Golden Turns on Power to Wallop Aggie Nine 7 to 5

Cadets Use Four Pitchers in Effort To Throttle Baylor

Coasting along behind Frank "Lefty" Golden's five hit pitching performance and some timely hitting by Jimmy Witt and Dolly Harris, the Baylor Bears finally outlasted the Texas Aggies in the twelfth inning, 7 to 5, here Saturday afternoon to square the series at one all.

Charlie Stevenson started on the mound for the cadets, but was the victim of a three hit and three run barrage in the opening inning. Coach Marty Karow then paraded Bill Henderson, Lefty Bumpers, and Roy Peden in an effort to stymie the Bruins. Of the four twirlers, Bumpers, who had just shut out the Bears the day before was the most effective. The left-hander replaced Henderson after one was down in the fourth and proceeded to shut out the Bears with one hit for five innings. This made twelve consecutive scoreless frames by the Aggie left-hander. Roy Peden then came from behind the plate to replace Bumpers, after the left hander had tired and walked two straight men in the tenth.

Golden started on the hill for the Bears and finished out in a blaze of glory. His left-handed slants puzzled the Aggies throughout the game, and but for some erratic support from his mates would have had a shut out.

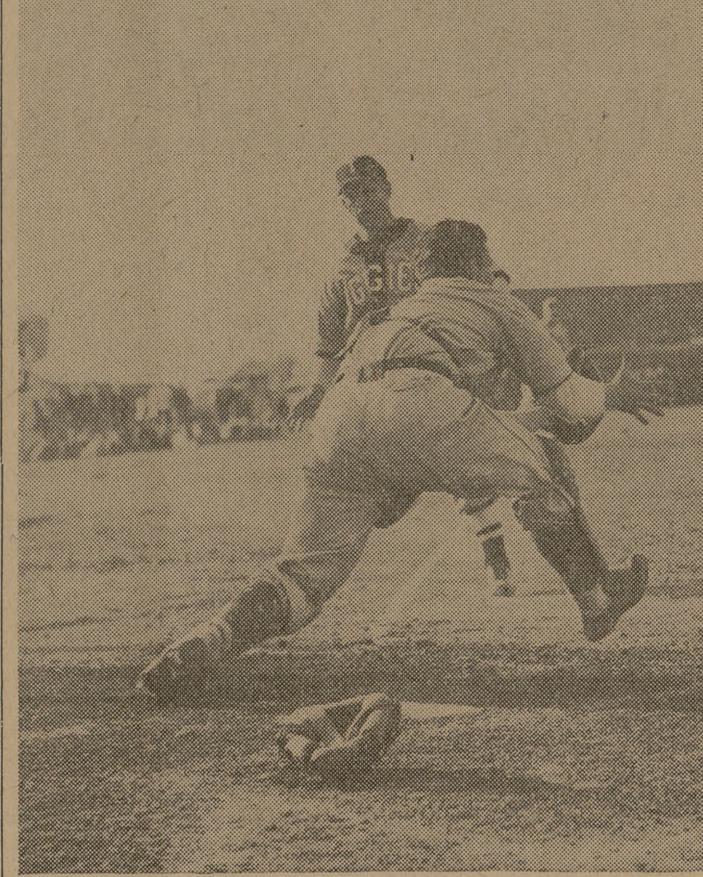

Baylor pulled a stunt in the third inning that made the Brooklyn Dodgers of the old days look like top-notch performers. After retiring six consecutive men, Golden finally gave a walk to Buchanan. The Aggie shortstop rambled on to third as Curt Byrd, Bruin backstop, missed two of Golden's fast ones. Peden followed with another walk, and stole second. Henderson struck out. Golden then put over two straight strikes on Rothe, and on the throwback to the pitcher's box, Byrd threw the ball over the pitcher's head. Buchanan scored on the error, with Peden going to third. Richardson tried to make a play for him, but threw the ball over the third baseman's head. Peden came in on the error. The Bears added two more runs off Henderson in the fourth while the cadets added a run apiece in (Continued on Page 4)

Boxing Participants Given Breather Before Finals Just Around the Corner

By Bob Myers
Boxing finals and semi-finals are just around the corner with tonight's card fight blanked out to give the participants a breather.

Class B semi-finals are scheduled for Wednesday April 2 and the class A semi-finals will come off the following night. All final bouts are to be held on Saturday night, April 5th. Fight time is 7:45.

The following paragraph from the Physical Education Department outlines a course that is to be given for the benefit of seniors and is highly recommended by Lt. Col. Watson for both military and non-military students.

"Our department is offering its services to give instruction in the organization and administration of sports to those members of the senior class who would be interested in such instruction toward the end of qualifying themselves for an assignment as Athletic Officer. We plan to meet for one-hour lectures from 5 to 6 on Wednesdays, starting April 2. These meetings will be held in the Civil Engineering Lecture room. The group taking the course will also be asked to observe the staging of the different contests in sports now being carried on and the ones to be carried on in the Intramural program the remainder of the semester."

All men taking the above course will, upon satisfactory completion, be given a certificate to that effect.

Golf Team Beats Rice Owls 4 to 1

Linksmen Down Feathered Flock On Houston Course

In their second tourney of the year, the Aggie linksmen set back the Rice Owls Friday afternoon in Houston, 4 to 1, on the Brae Burn course.

The Aggies placed second in the Conference Meet last year with the Rice team in fourth place. Sunday morning the two teams made the rounds on the Country Club course with Frank Guernsey replacing James Deal for the Houston crew. This meeting was unofficial however, for Guernsey is ineligible.

The official results of the conference tourney are as follows: Henry Hauser and Henry Richards defeated Harry Crissman and George Pierce in the doubles, 3 to 2.

In the singles Hauser defeated Crissman, 5 and 4; Kenneth Arthur defeated Richards, 1 up; Bob Warne downed George Pierce 4 and 3; and Judson Womble defeated James Deal, 3 and 2.

Sunday Hauser defeated Guernsey and Arthur and Crissman and Pierce downed Warne and Womble. Hauser defeated Guernsey, Richards topped Crissman, Warne won from Arthur, and Pierce defeated Womble.

That afternoon Hauser and Richards defeated Guernsey and Crissman and Warne and Womble defeated Pierce and Arthur.

Rollins' Team Meets Owls In Houston Today

Aggies' Second Dual Meet of Season; Owl's First Intercollegiate Meet

Moving south to Houston today, Coach Dough Rollins' harriers will take on the Rice Owls in the Aggie's first dual track meet and the Owl's first intercollegiate meeting of the season.

It will be the second conference school the cadets have met in close competition, falling to the Longhorns here last Friday. In Laredo and Fort Worth the Aggies competed against league schools, but these meets were open to all conferences.

The only experience the Houston runners have had as a team this year has been intra-squad competition, the last during the San Jacinto Relays last week-end.

Emmet Brunson will send a fast team to the track and will have a team in top shape while the Aggies will miss the services of Derace Moser in the quarter mile.

Owls, After Win Over Bears, Face Aggies Here Friday; Track Team Runs In Houston

Up one and down one went the Karowmen this past week-end as the Baylor Bears claimed a one out of three record in as many days. Thursday the Rice Owls topped the Bears 8 to 3, and the next two days the Bears and the Aggies broke even.

Come this Friday the Rice Owls and the Aggies will meet on Kyle Field to tell the tale of the early favorite.

In Houston today Captain Jim Thomason will lead his trackers into competition with the Owls. It's the first up for the Owls but

Brunson will have a tough team for the Rollinsmen.

Last Friday Jitterbug Henderson filled his bill. Not only did he pitch two innings of ball against the Bears but in warming up for the two frames he tied for first place in the high jump, threw the javelin, threw the shot, sailed the discus, and tried his hand at broad jumping. On top of that he did a good bit of walkink between events. Some warm up!

Not this year, but next year—the Texas Aggies have become the first Southwest Conference School to resume relations with Texas Tech.

A game has been scheduled for the Aggies in 1942 and another is in the making for the following year.

Manning Smith's cadet netmen face the T.C.U. Horned Frogs today on the clay courts. It is the first conference matching for the Aggies.

They meet Southern Methodist University here later this week.

Roger Plaisted of the National Red Cross commenced his water director's course in the natatorium last night.

Anyone desiring to attend the classes is especially invited to come out tonight.

You can't call it the hot seat, but nevertheless Willie Zapalac won't be hitting the bed too hard these next few days. Saturday night he and a few teeth on a wood saw tangled at the wrong end.

With Coach Hub McQuillan's appointment as head cage coach at Texas Christian University, the Athletic Department was rushed with letters of application for the vacancy.

The job will be filled by one of the present members of the staff. Talk says Marty Karow, baseball and backfield coach will take the job.

Friday a week ago four car loads of boys left College Station bound for Itasca. There is located the Presbyterian Orphans Home, housing over one hundred children.

For a whole afternoon these Aggies entertained the younger boys and girls with their acrobatic feats and physical demonstrations.

Around the conference—Rice netters defeated the East Texas Teachers who in turn topped the Southern Methodist squad last week . . . it looks like the Owls will be strong on the clay courts again this year . . . Texas sent seven men to the national swimming meet in Michigan this week while the Aggies sent their hopes in four, Hensley, Taylor, McKey and Davis . . . Baylor's hurler, Bob Miller, is in some way kin to Glen Miller of music fame . . . the T. S. C. W. rifle toters have called off the return engagement on the range . . . "30".

for military trimness
try the Bracer

Heads up! Shoulders back, stomach in—new pep in your step, that vigorous look! You can have that military carriage. Wear The Bracer. It helps support lax muscles, trim your figure, make you feel better because you look better. The Bracer has these distinctive features: Knit of "Lastex" yarn—uniform two-way stretch—no roll, four removable stays at top—soft, rosy Dy-front pouch—tailored to fit.
