# squad was up to usual form and careless Use

Trotter was high scorer for the Aggies with four goals. The other Cadet scorers were Renaud, three; Taylor, two; McKee, two; and Baus, one. Haglund and Buchanan accounted for the two Galveston scores.

The Galveston team will come to College Station for a return match scheduled at 8 p.m. The Campus club, consisting of A. & M. faculty members and ineligible equadmen, will meet the Galveston squad Sunday at 2 p.m.

Taylor, two; McKee, two; and Baus, one. Haglund and Buchanan accounted for the two Galveston scores.

A timely and urgent warning against the careless handling of firearms during the hunting season was issued today by Doctor Geo. W. Cox, State Health Officer.

"During the year 1940 a total of 179 deaths occurred in Texas as a result of firearm accidents, by sheet am making the touchback, from its own 20-yard line. The core which sent it to or across the goal line came from the team of the team of a team, provided the force which sent it to a reacross the goal line for the reterioning team shall be the 30-yard line. A touchback is safety and scores 2 points for the opponents. The ball is put in play by the team shall be the 30-yard line. A touchback is safety and scores 2 points for the or approvide the force which sent it to or across the goal line for the reterioning line for the receiving team shall be the 30-yard line. A touchback is safety and scores 2 points for the opponents. The ball is put in play by the team above, or behind the goal line yas given by an opponent. The ball is put into play from scrimmage by the team making the touchback, from its own 20-yard line.

Bleeked Punts: A nativally blocked your streams of the team making the touchback, from its own 20-yard line.

squad Sunday at 2 p.m.

Southeast Missouri State Teachers college (Cape Girardeau) has reduced freshman failures in chemistry 75 per cent since organization of a drill class in chemistry three years ago.

of 179 deaths occured in Texas as a result of firearm accidents, by far the majority of them due to hunting activities," said Doctor Cox. "A hunter's loaded gun when rot carried on safety is a menace to himself and to everyone within firing range."

Doctor Cox pointed out that while hunting is one of the nation's most of the deam at that point, regardless of the down. Punts blocked in the kicking team's end the ground and belongs to the defensive team at that point, regardless of the down. Punts blocked in the kicking team's end to himself and to everyone within firing range."

Doctor Cox pointed out that while hunting is one of the nation's most of the nation's most of the nation of the set where penalties.

Pretty hard to tell, isn't

#### **Houston University** Schedules Training For Naval Mechanics

N. S. Patterson, head of the Department of Public Relations at the University of Houston, announced the beginning of classes for 100 trainees in the special naval mechanics training program.

Details of the program for the men who arrived in Houston from Corpus Christi were worked out by Dr. W. W. Kenmerer, Dr. C. F. Hillier, both of the University of Houston, and Captain T. A. Thompson of New Orleans, commandant of the Eighth Naval District. In charge of the group is Lieutenant F. J. Sabathier, who is assisted by Ensign Joseph S. Rose, Jr.

In answer to requests for specialized information, more than 35,000 "made-to-order" packets of library materials were circulated in the last year by the University of Texas package loan library.
