Longhorn Staff Requests Juniors To Finish Pictures

In order to keep from working a hardship on the photographer and the Longhorn staff, juniors are requested to have their Longhorn pictures made during the time designated below. Those who have missed their allotted time may have the picture made at once to avoid getting farther behind schedule. Longhorn Editor R. L. Heitkamp has also requested that seniors who have made reservations have their pictures made as soon as possible. The photographer will select proofs for those seniors who delay too long in making a selection.

Only two senior favorites and vanity fair pictures have been submitted at present, Heitkamp told the Battalion. The deadline for submission of these portraits has been set at December 20. The seniors are advised not to wait until the last minute to turn in these pictures.

Places in Longhorn for club pictures must be secured by reservations which may be had from Jack Grantham and Bennie Hancock. The Longhorn editor asks that club presidents attend to this matter at once. All club pictures will be made in uniform except when special permission has been obtained.

The schedule for junior Longhorn pictures is as follows:
 November 3-6; Composite Regiment
 November 7-11; Cavalry
 November 11-14; Coast Artillery
 November 17-20; Engineers
