Aggies Clean TCU Baseballers as Old Sol Condescends to Do a Little Work

By Dub Oxford
The sun has favored us with its presence this week end and Thursday it kept shining for the Aggie-T. C. U. game. Maybe old Sol was on our side, for the Aggies took the Horned Frogs for a frying 14 to 6. Whether this weather will hold for the rest of the week is a debatable proposition. It has been said that this is the month that College Station condescends to give some of its rain to the rest of the world.

Although Charlie Stevenson finished for the Aggies in the Aggie-Horned Frog game after Henderson was chased out in the fourth, the win was credited to Henderson.

This makes him undefeated in conference play and eligible for a letter.

Irvine McKey, Aggie sophomore sprint star in the 100 yard free style will be a strong contender in the Southwestern A. A. U. senior swim and diving meet. The meet is being held this afternoon and night at the Dallas Athletic Club. Coach Adamson is depending on McKey to do his share of piling up points.

For the first time in the swimming history in the Southwest a national champion swimming champ will award a trophy to the outstanding swimmer of the year in this section. The Adolph Kiefer Trophy will be presented tonight after the finals in the Southwest A. A. U. meet.

Five Texas Aggie tankmen went to Dallas and the men from A. & M. who will be eligible are: Bob Taylor, Harold Hensley, Jimmy Davis, Happy McKey, and Bob Cowling.

Pulling a muscle earlier in the season, Derace Moser recovered satisfactorily but it seems that hard luck is dogging Derace. In the Drake relays he pulled another muscle and is now on the shelf for the rest of the season. Moser will be sorely missed by the team especially in the "Big" Conference Meet on May 10. Moser is an anchor man on both relay teams.

Freshman swimming is not a recognized sport so the freshman varsity aspirants swam the Stephen F. Austin High School last Saturday and walloped them 50 to 24. The Aggie fish swam under the name of the Campus club. Amusing incidents of the meet was the throwing of Bob Taylor into the water. Taylor, who was fully clothed at the time, has been coaching the fish team during the absence of Coach Art Adamson.

The date for the impending water carnival has been definitely set for May 9 and 10 and the swimmers have been in hard practice working up stunts for the event. A sure fire event of the carnival will be a water polo game played the length of the pool instead of the width.

Station KGNC, Amarillo, and KRIS, Corpus Christi, recently carried a national Extension Service radio program devoted to the cotton mattress demonstration program in Alabama.

TU Wins Track Meet Over A & M, Rice

Scores 75 Points Out of A Possible 170

Texas Establishes Itself as Favorite To Win Conference

By Jack Hollimon
The "Little Conference Track Meet" held on Kyle field yesterday afternoon saw Texas University put down Rice Institute and Texas A. & M. with 75 points over the Owls 51½ marks and A. & M.'s 43½ points. Texas kept the Aggies and Rice well in hand most of the meet to establish themselves as odds on favorites for another Conference championship. This conference meet takes place in Austin next week. Roy Bueck of A. & M. and Harry Haffernick of Texas tied for high points with 10 each.

Highlight of the afternoon, and an outstanding example of Longhorn talent was speed merchant Carleton Terry's spectacular and hard to believe time in the century dash of 9.2. Terry was helped greatly by a stiff breeze, but nevertheless his run will go on the books as an unforgettable time. Fred Ramsdall of Texas chased Terry across to grab second place from little Joe Blagg of Rice. Earl "Bama" Smith closed fast for fourth position. The world record for 100 yards is 9.4 and even with a wind, .2 of a second is a lot to clip off. His injury in the 220 yard dash will not keep him out of the conference get together next week, according to Texas coach Littlefield.

440 yard competition ended with Harold Hill of Rice spinning around in 50.1 seconds to beat Mac Usmtadt of Texas. Neath of Rice and Sparks of Texas got third and fourth respectively.

Rice's Owlets took the freshman division of the meet by scoring 60½ points to the Shorthorns' 57 scores. The Aggie Fish brought up the rear with 41½ points. Cummins of Rice was high-point man for 1st year contestants with a total of 22½ points piled up in several events.

Moving with ease of motion and beauty of stride, Harry Haffernick won easily in the mile and two mile runs. His kick was too much for Gus Laney who valiantly took second place in both races. Stewart of A. & M. gained third spot over Hardy of Rice in the mile, and Elmore clinched third for Aggeland in the two mile heat.

Frogs Make Many Errors as They Lose 14 to 6

Bunching six of their fourteen hits for seven runs in the opening frame to go along with a score of errors, the Texas Aggies walloped the T. C. U. Frogs, 14 to 6, in a wild and free scoring tilt played here Thursday afternoon.

This game was no pitching duel as the first inning indicated. Nine runs were accounted for in this canto, with the Aggies getting the best of the ordeal. A mental lapse by the Aggie first baseman Pugh contributed greatly to the T. C. U. cause. With the bases loaded Dennis Tankersley, Frog gardener, hit a grounder to force Sorrels at second. The ball was relayed back to Pugh who thought he had completed a double play. Rusty Cowart and Ralph Tankersley both scored as the Aggie first sacker held on to the ball.

Bill Henderson started on the mound for the cadets and received credit for the win and his fourth letter at Aggeland. However, he was wild as a March hare, and had to give way to rotund Charlie Stevenson in the fourth with the bases loaded. Charlie then brought a gleam in Coach Marty Karow's eyes as he proceeded to pitch excellent ball. Stevenson's sudden return to form should lessen Karow's worry in his dire need for hurlers.

The Aggies had three big innings in which they pounded the Frog hurlers hard and often. They shelled A. J. Brumbaugh, starting Toad hurler before he could even get warmed up, and continued their assault on Vandervolk and Adams for their other runs. Thirteen men faced the Frog hurlers in the opening frame to account for seven runs. The cadets added three more in the third canto on Buchanan's double, Francis' walk, Scoggin's single, and Jeffrey's solid smash.

Four more runs trickled across the plate in the fifth inning as the cadets ended their scoring for the day.

The Aggies, in general, played a smart and cautious game. Besides their exceptional hitting, they fielded like veterans, accounting for four twin killings. Jack Lindsey, hustling second sacker, figured in three of the double plays. Lindsey (Continued on Page 4)

Annual Water Carnival Is Set For May 9 and 10

Friday and Saturday, May 9 and 10, nights have been set aside at the ole swimmin' hole at Aggeland for the Annual Water Carnival. This year's show is expected to exceed by far the fun, show, and aquatic ability of the past years. Highlight of the carnival will be the parade of beautiful damsels dressed in what the stylish bathing beauties will wear on the beach and in the pool the coming season.

Other events on the schedule will be clown diving, fancy diving, water polo games and a specialty act from Baylor University. Chick Denny and Scotty Potter play the parts of the fools on a ten foot board and are well able to pull laughs from the most depressed individuals.

The program from Baylor is put on by Young and Bland. It consists of a trapeze act over the water, a diving exhibition, and antics on the teeter board. Young holds the Texas A. A. F. diving championship and promises the tops in that field.

Water polo teams composed of players from the old and new areas respectively will clash against each other in the game Saturday night. Plans for the game on Friday night have not been completed as yet but well matched teams are promised.

The Carnival is scheduled to begin at 7:15 on both nights in order that the show will be completed before dance time. Benefits of the entertainment will go to help defray the expenses of the Water Polo team

E Field Artillery Fish Prove Superiority in Horseshoe Pitching

By Bob Myers
Winners of this season's Class B Horse shoe pitching came from E Field Artillery. In their final game with G Coast Artillery, they proved their superiority by downing the Coast team 2-0.

Harang and Schaper won the first match over Buniva and Lutz to make the score 1-0. In the next win for E Battery, Bumstead and Carlisle capitalized on their superior ability and outpitched Winchester and Carter. With the score standing 2-0, it was not necessary to complete the third match. Both teams presented good pitchers and showed that the two top outfits battled it out for the championship.

Five Cadet Swimmers Leave For AAU Swim Meet

Swimming coach Art Adamson and five Aggie swimmers left for Dallas Friday to compete in the Southwestern A. A. U. Indoor Swimming and Diving Championship for men.

The meet is to be held today and is being sponsored for the second year by the Dallas Athletic Club. Last year's meet was highly successful and was representative of all major schools and colleges of the Southwest. Many of the entries will be veterans while newcomers will be trying to unseat the champs to win glory for themselves.

Aggies making the meet are Bob Taylor, who specializes in the 220-yard and 440-yard free-style. He will also be a member of the four man and medley relay teams; Harold Hensley, 100-yard and 220-yard free-styler and member of both relay teams; Jimmy Davis, 100-yard free-style artist and member of both relay teams; Happy McKey, 100-yard free-style and member of both relay teams; and newcomer Bob Cowling who swims the 100-yard breaststroke.

At the close of the meet, all coaches present having entries in the meet will vote by ballot for the outstanding swimmer of the year. This man will be awarded the Adolph Kiefer Trophy which is given by Kiefer, a national swimming champion.

Aggies Continue Hitting Assault Against Mustangs

Scoggin and Lindsey Hit Homers for Aggies; Final Game Scheduled Today

By Mike Haikin
Continuing their furious hitting assault where they left off against T. C. U., the Texas Aggie nine pounded out an 8 to 3 victory over the S. M. U. Mustangs here yesterday afternoon in the first of a two-game series.

The teams conclude the series this afternoon at 2:30 with Roy Peden slated to hurl for the cadets and Etwel Tesson being the probable choice of Coach Roswell Higginbotham to attempt to square the series at one all.

Hitting when hits meant runs, the Aggies accounted for five extra-base blows, including homers by Jack Lindsey and Johnny Scoggin. Bruce Kilmer of S. M. U. hit for the circuit in the sixth frame to put the Mustangs into a short-lived lead.

Lefty Bumpers started for the cadets and had the Mustangs well in hand but two innings. Besides whiffing ten men and walking only four, the cadet ace southpaw also contributed to the Aggie offense by slamming out two singles and batting in one run.

Brooks Atchison, star twirler of the Mustang staff, pitched good enough to win any other game, but the Aggie extra base hits were too much for him. He seemed headed for victory after Kilmer's fourth blow in the sixth, but the cadets weren't to be denied.

The Aggies broke the ice in the second frame accounting for two tallies. Scoggin was safe on Davis' error and scored behind Lindsey as Jack caught one of Atchison's fast

ones and sent the ball reeling onto the track field.

However, the Mustangs deadlocked the count in their half of the third. Aulenback opened with a walk and advanced to second as Atchison sacrificed. Bedssole singled to center, with Aulenback stopping at third on Francis' fast throw-in. Pugh, however, let the ball get through him, with the Mustang catcher scoring on the error. Bedssole advanced to second. Kilmer then smashed a hit into center to score Bedssole.

The score remained deadlocked until the sixth when Kilmer picked one to his liking and sent the ball flying far over the left field wall (Continued on Page 4)
