by storm and by game.

On paper the teams appear evenly matched until losses are considered. Pete Layden has accounted for the largest number of yards for the steers, marking 441 on the gain side and 172 on the loss side. Jackie Crain has 349 on the black side and 104 on the red.

John Kimbrough on the other hand has 557 yards to his credit with only 53 yards lost and Marion Pugh has 297 in the gain column and 51 in the other.

Rushing, the two teams compare with the Aggies having a team average of 3.75 and the Longhorns having an average of 3.54 yards. Statistics and past standings will mean little at the sound of the starter's whistle Thursday. Texans will be in high spirits and the Aggies will be strong in determination.

This is the final go 'round for the mighty Aggie team. For two years they have made the name of Texas A. & M. even greater than what it already was. Thursday it is either the "Spirit Of Aggieland" or "Taps". I think the band has forgotten how to play the latter.

**ARKANSAS-TULSA GAME ADDED; S.M.U.-T.C.U.**  
 An added attraction for the Southwest followers on the extra Thanksgiving will be the Tulsa Hurricane - Arkansas Razorback fray.

Both teams have gone down before the roll of the Aggies but both have turned back some great teams in unpredictable games. Arkansas nosed out Mississippi and Tulsa knocked Detroit from the undefeated and untied list.

The game will be played in Tulsa and will close out the season for the Porkers. Saturday two league games head the list for this section.

In Houston Baylor and Rice tangle for one of the headline games of the day. Rice ran over T.C.U. Saturday and broke the 16 year old jinx. Baylor at the same time scared the life out of S.M.U. and forced a 7 to 4 win from the Ponies.

With Jack Wilson in the backfield doing the running and Witt and Merkan tossing the ball around, the Bears could get the call. In North Texas Southern Methodist and Texas Christian meet for their annual fight of the North part of the state. The Frogs have gone down many times in their play this season but Kyle Gillespie has proven dangerous even in defeat. The Ponies have a well rounded team and should have little trouble.

stand a chance of sharing the crown—if the Bible plan is successful—but the Nortonmen stand to lose too much to allow such a win. They are determined to share the championship with no one.

The Aggies have been extremely fortunate in having a very small injury list for the season. Only four men have felt the wrath of opposing teams and even then to a small extent. Last week's game with Rice left "Dookie" Pugh and Tommy Vaughn on the injured list but both expect to see "Iron Man" service in the coming battle. The other two listed were Buchanan and Simmons. Both of these men play at the right end position and have been incapacitated at alternate times, leaving the flank well defended at all times.

As before, the "twelfth man" will be on hand to provide all of the moral support that an Aggie team has ever had—win or lose.

## Driving Rain Confronts Cross Country Intramural Runners

**By Bob Myers**  
 A driving rain cooled the runners in this year's intramural cross country run as the long winded men made short work of the course while the short winded ones made long work of it.

First place honors went to 1st Corps headquarters in the Class A division when W. W. Grief crossed the finish line 9:50 minutes after the starting gun sounded to take first place. Closely following were Bill Lewis, F Engineers; T. R. Coffey, B Signal Corps; W. B. Wetzel, G Infantry; and Bob Mc-

Larn, F Engineers. Coming in first in the class B division for 1st headquarters Field Artillery was J. M. Vajodos to establish a record time of 8:39.0 for the course. The next four men in order of their finishing were J. M. McGlothlin, 3rd headquarters Field Artillery; W. Ryherce, headquarters Signal Corps; F. C. Bibbs, B Engineers; and E. V. Labus, B Infantry.

# IN A CIGARETTE THE SMOKE'S THE THING!

THE SMOKE OF SLOWER-BURNING CAMELS GIVES YOU EXTRA MILDNESS, EXTRA COOLNESS, EXTRA FLAVOR, AND —

**28% LESS NICOTINE**  
 than the average of the 4 other of the largest-selling cigarettes tested—less than any of them—according to independent scientific tests of the smoke itself

**By burning 25% slower** than the average of the 4 other of the largest-selling brands tested—slower than any of them—Camels also give you a smoking plus equal, on the average, to **5 EXTRA SMOKES PER PACK!**

**WHEN** you get right down to it, a cigarette is only as flavorful—only as cool—only as mild—as it smokes. The smoke's the thing! Obvious—yes, but important—all-important because what you get in the smoke of your cigarette depends so much on the way your cigarette burns.

Science has pointed out that Camels are definitely slower-burning (see left). That means a smoke with more mildness, more coolness, and more flavor.

Now—Science confirms another important advantage of slower burning... of Camels.

Less nicotine—in the smoke! Less than any of the 4 other of the largest-selling brands tested—28% less than the average!

Light up a Camel... a s-l-o-w-burning Camel... and smoke out the facts for yourself. The smoke's the thing!

**"SMOKING OUT" THE FACTS** about nicotine. Experts, chemists analyze the smoke of 5 of the largest-selling brands... find that the smoke of slower-burning Camels contains less nicotine than any of the other brands tested.
