Aggie Cagers Play Home Games Here Next Week Against Horned Frogs and Mustangs

With a win over the Horned Frogs by two points and a 43-39 loss to the Mustangs, the Aggie cagers bring the game closer to home next week with the Frogs scheduled for the floor Monday night and the Ponies for Tuesday night.

We're wondering as to whether or not the two points Sammy Dwyer sank were the winning two for the cadets. Cokinos missed this game—why? Your reasons are probably better than mine. Maybe

little men still don't get the call.

Robbing Billy Sansings "Seen" Sports, we find a story worth telling while we still have the past two football records in headlights.

"The Christians (referring to the Texas-T. C. U. cage game), as per usual, were getting walloped, but they thought they were getting the short end of the foul-calling too. So, when a particular foul was called on a Frog forward, one of the subs yelled at Dusty (Bog-gess):

"If this keeps up, we'll have to use football players!"

To which Bog-gess reported while in full flight down the floor, "You can't; you haven't got any!"

"And the heckler was silent . . ."

Aggies Edge Out Horned Frogs 52-50

TCU Thriller Is First Game Of 2nd Semester

Dawson and Henderson Capture Scoring Honors As Dwyer Stars on Defense

The Texas Aggie basketballers continued their winning ways when they drubbed the cellar-dwelling T.C.U. Horned Frogs, 52 to 50, Tuesday night at Fort Worth in a thriller that was filled with action and speed. It was the first tilt in the Aggies' swing around the northern sector of the state.

Captain Bill Dawson and lanky Bill Henderson showed their offensive zeal to a great advantage as both copped the scoring honors for the day with a dozen points apiece. Sammy Dwyer, making his initial appearance on the hardwood floor, played a great defensive game. Barron and Groseclose were the sparkplugs for the Frogs, scoring 11 and 9 points respectively.

The Aggies piled up an early lead, which they relinquished but one time. Led by Henderson and Dawson, the cadets went into a 22 to 16 lead at the half-way mark. The story was different during the second half, however. The Frogs started hitting the basket, and near the end of the third period were deadlocked with the Aggies at 37-all. From there on, it was a wild affair. T.C.U. bounced in a field goal and a free throw to take a lead of 40 to 39. However, the cadets forged ahead again with a series of baskets. With the game nearing its crucial stage, Henderson pumped in a crisp shot to make the score 52 to 48.

Two free throws by W. G. Blackmond and L. A. Monrow made the count 52 to 50, but the Aggies held the ball, taking it out of bounds twice in the last minute and a half of play.

Karow Issues First Call for Varsity Baseballers

First call for varsity baseball players was issued yesterday by Coach Marty Karow.

Southwest conference ruling holds team practice until after March 1, but team candidates will meet in the training room of Utay Hall (Dormitory No. 12) at 7:30 p.m. tonight for their first black-board talk.

All those interested in trying out for the team should make it a point to attend this meeting.

Not satisfied with these two he lowered the world's indoor 45-yard event one second, running over the high sticks at 5.6 seconds.

Word from "Forty Acres" comes that he and Boyce Gatewood, the Longhorn star who pushed Fred all through his southwest competition, will run a special event at the Texas Relays.

Texas Golden Gloves Champions have been declared, Texas University and Allen Academy fought to a draw—and still the cadet boxers sit around and just talk about the sport.

Mid-term grades and exams played a part on freshmen trackers. Kennemer, who claimed the high hurdles in the state meet last year, Labus, who won second in the 440 year before last, and McGlothlin who ran the lead in the mile year before last—all took their leave of the cinders.

The varsity team came out much the better.

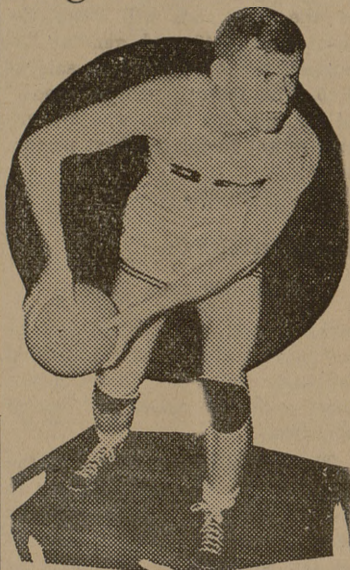

Early this week on a speedy run to breakfast, Ralph Henderson turned his ankle and will be off for a few days rest.

Dallas Boasts Four Ex-Aggies as Members Of Their Water Polo Team

Smarting from a close four-point defeat at the hands of the Dallas Athletic Club swimmers in Dallas February 8, the Texas Aggies clash with them in a return meet at P. L. Downs Jr. Natatorium next Saturday night.

The D.A.C. boasts four ex-Aggie swim stars as members of their water polo team in Joe Cockerall, Cecil Crow, Chick Denny, and Ty Hall. These boys help make up the swimming team as well as playing the water game.

Bob Taylor set a new record in the 220-yard free style by covering the distance in 2:21.5, while Phil Montgomery clinched the 100-yard breast stroke in record-smashing time of 1:7.3. Harold Hensley took the 50-yard free-style with a record smashing 23.2, and Johnny Smoot of the D.A.C. crumpled the record for the 100 yard back-stroke with a fast time of 1:9.2.

A. & M.'s 200-yard relay team composed of Davis, Taylor, Hensley, and McKey chalked up a new mark by working together for a 1:40.9.

This splash contest should bring plenty of excitement for the fans and competition for the Aggies, as the Dallas Athletic Club will be hustling all the way to snatch a second victory from A. & M.

Coach Adamson has been drilling the Aggies in every phase of water polo in an attempt to build a team that will parallel the great Aggie teams of the past few years. Rough places have been smoothed and A. & M. can put a clicking combination in the water. Taylor has speed and ability while the other boys do everything necessary to put a club on top of the heap.

This is the first showing of the swim team at Aggieland for 1941 and they tangle with a talented group in the Dallas Athletic Club. All races were tight in the February 8th meet and indications are that either team is able to swim away with a hard-earned victory.

Houston A. & M. Club Party Set for Sunday

The Houston-Harris County A. & M. Mothers Club will have its annual cooky shower from 3 to 5 p. m. Sunday, Feb. 16, in the banquet room of Sbis Hall.

Mrs. L. C. Downe, entertainment chairman, is bringing Boots Manery and her all girl orchestra to furnish music.

All Harris County boys are invited, President James R. Lane said yesterday.

More than 900 men and 300 women students at the University of Kentucky are earning part of their college expenses.

Fish Basketball Schedule Announced For Second Semester

The cage schedule for the Aggie Fish has been completed, with the possible exception of one game, according to Manning Smith, freshman basketball coach. Their initial

game was played last night at the Bryan High School gym.

Only one pre-season game has been played by the Fish to date. They dropped it to the Beaumont High School Royal Purples, who accounted for 16 out of 21 free throws to cop the tilt.

Here is the schedule as announced this week:

- Feb. 17 Rice Slimes at Houston
- Feb. 19 Allen Academy at College Station
- Feb. 22 Rice Slimes at College Station
- Feb. 27 Texas Yearlings at College Station
- March 4 Texas Yearlings at Austin

football games are being eliminated this week and plans call for a clean up-to-date schedule Monday when the regular games start.

In addition to the games already scheduled for the coming semester, Volleyball and Horseshoe pitching are coming up in Class A and handball, tennis, water polo, and horse shoe pitching are slated to begin for the freshmen.

Allen Comes From Behind to Defeat Fish 57-43

By Mike Haikin

Coach Manning Smith's Aggie Fish team suffered their second straight defeat of the season last night when the Allen Academy Ramblers broke loose with a barrage the second half to bury the valiant Fish 57 to 43. Before then, however, it was a nip and tuck battle, accompanied by speed and precision.

Sparking the Ramblers to their hard-earned victory was Sherrill Martin, a lad of a six feet and two inch frame, who accounted for a total of 29 points. This was one of the record scoring sprees in the history of the Allen-A. & M. Fish meetings. Davis also showed some spark and hustle for the Ramblers as he accounted for 13 points.

Coach Smith evidently uncovered a very promising cage star in Webb, who made most of his 14 points in a one-handed fashion.
