

# Aggies Down Horned Frogs By 48-45 Score

## Hard Playing Mustangs vs Determined Ags. Here Tonight; Swimming Team to be on Top

Back come the Mustangs to College Station.

Last year on the football field they put grey hair in many a head. On the cage court they turned back the cadets 46 to 39.

The Aggies have already dropped one to the North Texas team but will be out to even the score.

A trip to Houston, a contest with the Rice Owls last night, and the trip up today should prove too

much for them. The call goes to McQuillen's charges in this one.

It's a strange story—Saturday night the Aggies and the Dallas Athletic Club splashed water high in Downs, Jr., Natatorium, but the rest of the state has yet to hear the report.

Harold Hensley and Bob Taylor should lead the Aggies to their first conference win in a good many years.

Harold lowered his pool record in the 100 yard free style and dropped the 50 yard free style pool record.

Bob lowered the conference 220-yard distance race and swam a fast 440.

After the meet was over, the water polo team let their own coach Art Adamson play against them with the knowledge of their tactics and still topped the Dallas Club.

Uncle Billy Disch will not coach the University's diamondmen this spring, and many baseball men the conference over will breathe a sigh of relief.

Texas should still have the team to beat and will have the guidance of one who made one crack at Aggie land but never made another, Bibb Falk.

Medals and team pictures will be given the players of the first benefit football game sometime late this week, it was learned late yesterday.

At the same meeting checks will be presented to the Student Aid Fund Committee and the local Board of the British Relief Fund. (Continued on Page 4)

## Dawson Is High Man With 21 Pts

### Frogs, Deep In Cellar, Have Yet To Break Win Column

By Hub Johnson  
Big Dog Dawson shot 'em wide, far, hard and close last night to ring up 21 points and lead the Aggies to a 48 to 45 win over the T.C.U. Horned Frogs, keeping them on the inside of the cellar door.

Throughout the first half both teams played loose ball with poor floor work slowing up the game.

The Aggies took an early lead and held it throughout the first period with the score standing 22 to 20 at the half.

Back came the Horned Frogs at the start of the second, determined to make the two point lead of the Aggies change hands and mark up their first in the black column.

With a three point lead over the cadets the Christians slowed down a bit and Dawson started again on his scoring spree.

Bannon topped the Aggs with a long shot but Henderson came through with a free throw to top the score 27 all.

From then on the game belonged to the cadets though the score grew as close as three points when Monroe eeked in a close one to count 43 to 40.

Time and again mother luck robbed both teams of field goals as the ball circled the basket two three and even four times only to fall to the rafter-reaching players.

The closing minutes saw the Frogs try in vain to overtake the Aggies again but Dawson, Henderson and Dwyer held on to the lead.

## Basketball Team Tangles With SMU For Second Game In As Many Days

### Victory in DeWare Field House Depends on Stopping Sebeck and Baccus of SMU

Coach Hub McQuillen's Texas Aggies continue to be hosts to northern clubs, with the hefty S. M. U. Mustangs being the guests tonight at the DeWare Field House. The cadets will attempt to square the series at one all, as the Mustangs lambasted them to a tune of 43 to 37 in their previous encounter.

The outcome of the game for the Aggies will largely depend on their ability of halting the Mustangs' speed merchants, Johnny Sebeck and Rusty Baccus. This combination has clicked numerous times this season, especially against the Rice Owls and A. & M. Virgil (Country) Wilkerson, who led the league in scoring last season, is another one whom the Aggies should not overlook. Once he gets hot, there is no stopping "Country." Bryan Lloyd and Grover Keeton are the other members of the Pony five.

Meanwhile Coach Hub McQuillen will counter with the same starting lineup that gave the Aggies their only two wins. It will be Henderson and Jarrett at Forward, Dawson at center, and Stevenson and Nabors at guard. Sammy Dwyer, who just attained his eligibility at midterm, will also see some service.

With the Southwest Conference basketball virtually socked up by the undefeated Arkansas Razorbacks, the battle for second place becomes the main issue of the race. Only the lowly T. C. U. Horned Frogs do not retain even a mathematical chance for the No. 2 spot. The rest of the teams, with the exception of the Texas Aggies, have an equal chance to grab off second place. The cadets' only chance is by sweeping the rest of their schedule, which is problematical.

## Quarterback Club Sees Thanksgiving, Cotton Bowl Pictures

The College Station Quarterback club will offer "bad news" and "good luck" in the A. & M.-Texas and the Cotton Bowl Football Games at its annual benefit show Thursday night in Guion Hall according to Jimmy Parker.

Proceeds of the show will be turned over to the T. Club.

Texas will have the same team returning next year and these pictures will offer another look at what the state school will have to offer for the league honors.

## Swimming Team Hands 41-34 Defeat To Dallas Athletic Club in Meet Here

### Adds Insult to Injury With 9 to 1 Squelching In Water Polo Encounter

After snatching a victory over the Texas Aggies at Dallas, February 8, the Dallas Athletic Club attempted to make it two in a row, but found the same ordeal waiting for them at the P. L. Downs Jr. Natatorium, when the cadets blasted them into submission in a swimming meet held here Saturday night, 41 to 34. As a climax to the meet, the Aggies added insult to injury by drubbing D.A.C. handily in a water polo match, 9 to 1.

Bob Taylor, dynamic Texas Aggie sophomore, and Harold Hensley copped individual honors for the night, as both proved to be thorns in D.A.C.'s side. Taylor set up new records for the natatorium in the 220 and 440 yard free styles. In the former one, he came 5.2 seconds under the conference record held by Beeler of Texas University, while in the latter one he came 1.5 seconds under the conference record held by Brazwell. Hensley came through in fine fashion in the 50 yard free style at 24 seconds, which is only .5 second under the pool record held by him. In the 100-yard free style his time of 55.1 seconds is two seconds under his own pool record.

The D. A. C. swimmers battled hard and never gave signs of giving up, but the Aggie tankers were out for revenge and weren't to be denied. However, D. A. C. outshone

the Aggies in a number of events including the medley race, 100-yard back stroke, and the 100-yard breast stroke. Carrying most of the burden for the Dallas swimmers was Smoot whose time of 1.10 in the 100-yard backstroke was barely short of his record.

As a final climax to the meet, a water-polo game was played in which the Aggies had easy sailing all the way. The score was 9

## Tomorrow Is Opening Nite For Wrestling

By Mike Haikin

Tomorrow night has been designated by the Intramural Department as the opening night for wrestling as all pairing have been completed for that time. All wrestlers and so-called wrestlers weighed in Saturday afternoon.

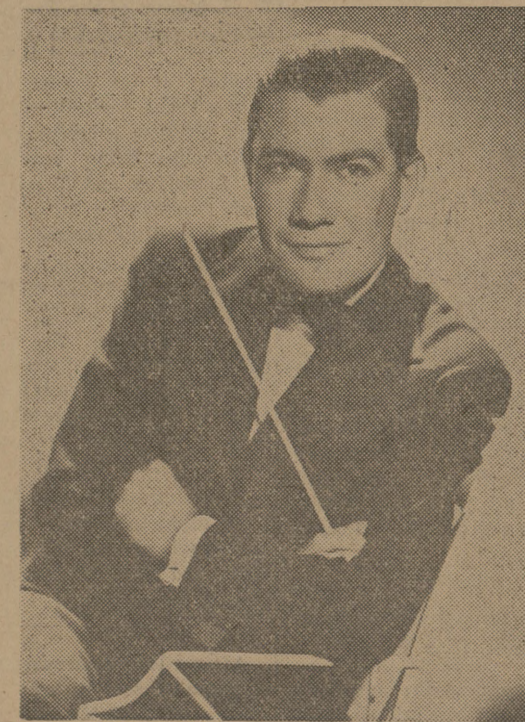

In the next few days, volleyball and horseshoe pitching will be the main issues for Class A intramural. Some postponed speedball games also will hold some interest to the upperclassmen. The freshmen intramural program will be cluttered with handball, water polo, and horseshoes.

Only three games were scheduled over the weekend, but two of them suffered forfeits. In the only game of the day, Hq. Field Artillery eked out a 6 to 5 victory over Infantry Band on the speedball field.
