## Corps Takes Own Music to Cow City; Aggieldand Plays at Hotel

By Bob Nisbet

When those fighting Aggies from A. & M. embark on a corps trip, their primary objective is to win a football game, but they go prepared also to do the ultimate in the way of making merry and having a good time. In this respect half of their preparation consists in taking along Topsy Pearce's Aggieldand Orchestra to insure their having good dance music.

Fort Worth, being no exception to the rule, will find the Aggieldand playing their "Music As You Like It!" for the official Aggie after-the-game dance at the Texas hotel beginning at 9:00 p. m. and lasting until 1:00 p. m. The dance is under the sponsorship of the Fort Worth A. & M. Former Students Association.

Their first performance since their phenomenally successful '41-'42 debut two weekends ago, the Aggieldand, Norma Jean et al, begin their observance of student desires by making use of infomation secured through a trial edition of the Aggie Hit Parade at

### Other Important Decisions Reached At Jr Class Meet

Juniors wanting authorized absences for Friday afternoon may get them until noon Friday if they want to attend the dance to be given for them by the junior class of TSCW. These and other issues were discussed at a meeting of the class in the Assembly Hall Monday night. It was voted at the meeting to wear the number two uniform with serge shirts at the dance.

Before the dance the juniors will be given a steak fry in Lowry Woods near the campus. Captain W. S. McCulley will be detailed as the officer in charge for the dance to be given the juniors.

The Dean of Women of TSCW has stated that she would have places for 188 boys in the dormitory to be vacated and that anyone who did not get one of these rooms will have to stay somewhere else.

Juniors wanting blind dates for the dance were told to leave their name and a description of themselves at desks which were set up at both the new and old Y's until 6 p. m. Tuesday. Those wanting to stay in the dormitory which is to be vacated for the class were told to sign at these desks also.

Last year it was necessary for those attending the dance to have their passes signed by the officer in charge of the dance, but this will not be necessary this year.

At the class meeting it was decided to let the president of the class, Jack Miller, appoint a committee of three to ask the cadet colonel and other members of the regimental staff for permission to establish a junior section in Guion Hall. Although the juniors have never had such a section before it is thought that permission will be given because of the moving of the showplace.

Bill Gallaway was named as chairman of the committee and working with him will be Grover Carathers and Johnnie Crosby.
