## Baseball

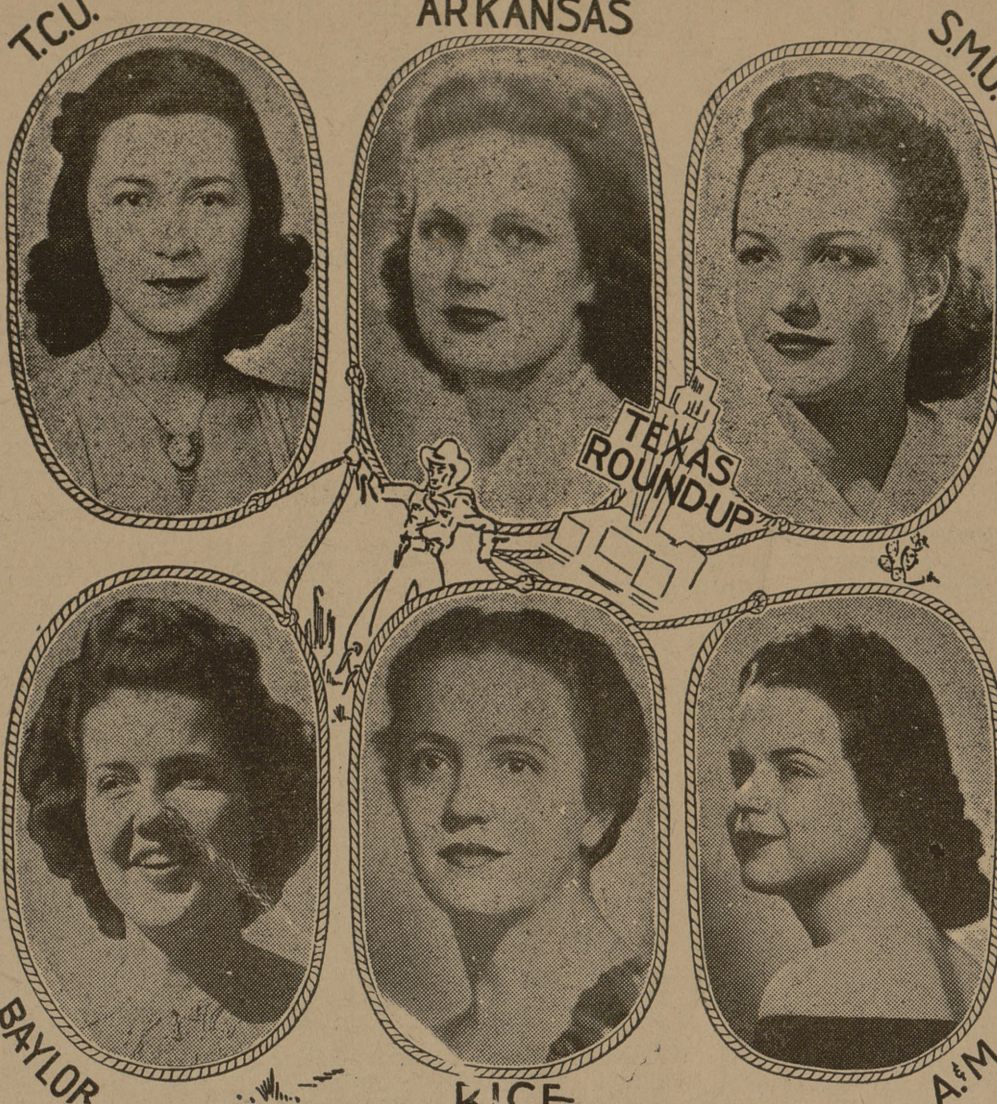

(Continued from Page 3)  
 the fourth, fifth and sixth frames. From there on out, the Bruin infield settled down and a pitching duel between Golden and Bumpers followed.

Baylor finally cashed in on four hits and a walk for two runs in the twelfth stanza. Golden, who already collected four hits, opened with a walk, but was picked off first by Carden. Miller and Lumms followed with singles. Then came the controversial point of the game. With two men on, and two down, Jimmy Witt hit one in front of the plate. Carden threw him out, but the umpire ruled it to be a foul. Karow then had some hot words with the "blue boys", but it was no avail. Witt promptly singled to score Miller. # Southwest Sweethearts for U T Round-Up

Highlight of three-day Round-Up festivities, annual homecoming for University of Texas alumni April 4-6, will be the presentation of these six co-eds—sweethearts of their respective Southwest Conference schools. Their are:

- T. C. U.: Florrie Buckingham, Sulphur Springs senior, student body secretary-treasurer and four years' class favorite.
- Arkansas: Connie Collins, Little Rock Senior, R. O. T. C. regimental sponsor majoring in business administration.
- S. M. U.: Martha Kate Newman, Dallas senior and yearbook beauty.
- Baylor: Bonnie Ruth Slawson, Corsicana junior and three-year Baylor beauty.
- Rice: Lida Picton, Houston senior and yearbook beauty.
- A. & M.: Rachel Corder from Burnett, student of Southwestern University, Georgetown, and former student of Texas State College for Women.

The six favorites will be presented Friday night, April 4, at the traditional Round-Up Revue and Ball as attendants to the Sweetheart of Texas, soon to be named by the University student body. The Texas favorite, however, will be kept secret until her presentation.

In its twelfth year, the Texas homecoming schedules three days of open houses, a parade, intercollegiate tennis matches and the colorful sports carnival, Texas Relays.

## Funeral Service—

(Continued from Page 1)  
 marked the last resting place of Skippy.

Skippy was brought from the Houston dog pound by Sam Rankin last February and according to several members of K company was in ill health when brought to A. & M. "Dr." Pinky Caraway, senior veterinary medicine student from Taylor who was the chief physician on the case before the dog's death last Friday afternoon said that the dog was too far gone before it was given medical attention.

J. H. "Bull" Durham was chief mortician and was in charge of the funeral arrangements.

## Backwash—

(Continued from Page 2)  
 gies exactly what happened to his vocalist.

On the other hand, she couldn't afford to fluff Carol and lose her regular job. What to do?

## Solution

The way out was a masterpiece—but not until Lois did a two-hour hide-out to avoid being near-kidnapped by Carol when he passed through College Station on his way to Navasota.

Lois first sang the A. & M. dance until intermission. Then, at an 80-mile-an-hour clip, she zoomed to 24-mile distant Navasota and sang that dance until its end at 2 a. m. Sunday morning!

Which is good work if you can do it.

Attractive and a better-than-average dance band singer, Lois' favorite number is "Perfidia," she is 20 years old, and allegedly does not drink or smoke.

Most comment on Bill's band concerned his male vocalist, Micky Dowd. Many cadets pointed out that they believed him to be the best male singer to hit the campus in many social seasons.

The Engineers Ball was one more excellent addition to an already successful social season. . . . Bill, by the way, pays his instrumentalists and vocalists \$10 a night with a \$50 weekly base guarantee. . . . His home in Evanston, Illinois, he attended Wisconsin U. two years as a chem major. . . . The lad with the Dracula-like laugh was Lee Simmons. . . . Bill's outfit presented the third between-the-halves stage show this year. Popular with cadets, last year saw only one such show—Bernie Cummins' acts.

## Crop Contest—

(Continued from Page 1)  
 Genetics Department, is the superintendent of the contest. G. W. Griffin, Federal Grain Supervisor, will be in charge of the grading of grains and hay, and the other judges are to be designated by the participating schools. T. E. McAfee, Instructor in the Agronomy Department, will represent Texas A. & M. as an official judge.

## English Teachers May Attend Waco Meet

The conference of college teachers of English in Texas will meet in Waco as the guests of Baylor university April 25 and 26, Dr. Geo. Summey, Jr., head of the English department, said Wednesday. A group of teachers will attend if suitable arrangements for class lectures can be made.

Dr. Ernest Bernbaum of Illinois university, a well-known authority in the field of romantic literature, will be the principal speaker of the meeting, and will discuss "Romantic Literature in the Light of Modern Sciences."

Approximately 300 English teachers from the state's colleges are expected to attend.

## Soph Dairy Contest To Be Held April 19

The annual Sophomore Dairy Cattle Judging Contest will be held here on April 19th.

All students taking agriculture that have taken sophomore judging work or that are taking it now are eligible to compete. The awards to the first, second, and third high men will be in the form of medals donated by Bryan business firms.

In the past there have been from forty to eighty students competing in the contest.

Professor Louis E. Buchanan of the department of English at Washington State is collecting rare first editions of the late Eighteenth and Nineteenth centuries.
