Such a large number of Canadian Jerseys have been making records in excess of 1000 pounds of butterfat during the past two years that the directors felt that a study of the techniques involved may prove helpful. Outstanding among these records is that of Brampton Basilia who yielded 19,012 pounds of milk and 1,313 pounds of fat to clinch her claim as high producing Jersey cow in the Americas.

## Maurine Hearn Leaves For Washington Meeting

Maurine Hearn, district agent for the Extension Service of A. and M. College, left Friday afternoon for Washington, D.C., to attend a conference on home economists' contribution to the national defense program.

Invitation to attend came to Miss Hearn from Mrs. Winnie Fisher Cunningham, formerly extension editor in Texas, who is now chief of the civil groups section, consumer division of the Advisory Commission to the Council on National Defense.

The Battalion, A. & M. publication, is first with college news.

## Forestry Students To Make Inspection Trip

Fifty forestry students of A. & M. will make a 400-mile inspection trip to the state forests near Mayfield, the Diaboll sawmill and the Lufkin paper mill today and Sunday.

The boys, accompanied by W. R. Horsley of the landscape art department, left this morning at 7 o'clock. They will return Sunday night. The first stop will be the Diaboll saw-mills which is a complete milling plant of both hard and soft woods. Saturday afternoon, the class will visit the fire protection stations and the Lufkin paper mill. The night will be spent in the Alto CCC camp.
