

Varsity-Fish Tilt Gets Under Way at 3:15

ON KYLE FIELD

With Mike Haikin

Sports Squibs From Here and There; Skarke And Sibley Recovering From Minor Injuries

Dick Skarke, understudy for Willie Zapalac at the blocking back position, is recovering rapidly from his knee injury . . . he has been hobbling around the field with his game clothes on, but has not been doing any heavy work . . . Ditto for Dub Sibley, who was in the college hospital . . . both should be ready for the season's opener . . . Guard V. D. Basey, one of the most promising candidates on the Texas U roster, and Ralph Park, second string wingback, have dropped from the team due to injuries . . . DIDJA KNOW . . . that there are only 12 fifty-yard line seats in the Kyle Field Stadium

Herb Skidmore Answers Call for Center

Aggie Sophomore Is Former No. 1 Longview Center

Herbert Skidmore, 165-pound sophomore of G Battery, Coast Artillery, answered Coach Homer Norton's call for varsity centers Thursday afternoon. Skidmore played on the Longview Lobes' state championship team of '37 and lettered at center the following two years. He was selected as second-string center on the mythical All-District Team at the end of his last year of high school football.

Under DeWare

Coach Norton is impressed with Skidmore's work and is having him workout every day. Skidmore has been placed under the tutelage of Freshman Coach Charlie DeWare, former Aggie great who was All-Conference center in '36.

A number of other boys turned out but Skidmore was the most promising candidate of the group. He is already making a good showing and may develop into a perfect answer of Coach Norton's plea.

Sibley O. K.

Dub Sibley, who was knocked unconscious in Wednesday afternoon's scrimmage, is out of the hospital and will be back in the middle of things in a day or two.

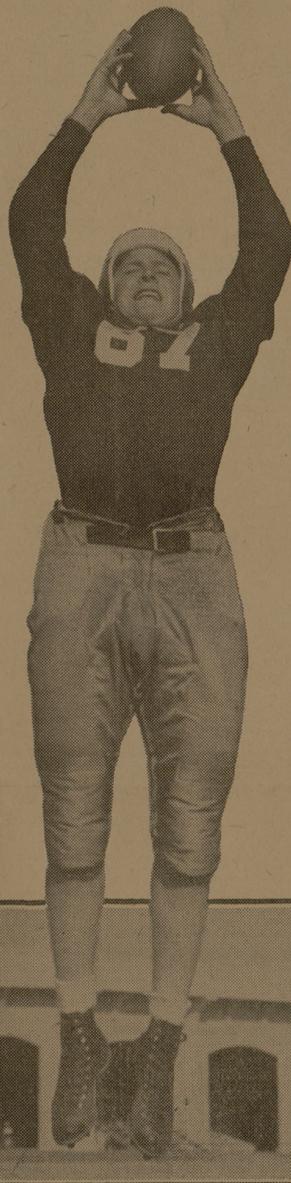

An average length feature picture is made up of about 96,000 separate pictures.

All Color of Real Game To Be Present on Kyle Field

Sneaking a preview of Texas Aggie football, the cadet corps will have a chance to see the team in action this afternoon on Kyle field at 3:15 p.m. Action on the field will be between the Varsity and the Fish and the game will not be without all the color of a regular gridiron match. On hand for the battle will be the Band, yell leaders, programs and of course the soft drink concessionaires.

This will be the second time that Coach Norton will give his remodeled Texas Aggie machine a test flight. The Varsity met the Fish in a preliminary game Wednesday and the team won over the Freshmen by a 27 to 0 score. In the Wednesday game touchdowns were scored by Sterling, Pickett, "Bama" Smith, and Daniels. Dub Sibley showed good form in a goal line stance. He and the center of the line held the middle against four hard tries the fish made in an attempt to score from the one yard line.

The Sam Houston Bearkats met the Lamar Junior College Cardinals last Thursday night and Coach Norton had three of his men on hand for espionage purposes.

They came back with a wealth of material out of the 51-6 victory scored by the Teachers. The ineligible and Fish have learned the plays that the Teachers used and the Fish will be the "Bearkats" this afternoon.

The Fish have been undergoing fairly heavy drills in order to get them ready for the Varsity. The line, coached by Charlie DeWare, and the backs, coached by Manning Smith, will be more than ready for the encounter. Helping the coaches are Dog Dawson, Bill Conatser and Bill Buchanan, former Aggie greats.

The highest ranking cadet officer in 1908 was a major.

CHECK UP! AGGIES

"Check up" on the items you've no doubt overlooked in your rush to get in uniform. Here are many necessary things every Aggie will need.

ATHLETIC GOODS

INTRAMURALS

Class A	Class B
Basketball Sept. 29	Touch Football Sept. 30
Water Polo Oct. 6	Swimming Sept. 30
Tennis Sept. 30	Swimming Sept. 30

There will be a meeting of all sophomores who are interested in becoming intramural departmental managers on Tuesday afternoon, September 23. The meeting will be held at 5:00 p. m. in the intramural office and the purpose of the get-together is to give a thorough understanding of the duties and benefits of the position.

Any sophomore who is interested and who desires to render a service to the corps while having some genuine fun in running off athletic contests is invited to attend this meeting.

To a large extent, the success of the Intramural Athletic program of Texas A. & M. depends on the sophomore department managers. Not only do they do the bulk of the sport administration, but from their ranks are chosen the nine junior departmental managers and finally the three senior departmental managers who supervise the entire program.

Texas is the only state that was a nation before becoming a state.

Thanks, Aggies . . .

We appreciate the business you have given us and we want to take this opportunity to thank you.
