# Chesterfield's

MILDER, BETTER TASTE

To the keen interest of the thousands of men and women who visit our Chesterfield factories, we owe the idea of publishing the book, "TOBACCOLAND, U. S. A." It is a comprehensive picture story about the growing, curing and processing of tobacco, telling you why Chesterfields are MILDER, COOLER-SMOKING and BETTER-TASTING.

We are proud of the hundreds of letters from smokers like yourself who have seen "TOBACCOLAND, U. S. A." Many have asked us to send copies to their friends. We would take pleasure in sending you a copy—just mail your request to Liggett & Myers Tobacco Co., 630 Fifth Avenue, New York, N. Y.

Do you smoke the cigarette that Satisfies... it's the smoker's cigarette

Capt. JOHN M. MILLER, America's No. 1 autogiro pilot and pioneer of the world's only wingless mail plane route between Camden, N. J. and the Philadelphia Post Office, is shown here enjoying Chesterfield's new interesting book "TOBACCOLAND, U. S. A."
