

# ON KYLE FIELD

With Hub Johnson

Rain and more rain caused the Aggie-Texas game to be moved from yesterday to today.

It will be the final test for the Steers with their chances of finishing on top the conference ladder depending on their showing.

After the two games with Randolph Field "bombers," the Daily Texas carried the headline, "Are The Aggies Still In The Game?"

Today Marty Karow's gang will be out to cast upon the "Forty Acres" team the same curse that S.M.U. did in their first meeting.

Seems we'd never know how many readers we have or just who reads what unless it were for our mistakes.

Thursday's Batt carried the head, "Baseballers Face Crucial Test Tomorrow With T.C.U." Stories are written by the reporters and then turned over to the managing editor of the day for headings. Some one failed to read the name of the "league-leading Texas Longhorns."

Then yours truly stated that Pete Watkins would enter the high jump only and leave the hurdles to Fred Wolcott. It should have been Fred Wolcott's follower.

At the same time the ball club is in Austin, the Aggie netters will

## Fish Nine, Yearlings to Fight It Out Today

Fish Have Played No Games to Date; Quality Is Unknown

While Coach Marty Karow's Aggie nine are fighting a "do-or-die" battle with the Texas Longhorns at Austin the cadet freshman team will also be busy in a tilt with the Texas Yearlings. They will attempt to protect the glory of the Aggies at Kyle Field, while the varsity will put out everything they have in attempting to dethrone the Steers.

According to the latest reports from the weatherman, the game will be played in bright sunshine. The past week's rain has played havoc with the freshmen, causing the postponement of three tilts—one with the Allen Academy Ramblers and two with the Yearlings.

Nothing is known about the team, except that there are many eager diamonders who hope to show their stuff to Coach Harry Faulkner. They have been working out regularly since the latter part of March, and are ready for some competition.

This fracas with the Shorthorns will be one that the fish will attempt to win above all others. They have, like their "big brothers", fallen before the Texas freshmen in all athletic contests. A win over Texas will be enough to give them a successful season regardless of any other losses concurred during the season.

### Basketball Spring Training Now in Progress

Recently Appointed Coach Marty Karow Is Training Aspirants

Officially starting last Monday, spring basketball training is now in progress with the new coach Marty Karow instructing varsity cage aspirants. The training will continue until the latter part of May.

The Varsity has five lettermen returning, Bill Henderson, Fred Nabors, R. B. Bayer, Art Jarrett, and Charlie Stevenson. Handicapping the team will be the loss of Dog Dawson and Sammy Dwyer. Mike Cokinos and Ray Klutz should figure prominently in Coach Karow's plans for they have both put in good games in the past season.

Promising freshman prospects are Jack Robinson and Jamie "Little Dog" Dawson taking the part of the leading candidates. Freshman Andrew Cokinos has signified his intentions to go out for basketball and if he does, it will be the first brother team the A. & M. cage courts have seen in a long time.

Recently elected captain of the 1942 basketball team, lanky Bill Henderson will lead the cagers next year.

The Aggie quintet are taking things a bit easy this week because of Coach Karow being with the baseball team in Austin. They will resume their heavy drilling next week.

## SWC Lead Will Depend On Outcome of the Fracas

Instructor

### Thurman Randall To Conduct Three Day Rifle Classes

Dates Are April 29, 30 and May 1; All Aggies Invited

Holding classes in rifle instruction, Thurman Randall, director of the National Rifle Association, will be on the campus April 29, 30, and May 1. Randall is the holder of six world records and has shot 196 consecutive bulls eyes at 200 yards. He is recognized as one of the nation's outstanding riflemen.

Randall will be assisted by Lee Braun of Austin and Willett Kuhn of Bridgeport, Conn. Kuhn is also one of the superior riflemen in the country.

All Aggies are invited to join the classes and receive training for rifle instructorship. There will be a cost of 75 cents to every man to cover the cost of ammunition and targets. All persons interested are asked to contact J. W. Potts of the extension service. His telephone number is 4-6324. Potts especially asked that all persons call soon so that an early check can be made.

The classes will be held from 8 to 10 in the morning and from 3 to 5 in the afternoon and they will use the rifle range under the stadium.

### Tilt to Pit League Leading Hurlers Together

By Mike Haikin

Coach Marty Karow and his determined Texas Aggie nine left the campus Friday afternoon as they trod on to Austin and Carter Field for a one game stand against the powerful Texas Longhorns this afternoon. The game was originally set for Friday, but due to the wet grounds, the officials of both schools decided to advance the date to Saturday.

This game is important in more than one way. In the first place the Southwest Conference lead is in the balance on the outcome of the fray. Then, too, the game will pit two of the leading hurlers in the league. Lefty Bumpers and Melvin Deutsch have been fighting it out for top honors since last year, and both are eager and looking for a victory. Bumpers has fared better in the won and lost column this year, but Deutsch has been more consistent. Both have been defeated once—Bumpers by Rice, and Deutsch by S. M. U. Lefty showed more brilliance in his victory column by pitching 23 consecutive scoreless frames for two shutouts, while Mel was pounded good and hard in his victory over Rice and T. C. U. He also holds a win over the Mustangs.

Captain Marion Pugh and Marland Jeffrey are the hard-hitters on the team and will attempt to lead the cadet offense. Jeffrey, who partols the right garden, is the leading Aggie hitter up to date. Pugh, too, has a respectable average, and is leading the cadet team in circuit blows. Bill Bue-

get their crack at the strong University squad here this afternoon. The Texas team had turned in some fine showing already this year, the last being the defeating of the S.M.U. Mustangs, 4 to 2. The Ponies beat out the cadets here some three weeks ago, 4 to 3.

### Intramurals

## Indoor Intramural Games Take Lead as Rain Causes Cancellation of 150 Games

After another week of rain and cold weather, Spring seems to have sprung once more—thanks to the Infantry Regimental Ball. Approximately 150 games have been rained out. Most of these were softball and all will be rescheduled as time and weather permit.

Too many forfeits have been coming up in ping pong and swimming. For the benefit of the swimmers who are hesitating about going out because of a shortage of wind, the maximum length of any swim is only 40 yards—across the pool and back.

- #### FORFEIT DOGHOUSE
- A Signal Corps (3)
  - D Field Artillery (2)
  - B Cavalry (2)
  - C Infantry
  - 4th Corps Headquarters (2)
  - E Engineers
  - A Field Artillery
  - B Field Artillery (2)
  - 2nd Headquarters Field Artillery
  - A Cavalry (2)

3rd Headquarters Field Artillery downed A Infantry on the ping pong tables to the tune of 4-1. Ravey, Burns, Ashley, and Barker turned in wins for the Artillery and Miller won for the Infantry.

F Infantry came through with another win in the pool. Headquarters Signal Corps gave them

a tough fight that found the meet tied up 9-9 until the last event. Noton, Perkins, Grohn, and Elliott splashed through the free style relay in 3:10.9 to annex another first place and the needed extra points.

4th Corps Headquarters stepped into the semi-finals of volleyball in an easy 2-0 win over B Chemical Warfare. The first game only went to 15-2 but the going got tougher for the second lap and was settled at the 15-10 mark.

A Chemical Warfare nosed 5th Corps Headquarters out of running to take a league championship in horseshoes. The score of 2-0 was run up when Pyeutt, Terrell, Warnke, and Levey won their matches and made it unnecessary to complete the third one.

Headquarters Cavalry topped their league in horseshoes by winning from C Coast Artillery 2-1. Galt and Melancow won the first game for C Battery but the second and third contests were taken by Holt, Maloney, Plyler, and Garza to give the match to Hq. Troop.

Headquarters Signal Corps and A Chemical Warfare swam to a 19-19 tie in their league B meet. Both teams' entry in the medley relay were disqualified on the breaststroke kick, but the other entries were very evenly matched. A fast free style relay in 1:43.9 closed the meet even up.

### Del Rio Joe Bought by Schreiner

An interesting fact to horse breeders is the recent purchase of Del Rio Joe, champion Quarter horse, by Charles Schreiner II of Kerrville and Dallas, from Robert M. Denhardt, secretary of the American Quarter horse association and Instructor in Agricultural Economics at Texas. A. & M. The price was said to be a "fair figure."

Del Rio Joe was grand champion at the Stamford Quarter horse show last July 4. That he is a true breeder may be seen by the fact that one of his colts placed third in his class at the Fort Worth Fat stock show last month. Also, Joe is a good roping horse. He was used by "champion cowboy" Fred Dalby in the Saddle and Siroin rodeo last fall.

A survey by students at Sarah Lawrence college resulted in \$325,000 slum clearance grant for Bronxville, N. Y.

Individual advanced research work in psychology is being conducted by 12 undergraduate honor students at City college, New York.

### State Highway Pistol Team to Meet Aggie Shooters

The State Highway Police Pistol team from Austin will be the guests of the Aggies, as the cadet pistol team winds up its current schedule. Don Lawrence will lead the police team, and will attempt to surpass his record on the 25 yard police course with the .22 caliber pistol.

The Aggie team has won 15 out of 23 matches this season, and hopes to put a grand climax to their successful season by taking the policemen into camp.

### Freshmen Meet Houston Squad Today

Swimmers from Stephen F. Austin High School in Houston will compete here today against the Campus Club. The Campus Club is composed of all men out for the freshman swimming team and is captained by newly elected Arthur L. Lapham of Jacksonville.

The meet is scheduled for 3:00 and will serve as a proving ground for the Adamson coached tankers. Both clubs boast talented swimmers and promise a good showing.

### Campus Parking Lot Reworked

The various parking lots located on the campus have recently been reworked in an effort to make them more attractive. The work has been carried on by student labor under supervision of the landscape art department.

A screening effect is given to the lots by placing a short row of shrubs immediately outside the taller ones thus eliminating the plain appearance of the lots. All the plants which have been used have been propagated in the college greenhouse at a saving of several hundred dollars, according to N. M. McGinnis, professor of landscape art. The only expenses connected with this work has been the cost of setting out the shrubs which is done by student labor. All the parking lots on the campus have been screened except the one next to the agricultural building and it will be eliminated in the near future.

### Beaumont Mothers' Club to Give Banquet

Entertaining students from Beaumont and the surrounding area, the Beaumont A. & M. Mothers Club will give a banquet in the banquet room of Sbisahall at 12:30 Sunday. Paul Lowry, president of the Beaumont A. & M. club on the campus, pointed out that boys from Beaumont did not have to be members of the club in order to come. He also said that the boys could bring three guests each.

A group from the Sproule school of dancing from Beaumont will contribute a program of dances, and the Singing Cadets of the college will present several numbers. Colonel Ike Ashburn will be the main speaker.
