Last Chance To Honor Famed Texas Aggies Tomorrow Nite

Tomorrow night in Sbis Hall the Aggies who in the past two years have carried the name Texas A. & M. to every corner of the nation and to many foreign lands will be honored at the annual grid dinner.

Many of these boys are closing out seven and nine years of football, having played in high school, junior college and here at A. & M. Their praises have been sung time and again. This will be our last chance to pay them the honor they so rightfully deserve.

Bears Invade Aggeland To Close Aggies Out of Upper Bracket Race

Game Will Be First Of Current Conference Season Played at Home

The Texas Aggie basketball quintet will be going after their initial win in conference play Saturday night when they tangle with the Baylor Bears in the DeWare Field House. This will be the first showing of A. & M. for local fans and the Aggie Cadet Corps for 1941.

Bringing a fast and versatile squad to Aggeland, Baylor will meet A. & M. closer to full strength than ever before this season. Captain Bill Dawson and Big Bill Henderson, Cotton Bowl participants, are rounding into their old form and with them hitting the loop in the manner of which they are capable, A. & M. should be on even ground with the Bears.

Six lettermen grace the roster of the Bruins and these veterans are backed by several squadmen of known ability. Heading the list is Grady Vaughn 5'9" guard weighing 165-pounds and playing his last year. Vaughn is also captain of the team along with Frank Bryski 6'4" center who tilts the scales at 200 pounds.

Bryski a senior is from Chicago, Illinois. Joe Terry, Whitehouse,

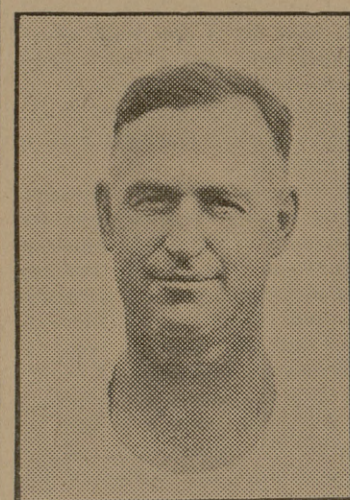

S.M.U. Mustangs turned back the Longhorns 43 to 36.

They came back from the start of the second half to overcome the two point lead and to slow up Carswell and Closs for the winning honors.

Baylor University invades College Station Saturday night to shoot the works and set the Aggies down another notch.

Two of the Bears have great form and show floor work hard to be equaled by other cagers of this section. Joe Frivaldsky and Frank Bryski, both from Chicago, Illinois, furnish the speed and attacking point of the Baptist.

Cage Coach

"Hub" McQuillan

Texas, two-year letterman is the other senior on the team and his 6'2" 195-pound frame plugs a lot of territory in the forward position.

Center Joe Frivaldsky, forward Dub Walters, and Guard Dwight Parks round out the lettermen. These three men are juniors. Pacing along with them will be diminutive Jack Wilson, Baylor football and rack sar, who sands a 5'6" and weighs a perfectly proportioned 192-pounds. Wilson is fiery and a great sporsman. Because of his injury in a Colorado tilt, Baylor suffered a disastrous season.

A. & M. is slated to start Duncan, Jarrett, Henderson, Dawson, and Stevenson, but other players are due to see action. They have been working on a fast breaking game and their speedy type of play will set both teams up with a chance at victory, because Baylor will be at top with training and performance.

T Club Presents Cotton Bowl Game As Benefit Picture

The Aggie "T" Club will hold its annual benefit show Sunday, with the Cotton Bowl and Rice games being the feature attractions. This announcement was made by Howard Shelton, varsity center, and president of the "T" club.

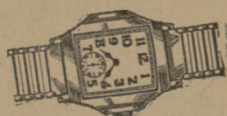

Interest will be held in both the Cotton Bowl and the Rice fray. In the latter game, the Aggies drubbed the Owls 25 to 0. Another vital interest as far as the cadets are concerned was the record pass snatching set by Bill Henderson. Just seeing the "Jitterbug" going about 3 feet off the ground should be worth the price of admission.

The Cotton Bowl supplied the Aggies their toughest opponent of the season in the presence of the Fordham Rams. This game was missed by a number of students and should prove interesting to those who even witnessed the tilt.

The show will start at 1 o'clock with the price of admission being only 15 cents. Immediately following these football pictures, a free show will be held.

Close Games Mark Quarter-Final Playoffs in Class A Football Race

By Mike Haikin

The quarter-finals in the football playoff saw some close and thrilling games reeled off, as the different teams continued their fight for that coveted football crown. E F.A. scored a 20 yard penetration to oust B Signal Corps from the playoffs. In other hair-raising matches, the Infantry Band came through with a 6 to 0 victory at the expense of Hd. Signal Corps while G Coast scored a touchdown and a safety to nose out 1st Hdq. F.A., 9 to 6.

We hear that they have some so-called athletes in B Troop. If so, why don't they prove it and come out for these intramural games.

Water polo has had some close games recorded as B Coast and A CWS scored a 2 to 0 victory at the expense of I Infantry and C F.A. respectively. In the other game D Engineers took a thriller from D Infantry, 2 to 1.

The Chemical Warfare Service fully dominated the tennis courts as B and C CWS came through with clear-cut victories. B-CWS scored two wins, one at the expense of B Coast, 2 to 0, and the other, a close 2 to 1 score over A Signal Corps. C-CWS shaded A Cavalry, 2 to 1.

Speedball saw some fast and thrilling games as the winners literally slaughtered their opponents. In one of the feature games, F Engineers ran all over the field to earn a 19 to 1 victory over A Coast. That is one of the biggest speed ball scores in many a year. In other games, C Coast overwhelmed H Infantry, 10 to 3; 3rd Hdq. blasted out a 8 to 3 victory over F F.A.; 1st Corps Hdqs. handed F Infantry a 12 to 7 setback; while M Infantry won everything but the ball in their 16 to 5 win over E Coast. In the only close game of the day, Hdq. Cavalry got by L Infantry, 9 to 6.

Ping pong continued to dominate Class B Intramurals with scores of 3 to 2 and 4 to 1 being the only ones recorded. In the former class, the following games were reeled off: C Coast over B Signal Corps, Hd. Signal Corps shaded C Cavalry, A Signal Corps defeated D F.A., and G Coast eked out a win over 3rd Hdq. F. A. In the latter class, A CWS came through with a win over 1st Hdq. F. A.; and H Infantry romped to a victory over I F. A.

Wildlife Picture Presented Friday By Fish and Game Club

Coming to the Assembly Hall screen Friday night will be an outstanding short on wildlife, soil conservation, and forestry called "The Heritage We Guard." This film will prove to be of much interest to the cadet audience and it is resplendent in natural color.

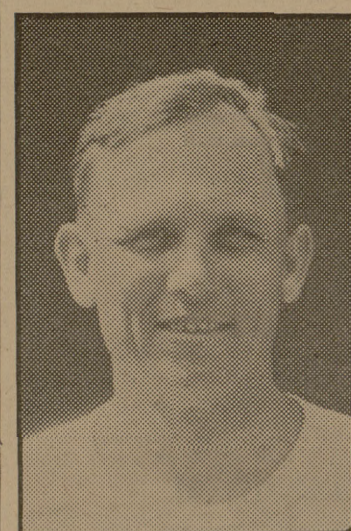

The show, presented by the A. & M. Fish and Game Club, will also have as a feature "My Favorite Wife." This show is full of laughs with such a short as "The Heritage We Guard" on the program.

Science is resourceful; it couldn't pry open Pullman windows, so it air-conditioned the train.

Paralysis Fund Begun at College

A drive to obtain funds for the yearly infantile paralysis contribution for College Station was recently started by Mrs. Ann V. Smith, postmaster of College Station.

Coat lapel pins, symbolic of the dire need for infantile paralysis prevention in the United States, may be obtained at present for ten cents each at the main post office at the north gate. An effort is being made to place the pins on sale in the various dormitories, cafes, etc., so that those students wishing to purchase them and living in the new dormitories and other places distant from the post office will not be inconvenienced in obtaining them.

As a rule the United States Post Office Department does not give its approval or sponsor drives of this nature but this particular drive is of such a worthy cause that it has given its full consent and is sending the pins to all the post offices in the United States to be placed on sale.

All the pins must be sold before the President's Ball, which is also a means of obtaining funds for infantile prevention, to be held on January 30.
