

## A&M Will Close Cage Season Tonight With Longhorns in Austin

Steer Victory Will Give Texas Third Place in SW

Tonight in Austin the down-trodden Texas Aggies carry their ever determined fight to Forty Acres to close the season with the Texas University Longhorns.

A victory for the Steers will give them an undisturbed hold on the third place runner, Arkansas and Rice having completed their schedule and taken the first two places. A loss will throw them in a tie for the show place with S. M. U. and Baylor.

Four of the Aggie cagers will play their final minutes.

Team captain Bill Dawson who has led the cadets through the season with his downfloor breaks and his one hand shots from every point on the hardwood; Harold Duncan, six foot four rafter reaching from Kingsville; scrapping J. T. Lang who ran at center and pushed the team in a number of games; and Sammy Dwyer, the hard luck boy of the all-cagers—

all play their last. Here last week the Longhorns ran over the Aggies with a top heavy score.

The same five will start against the cadets tonight for the Steers, the five who complete their eligibility for the University. These include Granville, Hull, Houpt, Cooley, and Moore.

The varsity game will be preceded by a freshman game and both will be witnessed by member of the eight finalists teams in the Texas schoolboy championship race.

### Aggie Riflemen In Return Match With Team of TSCW

It's the Texas Aggies vs. T.S.C.W. rifle team in a return match at Denton, Saturday March 8.

Last year, the feminine sharp shooters attracted attention over the land when they downed the cadets in a shoulder to shoulder match here. However, this time no handicap will be accepted from the Aggies as was the case in their previous engagement.

This will be the initial contest for the Aggie Rifle team, while T.S.C.W. has already seen competition including its recent victory at the expense of the Dallas Rifle Club.

Some of the opponents that the cadets will face include Luella Mc-

## Deadline for Weighing-In of Boxers Is Set for Saturday at Six

By Bob Myers

Saturday, March 8 is the last day for boxers to weigh in for classification. All entries must be in by 6:00 p. m. on that day for both class A and B.

In order to avoid a conflict with the Town Hall program on March 12, the date for finals in wrestling has been moved up one day and will be held on Tuesday instead of Wednesday night as originally announced in this column.

Speedball, Horseshoes, Volleyball, and Wrestling are all

in full swing and will soon be laid aside until another year in favor of Track, Softball, Boxing, and Swimming. There are still some softballs and bats down at the Intramural Office for those organizations that have not been down to claim them. Much activity has been seen on the sunny days in this sport and everyone is apparently getting ready for the season.

Brians, Curtan, and Miller sparked a fast moving C Cavalry speedball team to a 9-0 victory over a B Chemical Warfare eleven with their quick breaking, decep-

### Saturday Is Designated as Fifth Sports Day

Opening Saturday afternoon will be Texas A. & M.'s fifth annual Sports Day, sponsored by the "T" association. With the main features taking place on Kyle Field there will also be a horde of other events which include a water polo game, intra-squad baseball contest, and a full time football game.

With spring practice ending March 12, the football game will be the last fray of the year. This occasion offers the cadets a chance to see two of A. & M.'s major sports, baseball and football in action. The baseball team has been working out since March 1 and this will be the first time the team has met any organized squad, the game being an intra-squad affair.

The water polo team will take on the intramural champions.

Other events in the offing are 50-yard dashes for the football players by position, kicking and passing drills, fundamentals and explanation of formations, and one or two plays.

The events of the day begin at 1:15 and most likely will be over by 5:30. All athletes and Homer Norton are expecting a large attendance and the "T" club promises that the spectators will have a thoroughly enjoyable time.

Manus, who shot top score in her previous engagement; Eugenia Stewart, who came off with second place honors in the meet; Francis Wall, Josephine Bullingham, Shige Nagai, Edna Schmidt, Gertrude Lyon, Jerry Lamar, and Irene Chamberlain.
