NOTICE TO DOG OWNERS
 The City Ordinance requiring all dogs to be vaccinated against rabies and properly tagged with a City dog license tag, will be strictly enforced from this date, January 24, 1941.
 The law enforcement authorities, both on and off the campus, with the co-

operation of the Veterinary Hospital will pick up and confine all dogs not properly tagged.
 Owners whose dogs may be picked up can find them at the Veterinary Hospital within four days. Any dog not claimed by the end of the fourth day, will be destroyed.
 Owners may repossess their dogs by having them vaccinated for rabies and by obtaining a dog license tag at the City office. Authorization will be issued at that time for the return of the dog. The owner will pay 25c per day for each day the dog is kept in the hospital.

ORDINANCE REGULATING CONNECTIONS TO THE SEWER SYSTEM

Be it ordained by the City Council of the City of College Station, Texas:
 Section 1. Every owner of a building or part thereof occupied by people for any purpose, any part of the day or night, situated on any city block in the city, where a public sewer is laid and maintained within 150 feet from the nearest lot line on which said building is located is required to install within said building or part of building a water closet or water closets and have them connected to the sewer. Owners of building coming within the terms of this ordinance and located on acreage tracts shall be required to install a water closet or water closets and connect same to the sewer if the said building at its nearest point is within 250 feet from the sewer. Said water closets shall, when required, discharge into a septic tank which shall in turn discharge into the sewer.
 Section 2. All workmanship and materials used in installing water closets required under this ordinance shall comply with the requirements of the City Plumbing Ordinance.
 Section 3. Written notice shall be given by the plumbing inspector to property owners violating Section 1 of this ordinance, said notice to inform the property owner that the water closet shall be installed and sewer connection made not later than sixty days after date of the notice.
 Section 4. Contractors and others who employ workmen outside of buildings shall provide water closet facilities acceptable

to the plumbing inspector, within twenty-four hours of time of notice of such requirement. Said facilities shall be maintained in sanitary condition.
 Section 5. Any person, firm, or corporation who shall fail to comply with, or shall violate any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding fifty dollars (\$50.00) for each offense, and any day that any person, firm, or corporation shall maintain a condition that is in violation of any provision of this ordinance shall be deemed a separate offense.
 Section 6. It shall be the duty of the plumbing inspector to file complaints in the city court against all violators of this ordinance as the expiration of periods set forth in the notices mentioned in Sections 3 and 4.
