

# Boston Bees Defeat Aggie Nine 10-5

## Texas University Wins Swimming Meet 77-70 for Tenth Consecutive Season

### Aggies Annex Seven Of Ten Firsts; Steers Take Most of Remainder

After setting two new Southwest Conference swimming records and winning seven of the ten first places, the Texas Aggies came out on the short end of a 77-70 score in the Conference meet. Texas University won the meet for the tenth consecutive time on the strength of second, third, fourth and fifth places.

The two records were set by Harold Hensley in the 50 yd. free-style and Bob Taylor in the 220 yd. free-style. Hensley swam the distance in record time of 24 seconds flat to slide under the old time of 24.4.

Taylor's performance marked him the outstanding swimmer of the Conference as well as the meet. In addition to retiring Beeler, Texas, from the 220 yd. and 440 yd. free-style throne, he came in as the dark-horse winner of the 100 yd. backstroke event.

Highlight of the meet that brought the spectators to their feet was the breaststroke swim in which Beeler, Texas, and Montgomery, S.M.U., surged in to the finish line in what looked to be a dead heat. The officials, who were

on the spot, declared Beeler the winner and gave Montgomery a close second. Pontheux and Stephens came in third and fifth respectively for the Cadets.

In the 300 yd. medley relay, Conway, Pontheux, and Davis crossed the finish line first to gather in another for the Aggies. Another relay team composed of Stephens, Hensley, McKey and Renaud free-styled their way to a victory and were followed closely by the Mustangs.

At the close of the meet, Nell Jack, comely Aquaqueen from the University, presented twenty-three individual first and second place medals to twelve Aggies, eight Longhorns, and three Mustangs.

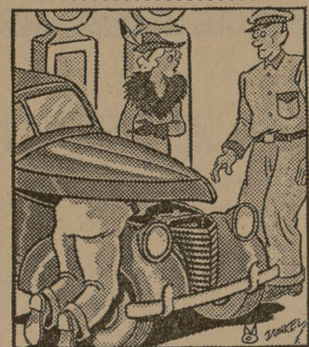

## "Herb" Smith Wins Wings, Commission

Ex-student Herbert E. Smith, class of '40, has just completed successfully the army air corps flying training and is assigned to the 20th pursuit group, 79th squadron at the largest military air base on the west coast and will function as an officer pilot in the army's fastest pursuit aircraft.

"Herb" Smith attended A. & M. for four years and received his B. S. degree in physical education. He was an outstanding player on the famous Aggie football team of 1939 and became an all south-west end for that year. He is well remembered for his game in the Sugar Bowl against Tulane where he gave a brilliant performance. He was regarded by Dough Rollins of the athletic department as one of the greatest ends at A. & M.

In 1940, "Herb" Smith received the much coveted appointment to the air corps flying school at Brooks Field, Texas, and graduated with the silver wings of a military pilot and a commission as Second Lieutenant, Air Corps Reserve.

Dr. Lawrence M. Price, University of California, is president of the American Association of Teachers of German for 1941.

## Intramurals

### Intramural Activity Confined to Horseshoes, Volleyball and Handball

All activity in the intramural department of sports has been confined to the handball courts, volleyball courts, and the horseshoe stakes for the past few days because of bad weather. Since the sun came out in the face of the Composite Ball, we can plan on a full week of softball to bring the season into full swing.

Turnout of spectators for the boxing preliminaries has been good and shows signs of increasing. The boys are fighting according to ability as well as weight now that eliminations have reduced the ranks considerably.

**FORFEIT DOGHOUSE**  
A Field Artillery  
E Engineers

H Coast brought E Field Artillery to the ground in a 3-0 horseshoe game when Smith, Dubose,

Fields, Schneider, Daniels, and Sedley did some pitching that held the San Antonio boys scoreless.

Only other class A horseshoe game saw G Field Artillery blank A Cavalry 3-0. Ringold, Hefley, Bancroft, Golden, Durham, and Sparger were the ones who found the range to the peg and capitalized on it.

A Infantry held C Coast Artillery to three points in a Volleyball game and came out winner 2-0. In the first match, the "paddle-feet" cashed in a love game 15-0. The second and final match ended 15-3.

K Infantry won their volleyball game from D Coast Artillery to bring in another win for the blue hat cords by taking the two eliminations 15-2 and 15-9 in the 2-0 game.

3rd. Corps Headquarters came from behind in their Volleyball game with I Field Artillery after the Artillerymen won the first match 16-14. The next two matches were decisively won by the CHQ 15-6 and 15-1 to end the game 2-1.

## McQuillan Has Been Basketball Coach Since 1937

(Continued from Page 1)  
Here at Aggieland where emphasis has always been placed on football, the basketball team has always run a close race with T.C.U. for the cellar in conference standings. For the past three years McQuillan's teams have finished just ahead of the Frogs. His 1940 team was the only conference team to lose to a Frog squad in two seasons. Although while at A. & M., McQuillan has done a superb job of assimilating what material there is available.

McQuillan, who came to Aggieland in 1935 has been coach of the Aggie cagers since 1937.

Coach McQuillan has not as yet announced his plans, but it is probable he will remain here until school is out.

## Swimming Squad Goes to Chicago

A four man free-style relay team left College Station by automobile Sunday with Swimming Coach Art Adamson and W. L. Penberthy for Chicago, Illinois, to participate in the National Intercollegiate Swimming Meet.

The team will arrive in time for the preliminaries on Friday and Saturday morning and is composed of Jimmy Davis, Bob Taylor, Irvin McKey, and Harold Hensley.

In addition to the relay swim Taylor will be entered in the 220-yard and 440-yard free-style, and Hensley and McKey will take part in the 50-yard and 100-yard free style events.

Texas University is sending two representatives to the meet and the other entries will be made up of teams and team members from the Big Ten Conference.

## Track Team Wins Dual Meet 72-57 Against SWTSTC

### Bucek and Ricks Break Records in 120, 220 Hurdles and High Jump

Gaining 8 first places out of 13 events and breaking three records, Coach Dough Rollins' thinly clad blasters the SWTSTC track team into submission by a score of 72 to 57 at San Marcos Saturday.

Roy Bucek, ace cadet hurdler, broke two records on the San Marcos track—the 120- and 220-yard hurdles. His time in the former one was 14.8 seconds, while in the latter one it was 24 seconds flat. The other record was set by Albert Ricks in the high jump at 6.4 feet. Ricks also came through to take top honors in the pole vault.

The Aggies took an early lead on San Marcos by taking the

Roy Bucek and Derace Moser were placed on the injury list last night, according to track coach Dough Rollins. They both pulled leg muscles in yesterday's practice in preparation for Friday's meet with Texas and Abilene Teachers College.

100-yard dash. "Bama" Smith, Derace Moser, and Jimmy Knight came in 1-2-3 order to give the cadets an advantage. Smith's time was 9.9. The Aggie football "hide-out" ace also came back to annex the 220-yard dash followed by Knight and Moser.

Ralph Henderson, the Aggie long-distance star, came through to take first in the 880-yard run, second in the high jump, second in the javelin throw and third in the 440-yard dash. Bucek, besides his brilliant run in the hurdles event, also took the runnerup spot in the broad jump and third place in the discus throw. Jim Thomason, track captain, took second place in the shotput, followed by Henderson. Pete Watkins, ace high jumper, came in second in the high jump, and also took the runner up spot in the 120-yard hurdles.

Roy Bucek led all runners with 14½, while the Aggie team as a whole showed their best form of the year.

## Ex-Aggie Gets Air Corps Appointment

Ogden M. Short of Marshall, Texas, class of '40, who received his B. S. degree in agricultural administration here, has received word of his acceptance to the crack U. S. Army organization, the Flying Cadets, and leaves Marshall Sunday for San Diego, California, for entry into the service.

## Aggies Net 5 Runs In Eighth Inning Rally

### Dahlgren and Rowell Hit Homers

By Mike Haikin

Pounding out seventeen hits, including homers by Babe Dahlgren and Carvel Rowell, the Boston Bees shellacked the Texas Aggies, 10 to 5 before some 6000 screaming fans here yesterday afternoon.

"Lefty" Bumpers started for the Aggies, but his fast breaking curve was no enigma to the National Leaguers. Ed Carnett went the distance for the Bees, and but for the eighth frame had the Aggies well in hand.

The Bees wasted no time in getting to Bumpers by counting two runs in the opening inning. With one out Gremp singled to center and scampered to second on Prebisch's bingle. Both advanced base as Mano grounded out. Wilborn followed with a lusty double to score both men. Miller grounded out third to first to retire the side.

Dahlgren's circuit blow started things rolling in the second as the Bees accounted for four runs. Masi followed with a single and was sent to second on Carnett's sacrifice. Sisti scored Masi with a single and pulled up at second on Scoggin's error. Gremp poked a one-baser to right field with Masi stopping at third. Gremp stole second, and both he and Masi scored on Prebisch's single. Bumpers then bore down and struck out Manno and Wilborn to retire the side.

The cadets threatened mildly on Carnet in the third inning. Carden opened with a single and took second as Miller threw the ball away. Bumpers followed with a walk, but Rothe hit into a double play to end the threat.

Bumpers retired Boston in 1-2-3 order in the fourth, but the Bees got to him for a tally in the fifth. Bray opened the inning with a single, went to second as Lind-

sey let the ball get him, and scored on Moore's double to left. They added a run apiece in the sixth, seventh and eighth to run up a 10
