

## Seven File For Tuesday City Election

### Five Seek Three Council Vacancies; Two After Secretary

Seven candidates have filed their names as candidates in the College Station election which will be held Tuesday in the Missouri Pacific Station between the hours of 7 to 7, Mrs. L. S. Paine, city election judge, announced late Wednesday.

The five candidates who have filed for election as councilmen are J. A. Orr, G. B. Wilcox, S. A. Lipscomb, Luke Patronella, and R. L. Meyers.

Sidney L. Loveless and W. B. Langford have filed for election as city secretary. Loveless is the retiring city secretary.

"Despite late filing for election all names will appear on the ballots," Wilcox said. The city had originally set a ten-day limit before election as the deadline for filing candidacy. However, no ordinance to the effect had been passed, so the late petitions were accepted. It was previously anticipated by the supporters of certain candidates that it would be necessary for the voter to write in some candidates. Printing of the ballots was delayed so that the new names could also appear.

This is the first regular election of city officers since the organization of the city two years ago and the election of the city officials since that incorporation.

The three councilmen whose terms of office have expired are J. A. Orr, G. B. Wilcox, and S. A. Lipscomb.

Assisting Mrs. Paine with the balloting will be Mrs. Raymond Rogers and Mrs. A. A. Blumberg.

## Clean-Up, Fire Prevention Week Starts March 30

The Annual Clean-Up and Fire Prevention Week will be held March 30 through April 6, according to Dr. Geo. W. Cox, state health officer. State and city-wide clean-up campaigns are scheduled throughout Texas, the campaigns being designed to facilitate public health protection, lessen fire loss, and promote public safety.

The Texas State Department of Health and the Texas Fire Insurance Commission will jointly sponsor the work.

Clean-Up week is an important week in Texas, important because every dollar invested in property destroyed by fire is a dollar lost forever. "Careless housekeeping" in the home and in business paves the way for tremendous annual fire losses, and all fire loss is, to a large extent, preventable by exercising recognized laws of fire prevention and control.

Every citizen should have pride in his home town, its streets, playgrounds, parks and buildings. Homes and buildings freshly painted, with well kept lawns and gardens, increases values and intensify community interest. Cleanliness creates confidence.

Preservation of human life is an important undertaking. Any undertaking which contributes to greater human safety deserves the attention of thinking citizens. Clean-Up Week in Texas is such an undertaking. Its advantages are obvious: it contributes to a cleaner, safer, happier place in which to live, no matter how large or small the community.

Cities and towns of Texas will conduct clean-up programs of far-reaching activity. Scheduled for that week are the cleaning, draining and graveling of alleys and streets, the cleaning of city parks and vacant lots and unsightly areas. Malaria control, fire prevention, garbage and trash disposal and related activities of spring house-cleaning will be encouraged.

Clean-Up week, among its other functions, focuses public attention on the dirt and disease problem.

## Boots Go Under Hammer Today at Soph-Jr Meeting

### 7-Man Committee Draws Up Two Plans To Facilitate Voting

The junior and sophomore classes will meet in Guion Hall at 5:00 p.m. again this afternoon to take final action on the question of uniforms for next year. The center of the hall will be reserved for members of the junior class. The sophomores may sit in the side sections or the balcony, but the division of the two classes will be necessary in order to record separate votes.

The question about uniforms for next year was brought to the attention of the two classes by Lieut. Col. James A. Watson, commandant, who proposed several changes in the official Aggie uniform to a turbulent meeting of the junior and sophomore classes Tuesday afternoon. The most prominent change suggested was that dress boots, heretofore a distinguishing characteristic of Aggie seniors, be eliminated from the uniform. This and other changes were recommended in the interests of economy and future necessity in view of all ROTC students for the next

several years being required to serve active duty immediately upon graduation.

A committee of seven juniors, selected as a sub-committee from the regimental representatives met Commandant Watson at 5 o'clock Wednesday afternoon to see what plans would be acceptable and other conditions which would affect the choice of the classes. The following plans are acceptable and will be voted upon at the class meeting this afternoon.

The junior class is to vote whether or not it desires to wear boots or light grey slacks as its senior uniform.

The junior class will then be presented with the two following plans and given their optional choice:

1. Uniform for Seniors: Cap, coat, breeches, boots, spurs, and slacks as now. Optional in addition one pair of light grey slacks, to be worn optionally with boots and breeches at reviews and drill.

Regulation officers round top service hat, those now equipped with flat topped hats to be allowed to wear them until no longer service-

## Yell Leader Election Postponed- No Attendance

### Plans Underway For Students to Talk to Hi Schools

#### Applications Must Be Turned In By Monday; Banquet Is Set April 30

Students wishing to return to their local high school to speak before the graduating seniors about coming to A. & M. college next year should fill out a request card which they may obtain from their first-sergeant, Cadet Colonel Bill Becker announced today. Plans are now being made for the selection of students to make the trip. Students desiring to do so must fill out the information requested and return them by noon Monday.

As has been the custom for many years, these students who are selected to speak to their high schools will be given excused absences for two days to make the trip. They will speak to the seniors in the high school from which they graduated and tell them about the advantages and opportunities of the college to encourage them to enroll here next year.

The student who is selected to return to his high school will be given excused absences for two days to make the trip and be at the high school during a school day. They may have excused absences for May 2 and 3 or for May 5 and 6. Students visiting high schools more than 250 miles away will be allowed an extra day for traveling.

The selection of students to visit the various high schools is being handled by the corps staff juniors and the completed cards from each regiment should be turned in to them. They are Tom Gillis, W. M. Pena, Warren Ringgold, Lee Rice, George Summerville, Howard Blessington, and Jabus Barker.

A banquet for the students who are going to make the trip will be given on the night of Wednesday, April 30. At that time they will be given instructions an information to be used at their high school.

### 390 Students Due Maintenance Refund

The Fiscal Department announced yesterday that all students who have paid their maintenance fees in full are due \$5.25 as refund.

Approximately 390 students will receive the \$5.25.

### Only 50 Show Up At Joint Meeting Of Juniors, Seniors

Election of a senior yell leader to fill the position vacated by Bill Beck to have been held last night following the supper formation was postponed because there were not enough members of the combined junior and senior class present to carry out the business at hand. There were about 50 of a body of 1800 members present in Guion Hall when it was called off.

Another meeting to be held sometime in the immediate future was announced before adjournment of the unsuccessful attempt by Cadet Colonel Bill Becker.

"It is imperative that he be selected soon in order that he get some much-needed practice during baseball season so that he can do justice to his position," Becker said.

Candidates eligible for the position are W. C. Davis and J. O. Alexander. Both men were candidates for junior yell leader last year in the race which Bill Beck and present yell leader Skeen Staley emerged victorious.

Beck left A. & M. at midterms to enter the air corps at Randolph Field. Two other men were in last year's race, but they, too, have left school. Staley, upon the withdrawal of Beck, was automatically made head yell leader for next year.

In order to be eligible the yell leader candidates must have a grade-point average of 1.00, be a classified junior, have attended A. & M. for five continuous semesters, and be now in the sixth semester. Both Alexander and Davis have fulfilled these qualifications.

Each candidate will make a short speech before the election to be held soon just as was contemplated for the recent election. One secret ballot will be taken to determine the winner and the results will be announced in The Battalion.

what changes to make. No definite action was taken until near the close of the meeting when it was decided that the juniors of each regiment should meet immediately following supper and select two of their number to be on a committee to draw up definite proposals and present them to another class meeting to be held this afternoon. Bill Bryant, president of the sophomore class, appointed a committee to consult with the juniors in affecting a solution to the problem.

The juniors from each regiment as selected met in Alden Cathey's room and appointed a sub-committee of seven men to present alternate proposals for the uniforms to Lt. Col. Watson and get his opinion on whether or not they were acceptable and other conditions which would influence the choice. The sub-committee is made up of Alden Cathey, Warren Ringgold, Guy Johnson, Willard Clark, Stanley Byrd, W. C. Stearman, and Tom Gillis.
