MARTY KAROW ISSUES FIRST CALL FOR CAGE PLAYERS

Marty Karow, who will take over the duties of basketball coach next year, issued a first call for players just before leaving for Houston.

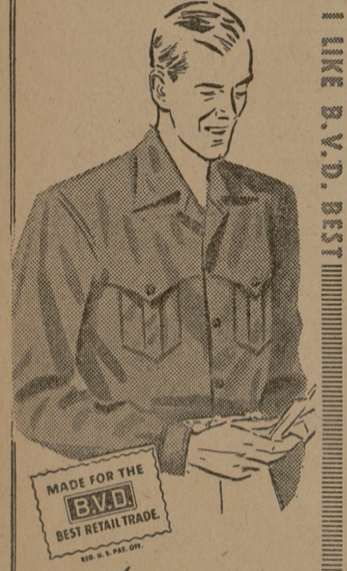

A meeting will be held in the training room of dormitory 12 Monday night immediately after supper. All boys who have played basketball before—interscholastically or intramural—or those who have any idea they might be basketball players are asked to attend.

AGGIES IN HOUSTON FOR RICE FRAY; SMU vs TEXAS

Off again into the Southwest Conference baseball calendar, the Aggies took on the Rice Owls yesterday and will go to the mound again this afternoon for the final game with the feathered flock.

In Austin Brooks Atchison and Melvin Deutsch resumed their feud which started with the Mustang's 3 to 2 victory over the Steers. A split in the series will tear a hole in both teams' season standing.

Aggie Fish Down Tarleton in Dual Track Meet

Labus Stars For Cadets With Wins in 220, 440 Dash
Coach Dough Rollins will have little to worry about in the 220 and 440 yard dashes when next year rolls around. In Emerick Labus, he has a potential star who is capable of setting the conference afire in the future years to come. Yesterday afternoon, he led the Texas Aggie Fish thinly clad to a 76 to 38 win over John Tarleton in a dual meet held here. He was high point man with 12½ points, winning first place in the 220 and 440 yard dash, and helping win the 440 yard and mile relay for the Aggies. King of John Tarleton was second with 11 markers, while Schwartz of the Fish was third with 10 points.

The Fish followed their brilliant showing in the Fort Worth Exposition by completely routing the junior collegians. They grabbed a total of 11 places out of a possible 15 events. John Tarleton's best showing was in the 100 yard dash when they dominated the field all the way by grabbing the first two places. Ross Glover and Sherrill were the winners for Tarleton.

Due to the heavy wind prevailing over the field, the time in some events was a bit slow. However, the wind was a big asset to Windham of John Tarleton in the javelin event as he threw for 164 feet 5 inches. Montgomery of A. & M. was second.

Following this meet, the Fish run their final jaunt of the season in the Southwest Conference meet.

Summaries:
440 yard dash—Labus (A. & M.), Utey (A. & M.) Time 51.9.
100 yard dash—R. Glover (J. T. A. C.), Sherrill (J. T. A. C.), Time 10.1.
1 Mile run—Zigler (A. & M.), Myrd (A. & M.), Time 4:44.3.
220 yard dash—Labus (A. & M.), Glover (J. T. A. C.), Time 22.1.

FOUR WAY TRACK MEET IN WACO NARROWS LEAGUE

Today's quadrangle meet in Waco with the Bears, Ponies, Frogs and Aggies doing the running will narrow the league standing a bit more with the final sneak preview coming with the running of the little conference meet here May 2.

It will be the contest of champions when Jim Thomason, holder of the '39 shot put title, meets Jack Wilson, holder of last year's title.

The second rated feature of the meet will be the jumping of Pete Watkins, Albert Ricks, and Dub Walters.

A-1 WITH THE BEARS— I-E WITH OUR UNCLE SAM

Jack Wilson rated A-1 with the Baylor Bears on the gridiron, hardwood and in the shotput circle but this week when he faced the selective physical examining board he was classed "I-E", fit for limited service due to a defect in the eye.

Peden Wins As Bumpers Is Shelled

Pugh Connects for Homer but Fails To Touch First Base

The Aggies won their third conference game from Rice Institute Friday afternoon 9 to 5. In a wild game which seems to be the main attraction when the two teams meet, Bumpers and Peden allowing only three hits but Rice scored five runs.

Bumpers started the game but in keeping company with the win was also wild and the Owls scored three runs on three walks and two errors.

Then came the Aggies in the second to forge ahead with four runs while the Owls came back in their half to tie the count and drive Bumpers to a spectators position with Peden taking over.

The Aggies picked up three in the sixth and one in the seventh to ice the game nine to five and make it two games to none over the Rice Owls.

The highlight of the game came when Pugh connected for a homer in deep center but only made a trip around the bases. He was called out for failing to touch first base.

The game today will be the last between the two teams this season and Bumpers is due to start again.

TU Trackmen Leave Friday For Annual Trek

AUSTIN, April 18—With an eye to several world's records and an armful of first places, Clyde Littlefield and eight choice trackmen from his undefeated Longhorn squad start their annual midwestern swing this week-end at the Kansas Relays in Lawrence.

The following week-end, April 25 and 26, the Texas squad will race at the famed Drake Relays in Des Moines, Iowa. Altogether, it will be an eleven-day trip.

Texas will enter five events in both meets and will rank as near-favorites in at least four of them. Giant Jack Hughes, at the very peak of a brilliant discus career, will be throwing to defend championships in both Relays.

Littlefield also will enter his world's record-holding sprint medley relay quartet in both meets, but it will not be the team that set the mark of 3:24 flat in the Texas Relays two weeks back. On paper, the Longhorn coach has a faster group. The change will put big Lonnie Hill, injured in the Texas meet, into one of the 220 legs in place of Billy Seay. The switch, however, is tantamount to Hill's complete recovery. Red Baefield, Mac Unstadd, and Fred Ramsdell complete the four.

Hill, Seay, Carlton Terry, and Fred Ramsdell will run the 440-yard relay at both Kansas and Drake. Last season, with a 41.3 second race, Texas ran the fastest time in the nation for the '40 season at Kansas. Baefield will switch into Terry's place in the 880 relay, the other places being the same as on the quarter-mile group.

Littlefield's three dash stars—Hill, Terry, and Ramsdell—all will run the 100-yard dash in both meets. Slim Joe Sparks, the Steers' reliable reserve man on all of the relay teams, will complete the group of eight that will make the trip.

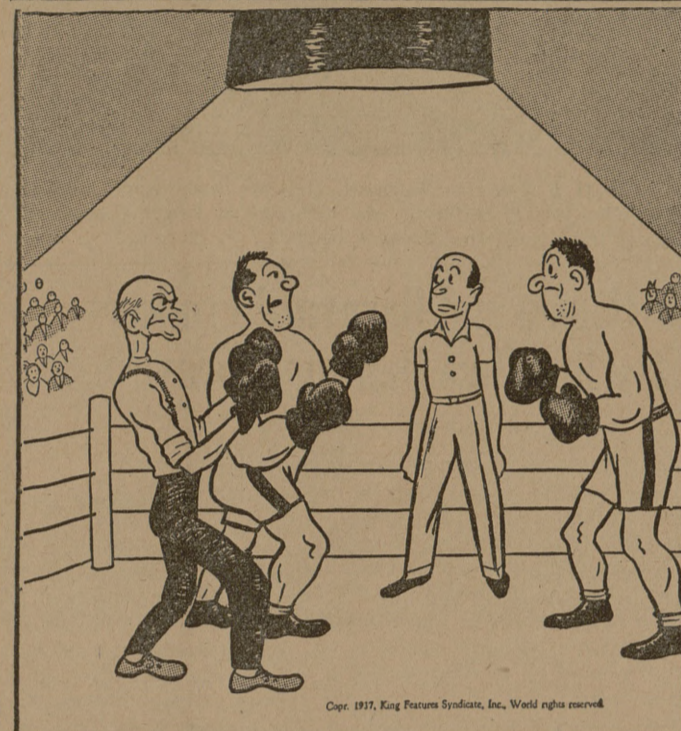

Texas holds the team championships in the Border Olympics, the Fort Worth Stock Show Meet, the Texas Relays, and victories in two triangular meets.

120 yard hurdles—Schwartz (A. & M.), Cox (A. & M.), Time 16 sec.
High Jump—King (J. T. A. C.), Gallaway (A. & M.), Height 5.10.

Pole Vault—Coates (A. & M.), King (J. T. A. C.), Height 11.10.
440 yard relay—A. & M. (Marshall, Scott, Cox, Labus), Time 45.3.
Discus—Dickey (A. & M.), Well (J. T. A. C.), Distance 128.5.
220 yard hurdles—Schwartz (A. & M.), Cox (A. & M.), Time 25.6.

1 Mile Relay—A. & M. (Scott, Utey, Vajdos, Labus), Time 3:34.5.

Softball at Aggieland comes and goes, but each year it produces at least one game that is unusual in many respects. That game was played last Thursday between F Engineers and D Coast Artillery. It was unusual in the fact that a total of 48 runs were accounted in 6 cantos, with the Engineers coming out on top, 29 to 19. Hits, errors, walks, passed balls, wild pitches, and mental lapses contributed their part in the wild spree. "Even the New York Yankee scouts would have been astounded," declared the engineers.

The Walton Hall boys wasted no time in starting the scoring spree. They pushed 12 runs across in the first frame and then duplicated their feat by scoring 9 times in the next inning. While all this

Fernandez Seeded Eighth But Loses To Texas U Netter

Xavier Fernandez of the Aggie tennis team was seeded in eighth place Thursday in the district N.C.A.A. tennis qualifying rounds being held in Houston, but was defeated by Batjer of Texas 2-6, 9-7, 6-3.

Dick Morris of Rice and Warren Christner of Texas were seeded in first and second places, respectively, with Morris receiving a bye and Christner winning his first match from Schulze of East Texas Teachers College.

Other Aggie participants were Krezdorn who lost to Harris of Baylor, Gwin who went down to Wilson of Texas, Gillette who lost to Harry of East Texas, and Eads who fell to Wilkins of S. M. U.

In the doubles Fernandez and Gwin teamed to defeat Kroesen and Grinin of East Texas, 6-8, 7-5, 6-1. Poole and LaBorde of Texas defeated Eads and Gillette, 6-2, 6-1.

was going on, D Coast was just barely in the game. At the end of the fourth frame, the score was 29 to 6, with everyone but the Coast boys giving up. Then they turned on their full steam to tally 13 times in the last two innings. Darknes, however, caught up with them, and they had to be content with the final account.

Another wild scoring affair was reeled off in Class B softball when H Infantry outlasted Hdq. Cavalry in a 17 to 13 score. The "paddle-fee" pounded out 9 runs across in the first and climaxed their spree with a 5 run rally in the fourth. Hdq. Cavalry accounted for 11 of their runs in the second and third cantos.

Swimming meets are running smoothly and all events are going off on scheduled time. The tankers are showing fine sportsmanship and hustle, and many spirited contests are being reeled off. In one of the featured matches of the day, F Field Artillery outswam Artillery Band to come off with a 27 to 13 victory. Jonsson and Baird were high men for the winners. In other matches, E Coast overwhelmed F Infantry, 30 to 13, E Infantry outlasted G Field Artillery, 29 to 20, and 3rd Hdq. Field Artillery pounded out a 22 to 14 win over D Cavalry.

Pingpong is coming along nicely in Class A intramurals with keen competition being dealt out in all matches. Scores vary all around, but most of them end in a 3 to 2 score. In that class we find 3rd Corps Headquarters winner over B Engineers, D Cavalry shading E Coast, Artillery Band coming through with a win over Hdq. Signal Corps, and B and D Coast egging out a win over F Infantry and F Engineers, respectively.

Aggie Golfers Beat Texas Tech Linksmen

Colonel Frank Anderson's Aggie golfers turned back the Texas Tech Red Raider linksmen here late last Wednesday afternoon, 4 to 2, with Johnnie Roberts, who just recently won his berth on the four man team, winning 1-up from Jack Walker in 19 holes.

The two Henrys came through again with a win in the doubles from Jack Mooney and Ford Sturdivant. Hauser defeated Moony in the singles and Richards topped Sturdivant.

Bob Warne dropped the cadet single to Bingham. Roberts and Warne were defeated by Walker and Bingham in the second doubles match.

Aggie Tracksters in Quadrangular Meet With SMU, TCU, Baylor Today

Rollins Takes Entire Team to Waco With High Hopes

Moving to Waco today, the Texas Aggie track team will take on Baylor, S. M. U., and T.C.U. in a quadrangle meet. Coach Rollins is taking the entire team to Waco with expectations of a win.

In this section of the country where high jumping is outstanding the feature of the meet will be the match between Dub Walters of Baylor and Pete Watkins and Albert Rice of the Aggies. Walters is favored to beat out the Aggies in this event.

At the Texas Relays, Watkins jumped six feet, 5 7/8 inches for fourth place while Walters cleared the bar six feet, 7 7/8 inches for first.

Although the Aggies are expected to take the meet, the encounter will serve as a scale for doping the conference meet which will be held in Austin, May 9 and 10.

Sophomore Felix Bucek amazed on-lookers Monday afternoon when in practice he hurled the discus 152 feet. Ricks cleared the bar in the pole vault the same day at 12 feet, 8 inches.

Battling out the shot put will be Jim Thomason, the Aggie track captain and 1939 conference champion, and Jack Wilson of Baylor, 1940 conference champ. Thomason has showed up well in practice and will be in shape for the meet.
