## Ags Clash With Bearkats in Opener Today

### Juniors Elect Miller Class Prexy

**Nance, Kiser, Jones, Cardwell Chosen at Meeting**

Jack Miller, C Cavalry, was elected president of the Junior Class at the organization meeting held last night in Guion Hall following yell practice.

Other officers of the class of '43 are Austin Nance, C Coast Artillery, vice-president; Wade Kiser, secretary; Eddie Jones, treasurer; and Walter Cardwell, historian. The three junior members of the student welfare council are Moffit Adams, Edward Gordon, and Dick Downey.

Besides the election of class officers, the Junior Class also discussed the motion picture situation and reviewed the junior section in Kyle Field for the football game today.

Miller was opposed in race for the presidency by Bill Galloway, G. C. Carruthers, and Bill Dreiss. Nance was victorious over Steve Kaffer, Bland Harrison, Leo Pickoff, and Gene Goppert.

Candidates for the office of secretary included Kiser, the winner, Ford Allbritton, Goldie Miller, Loren Maples, Bob Moore, and Joe Maples.

Eight candidates sought the office of treasurer. They were Jones, Earl McChesney, Don Little, Frank Young, Lee Housewright, Mervin Jenkins, Henry Crew, and Bill Parker. Cardwell and Don Sutherland were the only men in the historian race.

### Pre-Medics Hear Dean T. D. Brooks At Opening Meeting

Dr. T. D. Brooks, Dean of the School of Arts and Sciences, spoke before the Pre-Medical Society last Thursday at the club's first meeting of the current year.

Addressing the 75 members present, Dr. Brooks made clear that he was pleased with the new Pre-Med curriculum and that he was proud to state that the pre-med graduates of this college who later attended medical school possessed a very high rating there.

### Tenth Annual Show Horticulture Society Planned in November

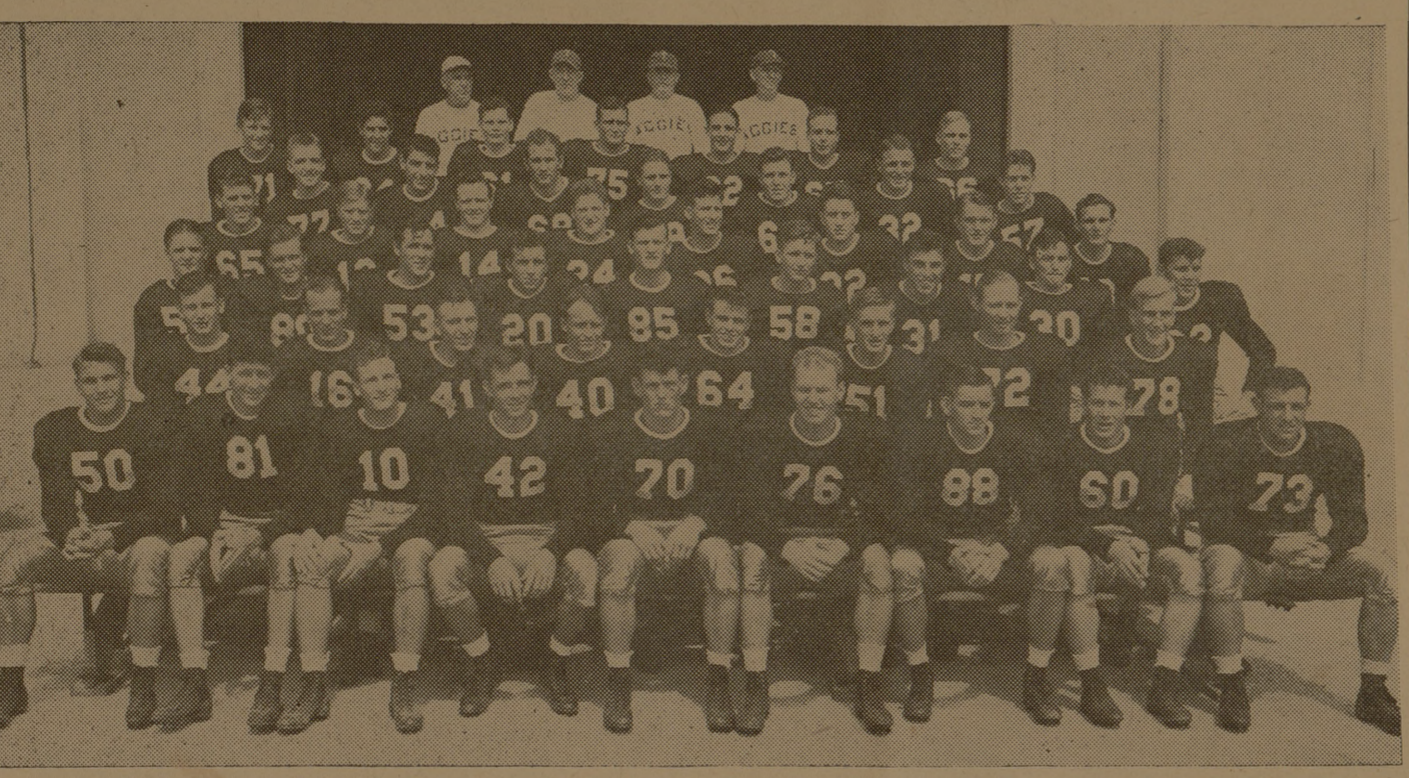

Arrangements for the tenth annual Horticulture Show which is being tentatively planned for November 24 and 25 of this year was the object of the Horticulture Society meeting last Thursday.

The soliciting of all growers in the Valley to enter competition for two silver plaques, one for the best box of grape fruit and the other for the best box of oranges was also discussed.

### E. C. Hartman Made Secretary of AIEE

E. C. Hartman was elected secretary at the first meeting of the local student chapter of the A.I.E.E. on Thursday night. M. A. Miller and D. S. Lansdon were elected, respectively, senior and junior representatives to the Student Engineering Council, L. C. Streater and John Persohn were appointed program chairmen and George C. Sumner was appointed representative to the Engineer.

## The 1941 Edition of the Texas Aggies

Front row, left to right—Bill Sibley, Abilene, center; Jim Sterling, Panhandle, All-Southwest Conference end; Marshall Spivey, Lufkin, wingback; Derace Moser, Stephenville, tailback; Don Luethy, Monahans, tackle; Jim Montgomery, Moran, tackle; Bill (Jitterbug) Henderson, Houston, end; Lester Richardson, Houston, guard; Bob Tulis, Fort Worth, tackle.

Second row—Leo Daniels, Bryan, tailback; Earl Smith, Frisco City, Alabama, wingback; Sam Porter, Cleburne, tailback; Bob Williams, Eldorado, tailback; Felix Bucek, Schulenburg, guard; Leonard Holder, San Antonio, center; Leonard Dickey, Alto, tackle; Jack Swank, Dallas, tackle.

Third row—Arthur Mercer, Temple, center; Maurice Williams, Marlin, end; Sam Rankin, Brenham, center; Dick Skarke, Schulenburg, blocking back; Truman Cox, Donna, end; Freddie Wolters, Dallas, end; Dennis Andricks, Houston, fullback; Jake Webster, Sweetwater, fullback; Willie Zapalac, Bellville, blocking back.

Fourth row—Charles Miller, Belton, guard; Tom Pickett, Temple, wingback; Cullen Rogers, Mart, wingback; Lincoln Roman, Houston, blocking back; Marion Slaughter, Houston, end; Elvis Simmons, Somerville, end; Fount Wade, Lexington, tailback; and Harold Cowley, Freer, end.

Fifth row—Jamie Dawson, Crockett, end; Martin Ruby, Waco, tackle; Zolus Motley, Abilene, guard; Jimmie Knight, LaGrange, guard; Roy Bucek, Schulenburg, guard; Bill Andrews, Amarillo, fullback; and Owen Moore, Ft. Riley, Kansas, end.

Sixth row—Johnny Stout, Handley, end; Dan Levy, Corsicana, end; Ray Mulhollan, Belton, guard; Euel Wesson, Temple, tackle; Welton Maples, Fort Worth, guard; Wayne Cure, Gilliland, guard; and Shelton Wagner, Yoakum, guard.

Back row—Head Coach Homer Norton; Backfield Coach Marty Karow; Line Coach Bill James and End Coach "Dough" Rollins.

## Reserves Expected to Play Large Part in Cadet Attack

10,000 Fans Expected for Game This Afternoon; Opening Kickoff Set for 2:30

Coach Homer Norton's "dark horse" Texas Aggie football team will get its first test of the season this afternoon on Kyle Field when it faces the classy Sam Houston State Bearkats of Huntsville in the season's opener. Game time will be 2:30.

It will be a remodeled Cadet Eleven that will trot out on the field today. No longer will such names as Kimbrough, Thomason, Pugh, and Robnett grace an Aggie lineup. Only two members from the 1939-40 great aggregation—Derace Moser, ace halfback, and Jim Sterling, All-Conference end—are back, but in Martin Ruby, big and aggressive tackle from Waco, and Bill Henderson, tree-top end from Houston, Coach Norton will have some replacements for part of last year's teams.

Moser will be the chief offensive threat in the backfield, running from the tailback spot. Calling signals from the wing will be Marshall Spivey. In John Kimbrough's place at fullback will be Jake Webster, and Jim Thomason's blocking post will be filled by Willie Zapalac, who was held out last year.

The Aggie forward wall will get its first chance to demonstrate what strength it really has this afternoon against a stern Bearkat line which held the Lamar Junior College to a mere six points last week. Sterling will get the call at the right wing position, and Henderson will be at the other terminal. Tackle posts will be filled by Martin Ruby and Euel Wesson. The guards, which were considered to be the weak link of the line at the start of the season, have been one of the strongest points in recent scrimmages, and this afternoon may answer many question marks. Les Richardson, squadman from last year, and Roy Bucek, letterman, will start at the guard (See AGS CLASH, Page 6)

### The Season's On; Hepcats Take Over Sbsa Tonight at 9

Come all you lovers of the soft melodic strains of the sweet swing and all you admirers of the red hot hep cat tunes, and gather round come tonight's the night.

Yes, tonight is the night. The season officially opens at nine as the doors of Sbsa once again swing wide and let the sounds of the Aggie-land Orchestra rush forth to meet the oncoming dance fans.

Social Secretary Alden Cathey expects one of the largest crowds that has ever attended an opening corps dance to be present this evening because of the many visitors up for this afternoon's football game. He also said that as usual the admission charge of \$1.10 will be charged for the dance.

### Housemovers Clean Campus; Aggies to Have Sports Fields

More baseball diamonds, football fields, plenty of room for organization drills—in fact plenty of room for anything—will be the result of the disappearing houses from the A. & M. campus. Buildings, such as the four new dormitories and the new AAA building, which have already been started, will succeed the houses in a few areas. Plans for a building in which to drill are already being made.

However, to make room for all this, something has to be moved. This "something" is the houses on the campus. Plenty of room is now being made all over the college by moving the houses to the different residential districts that surround the campus.

These areas have grown considerably as a result of all this changing. College Park has taken on size; South Oakwood has several new customers; West Park, south of the project houses, has added a number of houses; and Candy Hill, north of the Veterinary Hospital and on the Sulphur Springs Road, has increased its house population over 130 per cent.

Two years ago, in September, 1939, an order came out informing the people of College Station that by the end of two years—by September 1, 1941—all of the houses on the campus, with the exception of the residences of a few administrative officials, would have to be moved from the campus.

Even with an allowance of two years the house moving did not (See MOVING, Page 6)

### Mess Hall Will Charge 25 Cents To Aggie Visitors

A 25-cent charge will be levied on all visitors in the College mess halls on Saturdays that a varsity football game is played at Kyle Field, it was announced Friday by J. C. Hotard, supervisor of subsistence.

Purpose of such action was explained by Hotard as a means of preventing visitors to Aggie football games from eating free meals at the expense of the cadet corps.

Further mention was made that the system would absolutely not be extended to cover Sundays of football weekends, nor would it be a policy to continue the plan during the social season this spring.

### Bass Speaks To Entomologists On Present War Events

Dr. James H. Bass of the department of history spoke to members and visitors at the first meeting of the Texas A. & M. Entomology club Monday night. His talk concerned the present war situation and the events leading up to the present standing of the countries engaged.

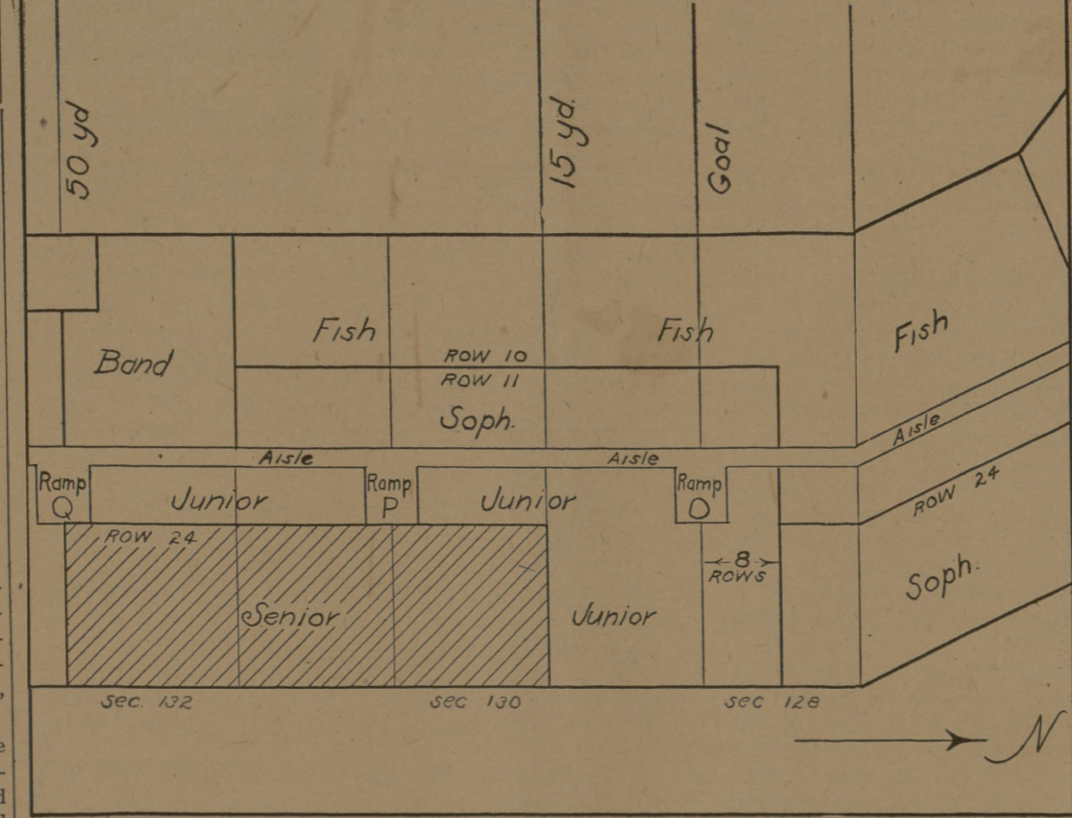

Plans for the coming year including an inspection trip over Texas to visit experiment substations and U. S. D. A. offices and the regular trip to the meeting of the Texas Entomological Society were discussed.

### Math Club Elects Leadbetter President

William R. Ledbetter was elected president and A. C. Leske Secretary Treasurer at the first meeting of the A. & M. Math club Wednesday night. Other officers have, as yet, not been elected.

A large group of Aggies were present for the first meeting Wednesday night to elect officers and lay plans for the coming year. All college men taking mathematics should attend the next meeting of the club. The meeting date has not yet been announced, but all those interested are urged to watch the Battalion for the meeting date.

### The Twelfth Man's Seat at Kyle Field

Beware freshmen, sophomores, juniors; That shaded section is the senior section! From the 50 yard line to past the goal line the 6000 members of the Twelfth Man will watch the Aggie Maroon and White roll on during 1941's football season. The senior section will extend from the 50 to the 15 yard line from row 24, just behind the ramps, up. The junior section will encircle the senior section on three sides. Sophomores and freshmen will be in front of the upperclassmen besides having a section of their own past the goal line.

### Forms Ready For Allocating Activities Funds

Presidents of student clubs should announce to their respective organizations that forms for making application for the Student Activities funds are now available at the activities office by October 10.

The forms contain a list of the income available to the clubs other than the Y funds, together with a list of necessary expenditures to carry on the official business of the organization, arrange for inspection trips, send delegates to state and national meetings, and provide for entertainment and speakers for the club meetings.

### Cryptography Club Announces Officers Chosen for This Year

Officers of the newly organized Cryptography Club were announced yesterday by Harry Gill, president of the club. Those chosen besides Gill were: George Hoskins, vice president; Dan Lansdon, secretary; and Jack Keith, reporter.

The program of the club—the first of its kind ever to be organized at A. & M.—will be to acquaint students who are interested in cryptography with all phases of enciphering and deciphering work, Gill said. Talks will be given by members and by guest speakers. An interesting feature of the club is the plan to have all club announcements printed in code in the Battalion.

At the initial meeting, held this week, K. E. Elmquist, faculty sponsor of the club, discussed the general aspects of cryptography. The next meeting will be held October 7.

### Large Number New Professors Teach at A & M

Twenty-Seven Departments Add Men to Teaching Staffs

As A. & M. gets under way for the '41-42 session, we find that there are many new faces, not only among the students, but in the faculty also. Below is a list of new professors and their departments.

- Industrial Education: W. A. Bandy, E. L. Huffhines, B. W. Whitney.
- Veterinary Pathology and Bacteriology: W. C. Banks and V. B. Robinson.
- Mechanical Engineering: A. G. Bardwell, Jr., James R. Story.
- Physics: C. H. Bernard, M. R. Blodgett.
- Engineering Drawing: Gene H. Brock, Wm. E. Street, and L. E. Stark.
- Agricultural Economics: F. A. Buckley, P. L. Ferguson, F. L. Greenway, S. M. McKinnon, Ray Putman, J. M. Ward.
- Mathematics: W. B. Coleman, C. H. Cunkle, W. B. Evans, J. R. Smith.
- Agronomy: A. W. Crain and J. W. Collier.
- Veterinary Anatomy: K. H. Curtis.
- Animal Husbandry: Tom DeRouen, I. F. Edwards, J. K. Riggs, W. M. Warren.
- Agricultural Education: L. V. Halbrooks.
- Accounting and Statistics: F. R. Hale, Jr., W. S. Manning.
- Physical Education: L. A. Harrison, Jr., N. A. Ponthieux, C. E. Tishler.
- English: J. K. Howard, A. H. (See NEW PROFS, Page 6)

### ASME Makes Plans To Increase Number During Coming Year

Plans for increasing the attendance of M. E. freshmen and sophomores keynoted the first regular A.S.M.E. meeting for the 1941-42 school year, held Thursday night in the Physics lecture room after yell practice.

After the meeting was opened by a showing of the film "Yellowstone National Park," Mr. Crawford of the M. E. department, spoke briefly to the 140 present on engineering in general, pointing out that one-third of all engineers last year were enrolled in Mechanical Engineering. A discussion was then begun by Ed Clark, president, in which the previous low attendance, in which the previous low attendance by first and second year M. E.'s was stressed, and a plea for cooperation by all members in boosting enrollment was made.

Program plans for the coming year, including a dance to be given in the spring, were presented by Leland Ellis, program chairman, and the meeting was closed by the showing of the film, "Science Rules the Rouge." Refreshments were served.

### Rattans Entertain Christian A & M Class

Members of the Christian Church A. & M. Sunday school class will be entertained tonight in the home of Mr. and Mrs. Tom Rattan, 310 Walton Drive.
