SENIOR MEET
(Continued from page 1)
Faculty Committee. This year the official trip will be to Fort Worth for the TCU game and a petition will be presented for a trip to Houston for the A. & M. - Rice game.

A discussion of the results of the Motion Picture Committee will be presented to the class. The affair began in the spring of 1940 when the Aggies found that it would be impossible for them to obtain first run pictures for the theaters at College Station. When this situation could not be remedied by arbitration a drive to attend local theaters was begun and continued through last year. In the spring of last semester a committee was organized and an arbitration board began legal action which was carried on through the summer.

CENTERS
(Continued from Page 2)
two seasons ago. If Williams comes through then all will be solved but if he doesn't then another shift will be necessary and almost anyone may land at the pivot post.
To add to the problems at center, Leonard Holder, San Antonio senior, who is eligible for the first time since 1938, has been called by his draft board for physical examination this week but may be deferred because he is enrolled in the advance military science course leading to a commission.
