Prediction—Campus Cleaners to Win First Term Softball Crown But After Hard Fight

The Twilight League is in its second week now, with the competition getting steeper as the campaign goes on. Four teams—Campus Cleaners, Campus Theater, Aggie Cleaners, and Aggeland Pharmacy—are leading the parade. As the writer indicated before, the big fight is going to be between the first three teams mentioned above. At this time, however, it looks like

the Campus Cleaners, behind the able guidance of Wayne Todd and the sensational pitching of Maxie Bloodworth and Rudy Rutherford, have the old softball flag sewed up. They have everything—a softball team should have—pitching ability, hitting consistency, clean fielding, and, above all, the fire and hustle. It's going to take a mighty superb team to edge the Cleaners out of the title.

Marshall Robnett to Have Leg Worked on In Dallas or Houston Sometime Next Week

Football again pops into the Aggie news, but it's not as pleasant as one would have it. It's all about Marshall (Foch) Robnett, one of the greatest of all Aggie athlete greats. Robnett, as it will be remembered, seriously injured his leg in the Cotton Bowl game with Fordham. He is planning to have that leg worked on either in Dallas

Marshall Robnett

or Houston sometime next week so that he may take a fling at pro football. He planned to turn professional before the Cotton Bowl game, but the injury prevented him from signing up with anyone. If he does return to action with some pro club, Robnett would undoubtedly be one of the greatest linemen in the history of pro football. That is not a rash statement as many close followers of the gridiron game will agree. At any rate, here's wishing the big blond firebrand from Klondike all the luck and glory in the world!

Lefty Bumpers Signs Contract With Detroit Tigers and is Sent to Pitch With Beaumont

Lefty Bumpers, who just missed by the hair of his teeth, hurling the Texas Aggie nine to a baseball championship this past year, impressed the Detroit Tigers at their training school and has been given a contract. Bumpers is now with the Beaumont Exporters of the Texas League, and is due to give the Shippers plenty of help. He did a three inning relief stint last Sunday, holding his opponents to

only one run. Lefty has all it takes to become a great hurler, and, if he learns to control that occasional wild streak in him, there's no stopping the southpaw.

The Twilight League Opens!

Luke Harrison's huge softball program got underway Monday, a week ago, but here's a shot of Wednesday's game between Campus Theater and North Gate Project House. The fray was replayed the following day because of the inconsistency of the rules. Campus won the game, 11 to 6. The batter in the above picture is Clint Edison, Campus Theater second-sacker, the catcher is Perry Walker, and the umpire is R. C. Schiurring.

Rudy Hurls Perfect Tilt To Down Milner Hall, 6 to 0

Contests Show Fire and Spark Throughout Last Week as One Team Knocked Off Lead

Rudy Rutherford, ace hurler of the Campus Cleaners, took up where his pitching mate, Maxie Bloodworth, left off, and hurled a no-hit, no-run game over the Milner Hall Highballs, in the feature tilt of a thrilling week of softball. The score was 6 to 0.

In another contest that had everyone on edge, Bill Moore's homer with the bases loaded in the final frame brought Seaboard Life a hard-earned victory over the North Gate P. H. Monday evening, 10 to 7. The North Gaters led all the way until Moore, the pitcher with the questionable delivery, lost control and walked three men. Then Seaboard Life's Moore stepped up and delivered the telling blow.

seventh—accounted for twelve of the runs.

Blasting out five runs in a hectic first inning, the Campus Theater ten continued their onslaught throughout the game to down the hapless North Gate P. H. 11 to 6. Thirdbaseman Farrow, with three blows, led the Theater attack. This game, which was scheduled for last Wednesday, was replayed Thursday, due to infraction of some rules.

Monty Moncrief's Aggeland Pharmacy continued their heavy hitting attack as they overwhelmed the hustling but outclassed Rivet Busters ten, 9 to 2. They accounted for two runs in the first, three runs in the third, and four tallies in the fourth to complete their scoring for the day.

Legett Hall forfeited its games to Campus Cleaners and Campus Thetaer, respectively, and is practically considered to be out of the league. The Lipscomb Pharmacy-Aggeland Pharmacy game was called off at the seventh inning because of darkness and will be replayed at a later date.

Jimmy Parker's Aggie Cleaners found the going easy in their game with the Rivet Busters as they pounded out a 7 to 2 victory. Six of those runs came in the last three frames as the Parkermen found their batting eyes. Slats holder's relief hurling was the high spot of the game.

Campus Cleaners and Bryan Cafe Play to Tie

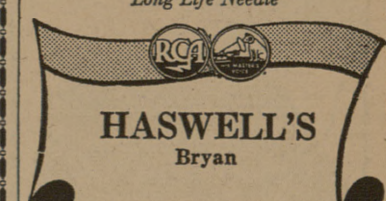

The Campus Cleaners and the Bryan Cafe ten fought for ten innings to a standstill Friday night at Bryan, with the game finally being called off with a 3-3 count. Maxie Bloodworth and Rudy Rutherford shared mound duties for the Cleaners, with each doing an excellent job of hurling. Bloodworth started but gave way to Rutherford in the late innings. Rudy then proceeded to hold the locals at bay, striking out some half dozen of them.

Wayne Todd, manager of the Cleaners, expects to schedule three or four more of these out-of-college exhibition games.
