**Rice Owls Hot In Win
Over Ags; Arkansas Next**

Saturday night saw the Aggies jump into the fire as they ran up against the Rice Owls. On top of that Frank Carswell, five foot eleven inch guard from Houston, seemed to be the hottest coal of the fire box.

Carswell missed the scoring record of Kirkpatrick set while playing for Baylor in 1936 and against

**Maroons And
Whites Have Hard
Practice Sessions**

Both Virgil Jones' Maroons and Charlie DeWare's Whites have narrowed down to playing size teams now and hard practice sessions are under way for the approaching charity football game Sunday.

The Maroons, made up of men from Corps Headquarters, Engineers, Infantry, Chemical Warfare, and Signal Corps, will throw on the field a heavy power house of offense. They started work last Saturday and held their second session Sunday.

With a line averaging 200 pounds, the Whites will have a lighter backfield and will depend upon speed, passes and a bit of deception. Friday saw them get an early start but rest was called for Sunday. Yesterday afternoon they started out strong again with study on plays on the calendar.

Jimmie Parker, manager of the varsity football team, has taken over the duties of property man. Yesterday afternoon he was swamped with the job of issuing the uniforms to both teams.

Pete Wehner, student commander of the band, has announced that the band will enter the gates as a whole but will split into the Field Artillery Band and the Infantry Band and each take their respective seats after playing the "Spirit of Aggieland."

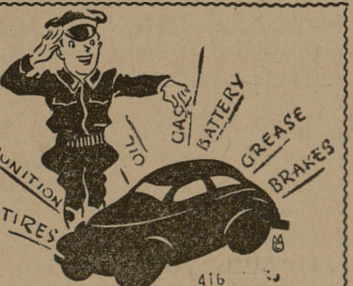

Friday the two coaches and a few of their players will be interviewed on the clambake over WTAW.

the Rice Owls by only one point. He was out of the game six minutes. With this precious time he could have easily run the record much higher.

Friday the Aggies will jump again from the fire box as they meet the high towering Arkansas Razorbacks far up in the ozark hills. The hogs have claimed two games from the Texas Longhorns, 50 to 38 and 44 to 34. These two came this past week-end after the tea sippers had defeated the Rice five 48 to 37.

John Adams who as a sophomore led the league in the scoring race but had to drop out last year due to a broken foot will be the threat of the Razorbacks. So far this year he is second only to Carswell.

**Vaughn and Thomason Elected
Co-Captains of 1940 Football Team**

Tommie Vaughn and Jim "Tommy" Thomason were elected honorary co-captains of the 1940 Texas Aggie football team—the team that on New Year's Day in Dallas signed "Finis" to the two year record unequalled by any other conference team.

Their high school days found both of them on the same eleven—both hailing from Brownwood, Texas. They have roomed with each other for the four years here and are both called by everyone "Tommie". Vaughn who surpassed many squadmen and veterans to win his starting spot last year added much to the fire of the Aggies with his constant firing up of the line.

Thomason led the way on most of the long runs and picked up many yards for his own credit in

the few times he carried the leather.

At the same meeting held in the study room of Dormitory 12, Howard Shelton of Hillsboro, also a center was elected president of the "T" Club. For three years Shelton has played third and fourth string ball but every day has seen him scrapping it out on the practice field.

Other officers of the club elected include Joe Rothe, backfield man from Hondo, vice president; and Jimmy Parker, team manager from Garland, secretary and treasurer; and, Bill Dawson, end and basketball captain, sergeant of arms.

The date of the annual football banquet has been set for January 24.

**28 Lettermen Named
From SMU Grid Team**

The athletic council of Southern Methodist University, in session last week, named 28 boys as varsity lettermen for the just completed season. The council also approved freshmen numerals for 21 first-year gridsters.

Varsity lettermen were Bob Bacacus, Glyn Beesley, Eddie Bianchi, Clarence Booth, Lynn Bostick, Robert Brown, Johnnie Clement, Wayne Campbell, Robert Collins, Stanley DuVall, J. R. Fawcett, Roland Goss, Fred Harris, Orville Johnson, Preston Johnston, E. L. Keeton, Clinton McClain, Bob Maddox, Ray Mallouf, Will Mullenweg, Jack Myers, Joe Pasqua, Ray Pope, Ted Ramsey, Hoyle Sims, Kelly Simpson, Gus Tunnel, Horace Young, and Lewis Wilson (student manager).

the picture now and then.

The charity games comes up Sunday and a good contest is promised by the coaches.

On the Texas-Texas Aggie game in Austin last year we've read the following:

"Several of our colored citizens were disappointed because Texas University beat A. & M. Thursday. I was glad, and didn't mind saying so. The Aggies, in general represent the poor class of white people; the boys from Austin are usually the cream of the crop. It doesn't take any dissention on the subject to bring out the point that the Negro has more to hope for from the better class, so, whenever the two types meet, I'm always for that group."

The above was taken from some L. I. Brockenbury's column in the "Informant", a Beaumont paper for the colored.

You can draw your own conclusions.

Coach Homer Norton will be the principal speaker at the second annual Oil Belt football banquet in Brownwood Saturday.

Twenty-two all-district players will be the honored guests. Some 350 Brownwood business men are expected to attend.

With Coach Norton will go the two newly elected co-captains, Tommie Vaughn and "Tommie" Thomason.

On the bench occupied by the Fordham Rams sat one Joe Sabateanski (you pronounce it), sophomore center and understudy for Lou De Filippo, for sixty full minutes of the game. Twice he left the bench—once at the end of the first half to go to the dressing room; the other at the end of the game to dress.

When presented with his watch he seemed honored very much. He had come a long way to only sit and watch what he thought was a

**3rd Hq Field Artillery Cops Top
Honors in Rifle Shooting Competition**

By Mike Haikin
3rd Hq. Field Artillery came through in fine style to take top honors in the rifle firing contest with a score of 474. Second place went to C Cavalry with 469. Hq. Signal Corps and A Engineers tied for third and fourth place with a score of 467. Fifth place honors went to A Cavalry with a score of 464. Top individual honors were copped by Garth of E Engineers with a fine score of 98.

FORFEIT DOGHOUSE

4th Corps Hdq.
A Infantry
H Coast
3rd Hdq F. A.

Forfeits hurt all of us, so why not turn out for the games and give us all we've got for our outfits.

Football and water polo dominated the Class A intramurals as the first session of the school year is climaxing to a halt. Some fast and thrilling games were reeled off on the gridiron. 3rd Hdq. Field Artillery got by H Coast 6 to 0. G Coast and E Field Artillery ran rough shod over D Engineers and A Signal Corps, respectively, by scores of 22 to 0, and 28 to 0. In one of the feature games of the day, A Coast shaded C CWS 12 to 7, to cop their league.

I Field Artillery held mastery all the way in their water-polo game with G Infantry as Inglefield pumped in three goals to lead his team to a 3-0 victory. In the other games, C Cavalry ran over F Engineers, 4 to 0; F Coast shaded A CWS, 1 to 0; C Coast eked out a 2 to 1 victory over the Infantry band; and E Engineers thumped D Infantry as Pace and Flowers each accounted for two points.

In the only tennis match of the day, B Coast came through to take care of F Field Artillery, 2 to 0.

Pingpong wholly dominated Class B Intramurals, with volley-ball taking the spotlight here and there. Three games of volleyball were played over the weekend as F Field Artillery downed K Infantry, 2 to 0, B Infantry nosed out A CWS 2 to 1, and B Field Artillery defeated 3rd Hdq. Field Artillery 2 to 0.

The celluloid ball took a terrific hard game to loose.

His biggest shock however was yet to come. Upon taking his tinker to a jeweler, it was turned back. That name was too long to put on the back.

**Holidays Reduce
Life Saving Class**

Christmas holidays knocked the Red Cross Life Saving Class into a group half the size as it appeared previously.

Eleven boys met at the pool Saturday night to grid their way through the Senior Life Saving requirements. Ten of these came out from under the fire with clean records.

**Team Leaves For Fayetteville Wednesday;
Will Arrive In Time For Practice Thursday**

Two weeks of playing with fire-stands six feet two inches tall and is therefore the shortest regular starter on the squad.

Only one team has downed the Hogs. This was the strong Phillips 66 five of Bartlesville, Oklahoma. "To win the Aggies will have
