

Official Notices

SCHEDULE OF EVENTS:
 Jan. 10—Fencing Team Benefit Shows—Assembly Hall—8:15 and 6:30 p.m.
 Jan. 17—Entomology Club Benefit Show—Assembly Hall.
 Jan. 20, 21, and 22—Dairy Husbandry Short Course.
 Jan. 24—Fish and Game Club Benefit Shows—Assembly Hall—8:15 and 6:30 p.m.

OFFICIAL
 As was understood at the time classes were dismissed early for the Christmas holidays, the extra days missed from class are to be made up as follows:
 1. On Saturday afternoon, January 11, an extra Monday morning schedule will be operated; that is, classes scheduled for 8 a.m. Monday will report at 1 p.m. Saturday, those scheduled for 9 a.m. will report at 2 p.m., etc.
 2. On Saturday afternoon, January 25, an extra Monday afternoon schedule will be operated.
 3. The schedule for the first semester examinations will be changed so that instead of the present schedule the examinations will begin at noon Saturday, February 1 and will continue until noon Saturday, February 8. A detailed schedule of the examinations and of the procedure for registration for the second semester will be issued from the Registrar's office.
 F. C. Bolton,
 DEAN

C. E. 3088 EXAMINATION
 Students who have secured permission through petition are hereby notified that the examination for credit in C E 3088 (summer practice) will be given on Sat-

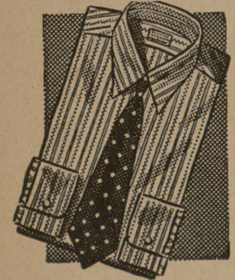

Our dance floor is excellent and the music is the newest.

Have you tried our delicious sandwiches lately? You should eat one for they are tasty.

 College Station - Bryan

ursday afternoon, January 18, 1941.
 L. L. McNew, Head,
 Department of Civil Engineering

NOTICE
 In view of the change in class schedule for the current semester, all formal class work for this semester will close at noon Saturday, February 1, and final examinations will begin at 1 p.m. Saturday, February 1, in accordance with the following schedule:

Period	Date	Hours
K	February 1, Saturday	1-4 p.m.
L	February 2, Monday	8-11 a.m.
M	February 3, Monday	1-4 p.m.
N	February 4, Tuesday	8-11 a.m.
P	February 4, Tuesday	1-4 p.m.
R	February 5, Wednesday	8-11 a.m.
S	February 5, Wednesday	1-4 p.m.
T	February 6, Thursday	8-11 a.m.
U	February 6, Thursday	1-4 p.m.
W	February 7, Friday	8-11 a.m.

The two regular periods for conflict examinations will be held Friday afternoon, February 7, and Saturday morning, February 8. All grades for the first semester will be due in the Registrar's Office not later than 9 a.m. Sunday, February 9.
Registration for the Second Semester
 All students now regularly enrolled and who were passing in ten or more hours on the preliminary report of November 15 will be allowed to register during the week beginning 8 a.m. Monday, February 3, until noon Saturday, February 8. Assignment cards will be released from the Registrar's Office in accordance with the following schedule:
 Monday, February 3, 8 to 12 m.—All students whose surnames begin with M, N, O, P, Q.
 Monday, February 3, 1 to 5 p.m.—All students whose surnames begin with C, H, I, J, K, L.
 Tuesday, February 4, 8 to 12 m.—All students whose surnames begin with T, U, V, W, X, Y, Z.
 Tuesday, February 4, 1 to 5 p.m.—All students whose surnames begin with A, B.
 Wednesday, February 5, 8 to 12 m.—All students whose surnames begin with R, S.
 Wednesday, February 5, 1 to 5 p.m.—All students whose surnames begin with C, D, E.
 On Thursday, Friday, and Saturday assignment cards will be released to students who were unable to report at the regular time. New students and old students returning who were not registered for this semester will register on Monday, February 10. All students who were passing in less than ten hours of work on the preliminary report of November 15 will be unable to register until they have approval from their Dean. Since grades are not due in this office until Sunday, the Deans will not have the student's grades until Monday morning. A schedule will be announced later for deficient students to report to their Deans on Monday, February 10.

Heretofore Heads of Departments have been stationed in the Academic, Agriculture, and Administration Buildings for the purpose of signing assignment cards for students during registration. Under this plan Heads of Departments will remain in their respective offices and each department will see that someone is on duty at all hours of the day during the week of February 3-8 and on Monday, February 10 for the purpose of signing assignment cards.
 Fees may be paid by students beginning Monday morning, February 3. Classes for the second semester will begin at 8 a.m. Tuesday, February 11.

STUDENT EMPLOYMENT
 The State Highway Department will employ at Highway Courtesy Stations a few sophomores or juniors who are earning part of their expenses, and who are financially unable to return for the second semester.
 Those interested and who have approved student labor applications on file in this office will please call on me at once, since the work will begin about February 1, 1941.
 Wendell R. Horsley, Chairman
 Student Labor Committee

COTTON CONTEST
 The first of the A. & M. Cotton Contest examinations, according to tentative dates set by Prof. J. S. Mogford of the Agronomy department, will be held Friday night, January 17, on Cotton Production. Other exams of the contest which will be held during the coming months are as follows: January 24, Botany of the Cotton Plant; February 2, Cotton Insects; March 7, Cotton Machinery; March 14, Cotton Diseases; March 21, Cotton Textiles; April 4, Cotton Marketing; April 15, Cotton Genetics; the last exam on Cotton Grading and Stapling will be held on some bright afternoon in the latter part of April, depending on the weather. The three high men of the contest will be given travelling fellowships for foreign cotton study, in all probability to various countries of South America. Any student desiring to take the examination should see Prof. Mogford at once.

PERSONNEL LEAFLETS
 Printed personnel leaflets are ready for the following seniors. Please call for these at Room 133, Administration Building, at your earliest convenience.
 Cargile, James W.
 DeArmond, Geo. W., Jr.
 Gault, R. B.
 Grochowski, Adolph E.
 Hensley, Harold S.

SENIOR ELECTRICAL AND MECHANICAL ENGINEERS
 Representatives of the General Electric Company will be on the campus Monday, January 13 and 14 to interview senior electrical and mechanical engineering students who are interested in employment with General Electric upon graduation. All qualified seniors who are planning on interviewing these representatives must arrange for an interview period not later than noon Saturday, January 11. Room 133, Administration Building. A general lecture will be given by the representatives from 8 to 9 a.m. Monday, January 13, Electrical Engineering Lecture Room. All interested E. E. and M. E. seniors should attend this lecture at which the opportunities with General Electric Company will be explained.
LUCIAN M. MORGAN, Director
 Placement Bureau

LIFE SAVING CLASS
 All members will report to the pool Saturday night at 8 o'clock for the examinations.

FRESHMAN JUDGING CONTEST
 The annual Freshman Judging Contest, sponsored by the Block and Bridle Club, will be held in the A. H. Pavilion on Saturday, January 18, 1941 at 8:00 a.m. All Freshmen enrolled in A.H. 107 the present semester and those students who took

A.H. 107 last semester and who have had no additional judging work are eligible to compete in this contest. Excused absences for Saturday classes will be granted those student participating in the contest.

A.I.E.E.
 The Gulf coast section of the American Institute of Electrical Engineers will hold a joint meeting with the Rice Institute Student Chapter, on Monday, January 13 at the Lecture Hall, Chemistry Building, at Rice Institute in Houston.
 Four reels of movies will be shown at the meeting, two of which will feature the new Edgerton High-Speed Camera developed at the Massachusetts Institute of Technology. In addition there will be films showing the manufacture of 132,000 volt cable and its installation.
 All members of the section living in this area and their guests, are invited to be present. Wives of the members will meet at 7 p.m. at the Lamar Hotel on the same day.
 E. W. Markie, Program Committee
 Houston Section A.I.E.E.

SADDLE AND SIRONIN CLUB
 The Saddle and Sironin Club will have a meeting Monday night at 7:30 in the A. & L. Lecture Room. It is imperative that everyone be there as plans for the "Little Southwestern" and other business will be discussed.

A. S. C. E.
 The A.S.C.E. will meet at 6:45 tonight in the C. E. Lecture Room. All Civil Engineering Students are urged to attend.

CHEMICAL SOCIETY
 The Texas A. & M. Section of the American Chemical Society will be honored by having Dr. W. L. Evans, President of the American Chemical Society, speak at the next meeting on January 15. Dr. Evans is Chairman of the Department of Chemistry of the Ohio State University at Columbus, Ohio. Dr. Evans was a major in the chemical warfare service in the World War, as head of the laboratory and inspection division of Edgewood Arsenal. Although the subject of his address is technical, on The Chemical Behavior of Reducing Sugars in Alkaline Solutions, these addresses usually contain matters of interest to non-technical listeners.

Classified
ROOM AND BOARD—\$16 per month. Prospect House No. 6 on campus.

 Services are held every Sunday morning at 11 A. M. in the Y. M. C. A. parlor.

Aid Fund—

(Continued from Page 1)
 ably early in the fall. This drive is to extend to the student body only and is to be conducted entirely on a voluntary basis, no student asked to give more than 10 cents.
 c. Through other sources which the committee may deem advisable.

3. The Student Aid Fund Committee:
 a). This committee is to be appointed by the president of the college and is to be made up of three faculty members and four students (two seniors and two juniors, the juniors to serve for two years).
 b). After appointment the rules of procedure for the handling of individual cases.
 c). Each year this committee shall submit a detailed report to the Student Activities Committee, and a report of the activities shall be published in The Battalion in May of each year.

Further information concerning the proposed Student Aid Fund will be published in The Battalion following the regular meeting of the faculty Jan. 28.

C of C Banquet—

(Continued from Page 1)
 lic safety; Jack Howell, taxation and local government.
 Entertainment for the evening included numbers from the Little Symphony Orchestra of A. & M. Consolidated schools under the direction of Lt. Col. R. J. Dunn, the Acapella Choir of Stephan F. Austin High school of Bryan, a duet from Mrs. Daniel Russell and Euell Porter, and a general song led by M. M. Erskine.

Civil Service—

(Continued from Page 1)
 will be accepted and should be indicated in the applications as courses to be scheduled. In connection with the current national defense program, and because of a scarcity of trained personnel in the engineering field, eligibles appointed from the junior engineer group may enter active duty without proof of graduation. Such students may be required to furnish proof at a later date.
 Applications must be on file with the United States Civil Service Commission at Washington, D. C., not later than Jan. 20, 1941, from states east of Colorado. The salary in each case is subject to a 3 1/2 per cent retirement deduction.
 The Junior Professional Assistant examination is, in reality, not a single examination but a number of examinations given at the same time. The examination, third of its kind to be given in three consecutive years, includes 19 optional

Speedball—

(Continued from page 3)
 a game is partly due to the fact that the rules are easy to learn and the play is not complicated. A brief resumé of the rules of Intramural Speedball follow:

INTRAMURAL SPEEDBALL RULES
The Game:
 Speedball is a combination of soccer, basketball, and football. Basically it is the game of soccer with the outstanding exception that the ball may be caught when it is caused to go into the air by striking or being struck by any part of the body of any player. When legally caught, the ball may be passed or punted.
 Play is started by a kick-off as in football. The game is a non-contact game, as is basketball.

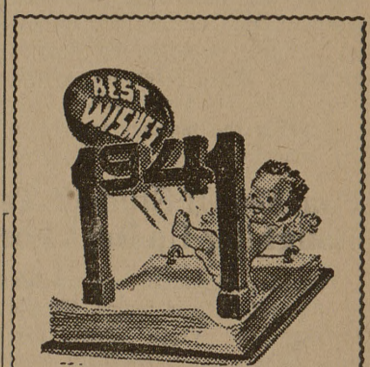

The Players:
 Eleven players make up a speedball team. A minimum of eight players is required to start a game.
Scores:
 Scores are made as follows:
 1. Field goal—3 points—made by kicking the ball between the opponents' goal post and under the cross bar.
 2. Touchdown—2 points—made by completing a forward pass over the opponents' goal line. The passer must be in the field of play and the receiver in the end zone. If either of the two is touching or straddling the goal line, the score does not count.
 3. Drop kick—1 point—made by dropping kicking the ball, from the field of play, between the uprights and over

the cross bar.
 4. Free kick—1 point—made by kicking the ball, from the penalty line, between the uprights and below the cross bar.
Violations:
 It is a violation to:
 1. Run with the ball.
 2. Touch a ground ball with any part of hands or arms.
 3. Make two successive overhead dribbles.
 4. Cause the ball to go out of bounds. Penalty for violations is, as in basketball, the loss of the ball to opponents. The ball is put in play by the offended team passing it into the field of play from out of bounds, unless the violation occurred in the players' penalty area, in which case one free kick is awarded. A ball that goes out of bounds over the end zone may be put into play by passing, punting, drop kicking, or place kicking.
Catching the Ball:
 Any player may catch the ball while it is in the air, provided that the last thing it touched before going into the air was any part of any player's body. Note: If a player causes the ball to go into the air and then catches it himself he must not touch it with his hands until it is above his knees. When a player catches a ball he may punt it, pass it, drop kick it, or make one overhead dribble.
Running With The Ball:
 As in basketball, running with the ball is prohibited. A player, while in possession of the ball, may take only one step unless he received the ball while running at full speed, in which case the referee will judge whether or not the player stops or gets rid of the ball as quickly as possible.
Personal Fouls:
 It is a foul to:
 1. Charge an opponent.
 2. Hold an opponent.
 3. Trip an opponent.
 4. Use any unnecessary roughness.
 The penalty for personal fouls shall be one or two free kicks and/or disqualification.
 1. One free kick is assessed for any foul committed on the field of play.
 2. Two free kicks are assessed for any foul committed by a team in its own penalty area, between the goal line and the end line, and the adjoining end line.
 3. Disqualification may be assessed by an official when he thinks a player is unduly violating the spirit of the game.
Free Kicks:
 1. Free kicks are made from a point on the opponents goal line directly in front of the goal.
 2. The goal may be guarded by only one man. The remaining members of both teams shall line up along the end line on each side of the goal.
 3. A blocked free kick remains in the play only if the foul for which the free kick is given, occurred within the penalty area of the offending team.
 4. In the case of two free kicks, the first kick is dead whether made or missed.
Tie Ball:
 The ball shall be tossed up between any two opponents that have equal possession of the ball.
The Toss:
 1. The winner of the first toss shall have the choice of kicking, receiving, or direction. The loser of the toss shall have the same choice at the beginning of the second half.
 2. The winner of the second toss shall have the choice of playing with or without shirts.
 3. Goals shall be changed at the end of the first and third quarters. The ball shall be put in play at a point corresponding to the point which the ball occupied when the quarter ended. The ball shall be thrown in from out of bounds by the team that possessed it at the end of the quarter. If no possession was evident, a jump ball shall start the play.
Substitutions:
 Substitutes may enter the game when the ball is dead by reporting to the

scorer and to the referee. A player substituted for may not re-enter that quarter.
To The Timekeeper:
 1. A game consists of four four-minute quarters.
 2. One minute of rest between the quarters and five minutes between the halves.
 3. The watch shall be stopped when:
 (a) scores are made
 (b) time out is called by either team or the referee
 (c) fouls are called
 (d) substitutions are made.
 4. The watch shall be started on the referee's whistle to resume play.

Harry Slattery, national administrator for the Rural Electrification Administration, has written a book titled "Rural American Lights Up."

Claudius T. Murchison, president of the Cotton Textile institute, says it is futile to hope that this country can solve the cotton problem through export trade. The only hope is to utilize surplus cotton at home.

It happens everywhere—
Chesterfields
give smokers what they want

MARY JANE YEO and JO ANN DEAN
 of New York's Skating Hit "It Happens on Ice" at the Rockefeller Center Theatre

It's the cooler... better-tasting milder cigarette
It's called the SMOKER'S cigarette... Chesterfield... because it's the one cigarette that gives you a COMPLETELY SATISFYING smoke.
 You try them and find them COOL and PLEASANT. You light one and find they really TASTE BETTER. You buy pack after pack and find they are MILD.

Do you smoke the cigarette that Satisfies... it's the smoker's cigarette
