PLACEMENT BUREAU
 The Placement Bureau has a list of some of the firms in Houston and surrounding territory that have National Defense Contracts. This list gives the name of the plant, the construction expansion, amount of orders, and the products being built. Senior students interested in looking into this matter should come by Room 133, Administration Building, at their earliest convenience.

PLACEMENT BUREAU
 Association of Former Students
MEAT PACKING JOBS
 A nationally operating meat packing company is interested in receiving applications from senior students who are interested in sales and whose homes are East of the Mississippi River. Interested seniors should come by Room 133, Administration Building, at once.

PLACEMENT BUREAU
 Association of Former Students
DAIRY MANUFACTURING
 There are several openings for students wishing summer employment in ice cream plants. Interested juniors, sophomores and freshmen should see Chas. N. Shephardson, head of Dairy Husbandry, at once.

HITCHHIKERS MEETING
 A meeting will be held after supper Tuesday night in the "Y" chapel for the students who hitchhike. The National College University Travel Club members are requested to be there. Hitchhiking information sheets will be given out to all attending. This meeting is to try to improve college hitchhiking.
 KEYS CARSON

A. & M. DAMES CLUB
 The A. & M. Dames Club will have a picnic supper and game party on Saturday evening, April 26th, at 7:30 p. m. at Col. Ike Ashburn's Ranch House. Each couple is requested to bring a picnic lunch as the Club will furnish the drinks. Everyone will please meet on the steps of the Y.M.C.A. building at 7:00 p. m., and we will leave from there at 7:15 p. m. Transportation will be furnished those not having it. Everyone is urged to attend.

BEAUMONT BANQUET
 All students from Beaumont and surrounding areas are invited to a banquet

Deferments

(Continued from Page 1)

determined their proposed employment after graduation to be of primary importance to national defense. Those who were not granted deferment were asked to continue to accept any employment which they might be able to acquire.

Replies have not yet been received on many students, and it is the request of the commandant's office that those students patiently wait until they are officially notified before coming to the office for the final decision on their questionnaires.

Official lists of those who were granted deferment and of those who were refused will be published from time to time in The Battalion.

Through February, 17,742 cases had been treated this school year at the University of Indiana health center.

The University of Pennsylvania has appointed a committee on national defense to coordinate all of its defense activities.

CROSSING THE BAR

ONE OF RADIO'S best bets is the ensemble singing of Fred Waring's Glee Club, feature of Chesterfield's "Pleasure Time" broadcasts five nights weekly over N.B.C. stations. Waring, who originated the organ-like technique used universally with glee clubs, professional and scholastic, spends hours in the arrangement of each ensemble number. The whole band is drilled to perfection in these vocal get-togethers.

Aggies vs TCU

(Continued from Page 3)

hanan and Cecil Ballow are expected to do their share by shinning afield.
 Jack Stone, who dealt the Aggies misery in their series at Austin last year, is expected to take up where he left off and carry most of the brunt of the attack. He has been pounding the ball hard and often in the past games. Pete Layden and Leslie Croucher are the other boys to watch in this game for they explode very often.
 As the game approaches near in Austin, let us take a look at the record of Texas and Aggie athletic contests this year. Texas is the only team in the conference that has down-trodden the cadets in every athletic event. They started out by turning back the Aggies on the gridiron on that fateful Thanksgiving date. Then, adding insult to injury, they swept the basketball series, and continued on to take laurels in track and swimming.
 Marty Karow, however, promises a different story on the diamond. The cadets will be inspired to great determination to peel the Steers' hide and will attempt to put a monkey wrench in the Texas' aspiration for a twenty-second title.

Uncle Sam Calls Nineteen College Employees for Active Duty in Army

The number of men connected with the college who have been called to active duty with the army has now grown to nineteen. Men have been called from seventeen different departments and branches of the institution.
 The latest to be notified to report is R. J. von Roeder, Jr., assistant professor of animal husbandry. Von Roeder, a member of the Animal Husbandry Department since 1937 and coach of the livestock judging team which placed second at the 1940 International Livestock Show, will report to Ft. Reno, Oklahoma on May 3 as a first lieutenant with the quartermaster corps.
 Besides von Roeder, the following men have been called to active duty:

Capt. W. H. Badgett, Engineering Experiment Station; Maj. H. R. Brayton and Maj. R. A. Eads, Chemistry Department; Lt. R. L. Elkins, Economics Department; Private Kenneth Hedgepeth (selective service) Fiscal Office; Lt. Lee James, Feeding and Breeding Station; Lt. J. R. Ketchersid, Veterinary Medicine and Surgery; Capt. W. V. Maddox, Extension Service; Lt. H. I. Ott, Veterinary Physiology and Pharmacology; Lt. T. S. Ozier, Veterinary Pathology and Bacteriology; Lt. J. O. Pasco and Lt. C. M. Simmang, Mechanical Engineering Department; Lt. Raymond Rogers, Buildings and College Utilities; Lt. Ormond Simpson, Student Labor Committee; Lt. D. W. Stebbins, Physics Department; and Capt. A. B. Stevens, Petroleum Engineering Department.
 Capt. W. S. McCulley, formerly of the Mathematics Department, and Lt. Joe E. Davis, Assistant Commandant, are on active duty here at the College.

Ag Day

(Continued from Page 1)

has earned for itself the reputation as the preview of the Southwest Conference Track Meet. Immediately following the track meet, A. & M. will tangle with S. M. U. in a baseball game at Kyle Field.
 During Saturday all agricultural departments of the school will hold open house and display the products of Texas Agriculture Displays, shows, exhibits, demonstrations, and movies will make up the major portion of the days activities. Departments which will take part in Saturday's activities are Accounting and Statistics Department, Agricultural Economics Department, Agricultural Education Department, Agricultural Engineering Department, Agronomy Department, Texas Agricultural Experiment Station, Texas Agricultural Extension Service, Animal Husbandry Department, Cotton Marketing Department, Dairy Husbandry Department, Entomology Department, Fish and Game Department, Entomology Department, Genetics Department, Horticulture Department, Landscape Arts Department, Poultry Husbandry Department, Rural Sociology Department, and the Texas Forest Service.
 A baseball game between A. & M. and S. M. U. on Kyle Field at 2:30 p.m. will conclude the activities of A. & M.'s first "Ag" day.

The exhibition was divided into 2 sections. Section 1 was composed of all kinds and varieties. Most of the winners in this section were women although a few men carried away a few of the honors. Section 2 was composed of the men's division, the boys' division, the children's division, and the sweepstakes. The sweepstakes is the outstanding exhibit of the show.
