Main Worry Lies in Pivot Post Says Norton; Coach Greatly Impressed With Derace Moser

In an interview that this writer had with Coach Homer Norton Tuesday morning, many things were cleared up concerning the Aggies' potential power. Coach Norton said that he was extremely pleased with the team's showing last Saturday afternoon, but indicated there were still many weaknesses noticeable in the team. "Our center played a great game on defense, but their snapping needed a lot of improvement," Norton added. Indications that Coach Norton is worried over the pivot post was clarified yesterday and Tuesday, when he had Freshman Coach Charlie DeWare give the centers a thorough workout at snapping the ball and blocking the man in front of them.

Coach Norton was more than pleased with the playing of Tailback Derace Moser. "I believe I can say that Moser is the most improved player on the team, and that he should go far before this year is out," Norton said. He also talked favorably of Jim Sterling, Leo Daniels, Tom Pickett, and the reserves. "Sterling's performance last Saturday can well be classed as of mid season form," Norton concluded.

Aggie Freshmen Show Plenty of Power And Deception in Easy Win Over Allen Academy

The Aggie Fish opened their season last Monday afternoon with a 40-0 bombardment of Allen Academy, and do not play again until November 14, when they meet the Rice Slimes in Houston. The Fish definitely proved to this writer that they have one of the strongest first-year squads that this school has ever had. They had everything—passing, kicking, blocking and running. Doing most of the offensive work were three stalwarts of the backfield, namely, George Wilde, Barney Welch, and

Charlie Manichia. These boys did everything with a football but eat it, and then they would have done that if they had to.

Special notice to any freshman that desires to come out for Fish football—All those who have not been issued a suit, and who desire to play football, report to the gym at 5:15 this afternoon and get one issued. All comers welcome.

On the Sidelines

Don Luethy

The Texas Aggies, although they won last Saturday, suffered a hard blow when it was revealed that Don Luethy, one of the best prospective sophomore tackles on the team, received a broken ankle in the game. "Loop," as he is more commonly known, came to A. & M. from Monahans High School where he lettered in football, basketball, and boxing, and then won his freshman numeral in football here. His coaches have predicted great things for him before he closes his gridiron career, and it is only natural that all Aggies wish him the best of luck in the world. Here's hoping that ankle heals soon, Loop.

Embark at 10 p. m.; Leave College at 1:30 Fri Morning

Coach Homer Norton and his Texas Aggies will embark on the train tonight at 10 o'clock and will leave College Station at 1:30 Friday morning for San Antonio and the Texas A. & I. Javelinas, whom they meet in the Alamo Stadium Saturday night.

Second "Invasion"
This will be the Aggies' "second invasion of the Alamo" as they tamed the Tulsa Hurricane, 41-6, in their first jaunt last year. It will be a different battle this time, however, as the cadets play their first Texas night battle in the history of football at A. & M. How the Ags will stand up under the lights will be answered this Saturday.

The 36-man team will arrive at San Antonio early Friday morning, and play to take a couple of light workouts in the Alamo Stadium Friday and before game time.

Run Hog Plays
Meanwhile the Aggies worked hard for their coming Javelina battle with scrimmages Tuesday and Wednesday. The team also ran Hog plays, with Derace Moser, Tom Pickett, Cullen Rogers, and Leo Daniels, being stopped with each carry.

Passing continued to shine in the Aggie camp with such pass receivers as Bill Henderson, Jim "Rosy" Sterling, Boots Simmons,

and Harold Cowley making many sensational catches. Bill Sibley, A. J. Mercer, Cotton Williams, and Leonard Holder, the Aggie centers, were given a thorough workout by Freshman Coach Charlie DeWare in ball snapping and blocking, with all the boys doing improved work.

Over Forty Attend First Fencing Meet

More than 40 cadets were present at the first meeting of the Fencing Club on Tuesday night, according to Mr. Lambert Molyneux, sponsor of the club, who has recently returned from a leave of absence. This large turnout shows very clearly the growing interest in fencing here and elsewhere, Mr. Molyneux further stated.

The A. & M. fencing team is a member of the Southwest Conference's division of minor sports, and freshmen who attend the daily fencing class in the gym from 5 to 6 p. m. will receive credit for physical education. All other students are urged to try out for the team, too, for no previous fencing experience is necessary.

The dial telephone system used on the A. & M. campus in 1903 was one of the first in the United States.

INTRAMURALS By DUB OXFORD
This week is the real beginning for intramurals. It also marks the beginning of another season with games scheduled for all sports. Class A is offering tennis, handball, and water polo. Basketball for class A will start as soon as the gym floor is completed. In class B there will be swimming, touch football, and basketball. Of these sports offered, water polo and tennis have started for the upperclassmen, swimming and basketball have started for the fish. The two forfeits in class A were due to the late arrival of the teams. There will be no forfeit time allowed this year and if you don't want your team to lose by a forfeit, show up at the scheduled time.
FORFEIT DOGHOUSE
Class A
A Signal Corps, W P
1 CHQ, W P
Class B
E Replacement Center, Sw.
In class A, water polo took the spotlight as 5 CHQ took a decisive win over C Cavalry. So far in water polo, 5 CHQ has had the team with the most hustle. Close behind the headquarters boys is C CWS. "Pinky" Ballard, Dewy, Duncan and Pat Stanford were the mainstays for the "chem" boys as they took a 4-0 win over B Cavalry. Reports on the other water polo games played are: Headquarters Signal Corps won over 1 CHQ by a forfeit; D Engineers took H Battery Coast by a score of 1-9; B Coast won over H Infantry and D field Artillery tied their game with A Infantry.
Class B Swimming
In the class B swimming meets, C CWS won over I Replacement Center by a whale of a score, to be exact, 23-11. C Cavalry won their game by forfeit and F Field Artillery took C Engineers for a ride to the tune of 22-13.
Results of the class tennis are:
