## DUTCH MEYER

(Continued from Page 1)

In his 11 years as freshman coach, Meyer sent his yearlings into 33 games and won all of them except four. As varsity baseball coach from 1927 through 1934, "Dutch" has always had his teams in the middle of the conference fight; winning the Southwest baseball championship in 1933.

Meyer has been head football coach for seven years (1934-40), and his teams have won 50 games, lost 25, and tied four, for a percentage of .658. In non-conference tilts, his teams have won 26, lost 10, and tied one, for a percentage of .716. In conference competition his record stands at 24 games won, 15 lost, and three tied, for a percentage of .607.

Meyer's 1935 team was given first place in the Williamson national football ratings. In 1936, the team was rated fifth nationally and in 1938 the Horned Frogs were rated No. 1 nationally, undefeated and untied in ten scheduled games; and victor over Carnegie Tech in the Sugar Bowl 15 to 7.

Coach "Dutch" Meyer has the reputation of being an able football mentor with the knack of turning out flashy teams with brilliant stars among them. Some examples of the big-caliber players produced by Meyer are "Slinging Sammy" Baugh, Davey O'Brien, Ki Aldrich, and the present Kyle Gillespie.

the tailback post; Marshall Spivey, leading pass receiver, will play the wingback spot and call signals; Willie Zapalac will be at the blocking position, while Jake Webster, who has 14 out of 14 conversions to his credit, will man the fullback post.

In the line, Sterling and Henderson will start at the terminals, Richardson and Roy Bucek at guards, Ruby and Wesson at tackles, and Dub Sibley, at center. Wesson is still suffering slightly from the injury that he sustained in the N.Y.U. game, and should be out of the lineup, Bob Tulis, a tackle who has shown his worth in the past two games, will probably take his place. Leonard Dickey will be ready to give a hand as will Weldon Maples, Zolus Motley, Truman Cox, and Jack Swank.

Dutch Meyer, meanwhile, will center most of his attack around brilliant Kyle Gillespie, who will do the passing, running, and kicking, and will call signals. With him in the backfield will be Sparks, Bond, and Kring. The latter is expected to do most of the line-ramping, while Sparks and Bond are expected to do the blocking and pass-snagging. However, Coach Meyer has indicated that he may yet start Frank Medanich at one of the halfback posts. Medanich, it will be remembered, ran circles against that sturdy Indiana forward wall for yardage after yardage last week.

The Frog forward wall, led by Captain Bill Crawford, big guard and Derrell Palmer, one of the toughest tackles in the conference, has one of the best defensive records in the league, and will get its test today against the flashy Aggie backs. Others in the line include Roach and Alford at ends, Adams at tackle, Pugh at the other guard, and either Blackstone or Odell at center.

## Intramurals

By Dub Oxford

Sitting in on a meeting of the scheduling committee, it amazed me to see them schedule as many games as they do and make so few mistakes. There are approximately 4,500 games played during a school year and of course, some mistakes will be made, but at that, it is an enviable record that the P. E. department has having so few mistakes in scheduling. So please remember the next time there is a mistake in scheduling your team, the department is doing the best they can.

Oxford

It's neither a fire nor an air raid in the vicinity of Kyle Field every afternoon about four; it's merely George Van Cleave, intramural senior manager, exerting his excess energy on a siren. The main purpose of the siren is to inform the boys when the intramural matches start. The siren blows at 4:10 p. m. and at 4:55 p. m. At present, it all boils down to this. If you hear the siren on the way down to a game, you might as well turn around and go home, for by the time you get to the match it will be too late and a forfeit marked up for your team. To get the idea over better, it's either going to be "just before," or "just after" the blowing of the siren.

**Class A Handball**  
The handball courts have been resounding with noise lately. The reason—intramural handball is a very popular sport. E Coast showed how much energy they had, they beat D Cavalry 3-0. Right behind them, C Infantry took the "Chem" boys for a ride, beating B C.W.S. 3-0. Coming back to keep up the honor of the C. W. S. C. C.W.S. beat H Replacement Center 3-0, and A C.W.S. took D Field for a gassing by taking a win over them by the score of 3-0 also. I Headquarters Field beat 3 Headquarters Field 2-1 and B Field won their game with D Infantry 2-1. H Field took D Infantry by a score of 3-0.

In 1879 the Board of Directors ordered a thorough house cleaning by requesting the resignation of the entire faculty.
