Baylor, Texas and Abilene Christian Here Tomorrow For Ball Game and Track Meet

Two Southwest Conference schools come here tomorrow in the form of the Baylor diamonders and the Texas tracksters.

It will be the first league game for Coach Marty Karow's nine. Three losses are behind but now facing the Aggies are those played for "keeps."

The Bears open their conference play this afternoon against the Rice Owls in Houston with Frank Golden slated for the mound. This leaves Joe Terry and Bob Miller for the two game series here.

Here is as good time as ever—so, crawling out on that limb once more, it looks like the Aggies, Texas and Rice will fight for the upper bracket this season with the Owls coming from the dark shadows to show the power.

Two of the greatest half-milers in the country will race around the Kyle Field track as Abilene Christian's Beadles and Texas' Umstadd furnish one of the highlights of the afternoon three way meet.

Texas will be the top favorite of the meet with the Abilene school and the Aggies fighting each other for the second spot.

Last Saturday Jitterbug Henderson added his bit in the javelin, shot put and high jump. This raised the hopes of the cadet squad a bit. Then, Monday Roy Bucek and Derace Moser pulled muscles in their legs. If they come through and the remainder of the team runs true to form, look for the Aggies to nose out the Christians, but we'll let the University boy go, eh Bill?

Horse Racing Story Is Polo Team Benefit Show

Horses and more horses is the feature of the Aggie polo team's benefit show tomorrow. Featured on the screen will be "Sporting Blood", a story of horse racing in Virginia.

The show will be offered at 3:30 and at 6:45 at the Assembly Hall.

Bears Are Dark Horses Of SWC Race

A&M Victory Will Depend Upon Bumpers' Pitching

The Texas Aggies pry open the lid on their conference baseball schedule here tomorrow afternoon when they collide with the Baylor Bears in the first of a two game series. Lem "Lefty" Bumpers, ace southpaw of the cadet hurling staff, and Frank Golden, the shining star of the Bruin nine, will probably be the opposing hurlers.

Coach Lloyd Russell's baseball nine is considered to be the "dark-horse" in the coming campaign due to the inexperience of their lineup. Jimmy Witt, Don Haley, and Jack Lummas are the only veterans of the team. Golden, who throws the ball from the portside, is the only letterman pitcher who is back for another fling. Joe Terry, former third baseman, and Bob Miller, promising newcomer, loom as certain starters. Witt is the leading hitter on the team, slugging the ball at a .347 clip last year. He also has one of the strongest arms in the league.

The catching staff is the biggest problem confronting the Bears. Loss of Babe Bryce, all-conference backstop last year, has handicapped Baylor considerably. Curtis Byrd, Edwin Dulak, and Grover Wilcox, are some of the candidates for the position, but all lack experience. Of the three, Byrd looms as the most promising.

Bumpers' fast breaking curve will be a deciding factor in the Baylor tilt. If it breaks right, the left-hander will be hard to handle. Marion "Dookie" Pugh, Aggie captain, will be relied upon to supply the power against Baylor, while Bill Buchanan and Jack Lindsey, the cadet keystone combination, are expected to shine afield.

Baylor has won two exhibition games this year, while the Aggies have been set back in their three tilts. However a remedy can be supplied in the fact that the cadets engaged top-flight competition. The Bears defeated the McMurry semi-pro team, 9 to 1, and 16 to 6, respectively, last week in Abilene.

This will be the second game in as many days for the Bruins as they open their conference schedule against Rice today in Houston.

The probable starting lineup:

Aggies	Baylor
Class, 3 b.	Burnett, 1f.
Lindsey, 2 b.	Richardson, 2b.
Francis, cf.	Radney, rf.
Pugh, 1b.	Witt, ss.
Scoggin, 1f.	Haley, 1b.
Jeffrey, rf.	Lummas, cf.
Buchanan, ss.	Casey or Willis, 3b.
Carden, c.	Byrd, c.
Bumpers, p.	Golden, p.

Cinder Squad Will Strain to Beat Texas Friday

The Texas Aggie track squad, improving with each meet, will take on Texas University and Abilene Christian College tomorrow afternoon at 1:30 in a triangular meet just prior to the A. & M.-Baylor baseball game. The time has been reset by Coach Dough Rollins in order that the fans may view both the track meet and the baseball game.

This will be the cadet's first appearance on their famed Kyle Field, and Coach Dough Rollins' thinly clad will attempt to give their best performance of the year. Texas will be staunch favorites to annex the meet in view of their excellent performance on the track throughout the year. They have won top honors in every meet that they have entered. However, the Aggies gave them a hot fight in the Fort Worth Exposition meet before they succumbed, and are expected to be a meddlesome stumbling block in the Longhorn's path.

Roy Bucek, who pulled a tendon in the San Marcos meet last week, will be ready to go tomorrow. He has been the only consistent winner in the Aggies' camp and is expected to vie for top honors with Umstadd of Texas and Beadeles of Abilene Christian. Bucek's specialty is in the 120 and 220 low hurdles, while Umstadd and Beadeles specialize in the half mile and the 880 yard run. Earl "Bama" Smith's time of 9.9 in the 100 yard dash at San Marcos also makes him a big threat in the meet.

Weatherman Hits Foul, But Softball Gets Underway for Four Games Tuesday

By Bob Myers

Softball finally got under way Tuesday when four class A and six class B games were played. Rains last week and more rain yesterday have set the schedules in reverse and will necessitate the playing of many rescheduled games during and after the regular season.

Boxing has progressed to the quarter final and semi-final stages with some very good performances in the ring and a growing number of spectators in the stands.

There have been a few cases of fighters losing points a round or even the fight because of fouling. Most of these have been unintentional fouls and in the other instances, had the fighter been familiar with the rules they probably

would not have occurred. All fouls are illustrated in a sketch just above the scales in the Intramural office for the benefit of participants—look them over before your match.

FORFEIT DOGHOUSE

- M Infantry
- B Chemical Warfare
- B Coast Artillery
- 2nd Headquarters Field Artillery
- F Coast Artillery
- A Cavalry

I Infantry got 13 runs across the home plate in their opening game with F Field Artillery and held the opposition to only 5. It was the Infantry's ball game all the way with F Battery making a fighting stand to bring up their side of the score.

All scoring in the ball game between C Field and A Chemical Warfare occurred in the first four innings of play. Both pitchers were stingy in the closing innings

and shut the game up with a score of 5-1.

A Coast Artillery and C Engineers Freshmen played seven innings of ball to a 8-8 deadlock and then started on the extra eighth to decide the winner. At the close of the eighth, neither team had scored and the game was still tied up. The ninth came to a close with the score reading 8-8 so they went into the tenth. It was during this

closing inning that the fireworks broke loose and saw the Coast bring eight runs in to four by the Engineers. This spurt of scoring brought the game to a close with the score reading 16-12 in favor of A Battery.

HOLICK'S BOOT SHOP

A. & M. Since 1891

Dear Mom:

All of the Juniors and Seniors have advised me to buy a LAUTERSTEIN UNIFORM for next year—and they should know, 'cause most of 'em are wearing 'em this year.

Boy! do they look swell. I'm going to place my order early for a real saving.

Love,
John
